INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Tabula Rasa Healthcare Group, Inc. 401(k) Retirement Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tabula Rasa Healthcare Group, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of the Tabula Rasa Healthcare Group, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which began on August 1, 2014, is a defined contribution 401(k) retirement plan covering all eligible employees of Tabula Rasa HealthCare, Inc. and employees of its wholly-owned subsidiaries, including CareKinesis, Inc., Capstone Performance Systems, LLC, and J.A. Robertson, Inc. On September 7, 2017, September 1, 2018, January 1, 2019, and March 5, 2019, Tabula Rasa HealthCare, Inc. acquired SinfoniaRx, Inc., Medliance, LLC, Cognify, LLC, and PrescribeWellness, respectively, which from these dates forward are also covered under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2020, Tabula Rasa HealthCare Inc. implemented a reorganization pursuant to which all of its domestic subsidiaries, other than CK Solutions, LLC, merged with and into Tabula Rasa HealthCare Inc.'s wholly-owned subsidiary CareKinesis, Inc., which had previously changed its legal name on December 20, 2019 to TRHC OpCo, Inc. In the second quarter of 2020, TRHC OpCo, Inc. further changed its name to Tabula Rasa HealthCare Group, Inc. Following such reorganization, Tabula Rasa HealthCare Inc.'s only directly owned subsidiary is Tabula Rasa HealthCare Group, Inc., which is the parent of CK Solutions, LLC, three foreign subsidiaries related to the acquisition of DoseMe Holdings Pty Ltd, and TRHC TPA LLC. All employees, with the exception of those employees of the foreign subsidiaries related to the acquisition of DoseMe Holdings Pty Ltd., are now employees of Tabula Rasa HealthCare Group, Inc. and the Plan covers all eligible employees of Tabula Rasa HealthCare Group, Inc. (the "Company").

Effective December 7, 2020, the Plan name was amended from Tabula Rasa HealthCare, Inc. 401(k) Retirement Plan to Tabula Rasa HealthCare Group, Inc. 401(k) Retirement Plan.

In response to the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. Plan management has implemented certain provisions of the CARES Act, including coronavirus relief distributions and coronavirus loan provisions during the Plan year ended December 31, 2020. The Plan has not yet been formally amended for the adoption of this provision.

During June 2020, the Plan assets were transferred from Reliance Trust Company to Fidelity Management Trust Company, the new trustee and recordkeeper of the Plan.

Eligibility

Any employee of the Company who has completed three months of service, attained the age of 21, and is not an excluded employee is eligible to participate in the Plan. Excluded employees include employees covered by a collective bargaining agreement, leased employees, reclassified employees, and any temporary employee whose regularly scheduled service is less than 1,000 hours.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company contributes nonelective safe harbor matching contributions to all eligible employees in an amount equal to 3% of eligible compensation each year. Employer safe harbor matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2021, the Company made safe harbor matching contributions of $2,985,768.

The Company may also elect to contribute discretionary matching contributions, which are not to exceed 4% of eligible compensation. During 2021, no discretionary matching contributions were made.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's nonelective safe harbor contributions and discretionary matching contributions and related earnings is based on years of continuous service, as follows:

Years of Service	Vested Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

A participant's interest in their account shall become fully vested if employment is terminated due to death, disability or attainment of normal retirement age (62).

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation if investment earnings or losses, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow from their fund account a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000, minus the highest outstanding note balance they had in the preceding 12 months. The maximum note term is 60 months (longer for the purchase of a primary residence). Participants are allowed to have two outstanding notes at any given time. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator.

Payment of benefits

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, reach age 59-1/2 or on account of financial hardship as defined in the IRC.

Benefits may be paid in the form of a lump sum, partial payments or installment payments.

Forfeited accounts

Forfeitures of the non-vested portion of terminated participants' accounts are used to pay administrative expenses or reduce future employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled $4,973 and $8,324, respectively. For the year ended December 31, 2021, forfeitures used to reduce employer contributions and administrative expenses amounted to $37,944 and $406, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are held by Fidelity Management Trust Company, the trustee, in various mutual funds, a common collective trust and a self-directed brokerage account. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines its valuation policies utilizing information provided by the investment adviser and Fidelity Management Trust Company.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair value measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

Common collective trust: Common collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage account: The fair value of investments in the self-directed brokerage account, including interest-bearing cash and mutual funds, are determined by quoted active-market prices, quoted prices on inactive markets, or net asset values, where available.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2022, the date on which these financial statements were available to be issued, and has determined that there are no material subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events.*

NOTE 3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

The following table summarizes investment and other asset information regarding the Plan as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from, without audit, information prepared by the Fidelity Management Trust Company, the trustee, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

	2021	2020
Investments:		
Mutual funds	$ 49,394,573	$ 35,913,854
Money market fund	59,679	59,555
Common collective trust	800,165	828,375
Self-directed brokerage account	162,677	90,229
Total investments	50,417,094	36,892,013
Notes receivable from participants	562,141	392,446
Total certified assets	$ 50,979,235	$ 37,284,459
Net appreciation in fair value of investments	$ 4,261,609	
Interest and dividends	$ 1,402,216	
Interest income on notes receivable from participants	$ 17,598	

NOTE 5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee and recordkeeper, as defined by the Plan. Accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. The Company pays directly any other fees related to the Plan's operations.

NOTE 6. FAIR VALUE MEASUREMENTS

The following tables, set forth by level within the fair value hierarchy, summarize the Plan's assets measured at fair value as of December 31, 2021 and 2020:

	Total at December 31, 2021	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	$ 49,394,573	$ 49,394,573	$ -	$ -
Money market fund	59,679	59,679	-	-
Self-directed brokerage account	162,677	162,677	-	-
Total assets in fair value hierarchy	49,616,929	$ 49,616,929	$ -	$ -
Investments measured at NAV*	800,165			
Total investments at fair value	$ 50,417,094			

	Total at December 31, 2020	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	$ 35,913,854	$ 35,913,854	$ -	$ -
Money market fund	59,555	59,555	-	-
Self-directed brokerage account	90,229	90,229	-	-
Total assets in fair value hierarchy	36,063,638	$ 36,063,638	$ -	$ -
Investments measured at NAV*	828,375			
Total investments at fair value	$ 36,892,013			

* In accordance with Subtopic 820-10, certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During the years ended December 31, 2021 and 2020, there were no transfers between levels of the fair value hierarchy.

NOTE 7. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following tables set forth a summary of the Plan's investments with a reported NAV per share at December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is only applicable to the Plan.

	December 31, 2021				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common collective trust	$ 800,165	$ -	Daily	None	None

	December 31, 2020				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common collective trust	$ 828,375	$ -	Daily	None	None

The fair values of the investments have been estimated using the NAV of the investments:

The common collective trust seeks to achieve a stable unit value, a competitive current return, a high-quality diversified portfolio, and liquidity by investing in a high-quality insurance company and bank investment contracts, private placements, money markets, and other investments.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9. TAX STATUS

The Plan has adopted a non-standardized profit sharing plan which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the plan is designed in accordance with the applicable sections of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
