INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Stead Automotive Group #1 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audits of the financial statements of Stead Automotive Group #1 (the "Company") 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by Empower Retirement that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by Empower Retirement in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets Held at End of Year as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for

Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter-Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 1 Description of Plan:

The following description of the Stead Automotive Group (the "Company") #1 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established to provide retirement benefits for all full-time employees of the Company, which consists of Walnut Creek Ford, Stead Motors, Inc., Michael C. Stead, Inc., and Michael Stead's Auto Depot, Inc. The Plan was originally effective on April 1, 2007. The amended and restated provisions of the Plan became effective on January 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility and Plan Entry Date

The Plan is available to employees of the Company after completing three (3) consecutive months of service and have attained the age of twenty (20). The entry date will be on the semi-annual date (the first day of the Plan year and the first day of the seventh month of the Plan year) on or after the day the employee satisfies the eligibility requirements.

Contributions

Each year, participants may contribute of pre-tax annual compensation, as defined in the Plan, subject to certain limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute ("rollover") amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make additional contributions in order to pass discrimination tests required under the Internal Revenue Code (IRC). In addition, the Company makes matching contributions to the Plan. The Company matches contributions up to the 3% of base compensation that a participant contributes to the Plan, not to exceed \$100 per month.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and may be charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Certain participant and loan fees, if applicable, are also charged to participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 1 Description of Plan (continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching portion of their accounts plus actual earnings thereon is based on years of service. Participants become vested in the Company's matching contribution over the following years of service:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
At least 1 year, but less than 2	0%
At least 2 years, but less than 3	50%
3 or more years	100%

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various investment options. Participants may change their investment options at will by completing and submitting appropriate the appropriate form to the trustee.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. There may be two outstanding loans at any time. Loan transactions are treated as transfer to (from) the investment fund from (to) the participant loans fund. Loan terms shall not exceed 5 years, or 15 years for the purchase of a principal residence. The loans are fully amortized and secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rate on all loans shall be no less than the prime rate plus 1% on the date of the inception of the loan. Outstanding participant loans as of December 31, 2021 bear interest rates ranging from 4.25% to 6.50%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

In general, benefits may be withdrawn upon termination of employment or Plan termination. In addition, participants may also withdraw all or a portion of their vested individual account if they become disabled or attain normal retirement age but continue to work. Participants should refer to the Plan document for additional information on distributions.

Forfeitures

If a participant terminates employment before being fully vested, the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture, which may be used to reduce the Plan's administrative expenses and future employer contributions. For the years ended December 31, 2021 and 2020, forfeitures of terminated non-vested accounts totaled \$6,082 and \$99,916, respectively.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 2 Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements of the Plan and Form 5500 are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation/(depreciation) of fair value of investments.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 3 Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that provides the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology include: • Valuation methodology is unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Methodology Used to Determine Fair Value of Investments

Pooled separate accounts

Mutual of Omaha's pooled separate accounts are not themselves publicly traded but are composed of assets that are either priced by a pricing service or directly by the relevant mutual fund company trading partner. The accounts are subject to unitization valuation processes. The underlying mutual funds are traded daily on an active market and all the unit values are observable.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 3 Fair Value Measurements (continued):

The Plan believes its valuation methods are appropriate and consistent with other market participants. The use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

For years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in and out of Level 3.

Note 4 Information Certified by the Trustee:

Certified information related to the investments at fair value and contract value disclosed in the accompanying financial statements and supplemental schedule held at December 31, 2021 and 2020 and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020 was obtained from the information supplied to the Plan Administrator and certified as complete and accurate by Mutual of Omaha, custodians of the Plan and United of Omaha Life Insurance Company.

Note 5 Guaranteed Investment Contract with Insurance Company:

The Plan has entered into a fully benefit-responsive guaranteed investment contract with Mutual of Omaha Insurance Company (Mutual of Omaha) totaling \$3,754,298 for 2021 and \$4,176,881 for 2020. Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. The crediting rate is reviewed on a monthly basis for resetting. The guaranteed investment contract does permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual, represents contributions made under contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 5 Guaranteed Investment Contract with Insurance Company (continued):

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contact with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note 6 Related Party and Parties-in-Interest Transaction:

Various investment options offered by the Plan are investments which are managed by Mutual of Omaha, custodian of the Plan. Any purchases and sales of these funds are performed in the open market. Such transactions, while considered related party and parties-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA. Fees incurred and paid directly to the investment management services at December 31, 2021 and 2020, totaled \$14,946 and \$10,023, respectively.

Note 7 Tax Status:

The Company adopted a Prototype Standardized Profit-Sharing Plan with a cash or deferral arrangement (the "Prototype Plan"). The Internal Revenue Service (IRS) has informed Mutual of Omaha Insurance Company by a letter dated March 31, 2014, that the form of the Prototype Plan is acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not requested a separate determination letter from the IRS; however, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and is qualified to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015. The Plan has no uncertain tax positions as of December 31, 2021 and 2020.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 8 Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9 Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and have imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however are expected to have material adverse impacts on domestic and foreign economies and may result in the United States entering a period of recession.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

STEAD AUTOMOTIVE GROUP #1 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Note 10 Subsequent Events:

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued. Management has not identified any subsequent events that would require an adjustment to the financial statements or disclosures as required under generally accepted accounting principles.
