INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Northwood Club 401(k) Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Northwood Club 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Northwood Club 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Northwood Club 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northwood Club 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northwood Club 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northwood Club 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Northwood Club 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the Northwood Club 401(k) Plan (the "Plan") provides only general information. Therefore, participants should refer to the Plan's prototype plan document and related adoption agreement for a more complete description of the Plan's provisions.

General

The Plan was established November 1, 1999 and restated on October 1, 2021, by Northwood Club, Inc. (the "Club", "Plan Sponsor", or "Employer"), to provide benefits to eligible employees, as defined in the plan document. The Plan is currently intended to be qualified under the applicable requirements of the Internal Revenue Code ("IRC") and the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective March 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Cares (CARES) Act, related to distributions. The Club has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Eligibility

All employees of the Club who have attained the age of 21, have completed at least one year of service and are a full-time or part-time employee are eligible to participate and are automatically enrolled in the Plan.

Plan administration

The Plan is administered by the finance committee appointed by the Board of Governors of the Club. The Plan's assets are held under a group annuity contract with Principal Life Insurance Company ("Principal"). Principal was appointed as asset custodian and record keeper of the Plan effective November 1, 1999. In August 2021, the Plan switched recordkeeper services from Principal Life Insurance Company to Empower Retirement, LLC. Great-West Trust Company, LLC (the "Trustee") is the trustee for the Plan. Certain administrative expenses of the Plan were paid directly by the Club for 2021. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan.

Contributions

Unless participants affirmatively elect otherwise, the Plan automatically defers a minimum of 1% and increased to 3% effective on August 2021, of their annual compensation to their Plan account, with the contributions and earnings thereon being tax deferred until withdrawn from the Plan. Participants may elect to contribute up to 100% of their compensation with all contributions subject to certain Internal Revenue Service ("IRS") limitations.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Club contributes an amount equal to 50% of the first 6% of each eligible employee's compensation to the Plan. In addition, the Club may, at the discretion of the Club's Board of Governors, make discretionary contributions as determined on an annual basis, subject to certain limitations. The Club made no discretionary contributions for the years ended December 31, 2021 or 2020.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The repayment of principal plan interest is generally required by the Plan to be made through bi-weekly payroll deductions within five years unless the loan is used for the purchase of a principal residence, which may be paid over a ten year period. The loans are secured by the balance in the participant's account and accrue interest at the prime rate plus 1%, set on the date that the loan was distributed. All outstanding loans accrue interest at rates of 4.25% and become immediately payable in the event of default, death, disability, or termination of employment.

Participant accounts

Each participant's account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution, if any. Allocation of the Company's contribution is based on participant contributions or eligible employee compensation, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are vested immediately in their contributions and any income thereon. Participants vest in the Club's discretionary contributions at the rate of 20% for each year of service and are 100% vested after five years.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Benefits are payable in a lump-sum upon termination of service due to death, disability (as defined), or normal retirement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The cash out provision of the Plan allows the Plan, upon termination of employment, to distribute vested account balances of less than \$1,000 without the participant's consent as a lump-sum distribution. In the absence of a participant's election, vested account balances between \$1,000 and \$5,000 inclusive are distributed to an Individual Retirement Account for the benefit of the participant. If the account balance is greater than \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or delay the distribution until the participant is required by law to receive minimum required distributions, as described in the Plan documents.

Forfeitures

Amounts which are forfeited as non-vested discretionary contributions will be used first to reduce future employer discretionary contributions and then to pay Plan administrative expenses. The Club utilized \$5,758 of forfeitures to reduce Employer contributions during the year ended December 31, 2021.

Administrative expenses

Administrative expenses are generally paid by the Club, but at the discretion of the plan administrator, may be paid by the Plan. Transaction fees for certain participant initiated activity are charged to the specific account of the participant initiating any such transaction.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Actual results could differ from those estimates.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Contributions and receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Employer, which is the pay date. The Plan records receivables for participants' contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Employer contributions are recorded in the year they are earned and to coincide with the year in which the Employer records the contribution in its general ledger and takes the tax deduction. The Plan records receivables for Employer matching contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Investment valuation and income recognition

Plan investments in mutual and money market funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Administrative expenses

Expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events from the statement of net assets available for benefits date through October 13, 2022, the date the accompanying financial statements were available to be issued. Based upon this evaluation, it was determined that no other subsequent events occurred that require recognition or additional disclosures in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AND TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, Principal and the Trustee have certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, dividends and interest (including interest income from notes receivable from participants) is reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021;
- Investments and notes receivable are reflected on the schedule of assets (held at end of year) as of December 31, 2021 ("supplemental schedule").

Accordingly, as requested by the Plan administrator, the Plan's independent auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to measurements involving significant unobservable inputs (Level 3).

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS (continued)

The fair value hierarchy levels of inputs that may be used to measure fair value are as follows:

Level 1 - Asset value is based on actual quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Significant unobservable inputs (including management's own assumptions in determining the fair value of investments) are used to arrive at fair value.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual fund investments are valued at the fair value of shares held by the Plan at year end which are quoted in an active market, and along with money market funds are classified within Level 1 of the valuation hierarchy.

The preceding method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market funds	\$ 97,738	\$ -	\$ -	\$ 97,738
Mutual funds	<u>4,645,918</u>	<u>-</u>	<u>-</u>	<u>4,645,918</u>
	<u>\$ 4,743,656</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,743,656</u>

As of December 31, 2020, pooled separate account investments were valued at net asset value as a practical expedient for fair value as reported by the issuer, based on the fair value of the underlying investments plus contributions, less any distributions and fees paid by the fund for its expenses. Investments reported at net asset value as a practical expedient for fair value and fully benefit responsive investment contracts reported at contract value are not required to report within the fair value hierarchy table.

Northwood Club 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS (continued)

In addition, the Plan also invested in a Guaranteed Interest Account which was fully benefit responsive and therefore was carried at contract value as reported by the contract issuer as of December 31, 2020. See Note 5.

5. GUARANTEED INTEREST ACCOUNT

The guaranteed interest account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but was not to be less than 4 percent. The guaranteed investment contract did not permit the contract issuer to terminate the agreement prior to the scheduled maturity date. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could have been affected by future economic and regulatory developments. During the year ended December 31, 2021, the Plan liquidated the Guaranteed Interest Account.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, the participants' accounts will become fully vested.

7. TAX STATUS

The Plan has adopted a volume submitter plan that received an opinion letter dated June 30, 2020, from the Internal Revenue Service, which stated that the volume submitter plan document is acceptable under section 401 of the IRC for use by employers for the benefit of their employees. Although the Plan has been subsequently amended, the Plan administrator believes that the Plan is currently designed and being operated in accordance with the provisions of the IRC and that the Plan and related trust is exempt from federal income and state franchise taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS

ERISA defines parties-in-interest similarly to financial accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

December 31, 2021 and 2020

8. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS
(continued)

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Trustee and its affiliates, including fee offset agreements, qualify as party-in-interest transactions. Also, the Plan sponsor pays certain fees and expenses on behalf of the Plan. The Plan is not required to reimburse the Plan sponsor for expenses paid on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts.

The Plan has included in its investment fund options certain funds managed by the Trustee therefore, these transactions qualify as exempt party-in interest transactions.
