INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of
Haas Sons, Inc. 401(k) Profit Sharing Plan
Thorp, Wisconsin

Opinion
We have audited the accompanying financial statements of Haas Sons, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Haas Sons, Inc. 401(k) Profit Sharing Plan as of December 31, 2021 and 2020, and changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haas Sons, Inc. 401(k) Profit Sharing Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haas Sons, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Haas Sons, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haas Sons, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of Plan year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplement schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in the conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Haas Sons, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Haas Sons, Inc. and Haas Transport, Inc. (the Company) who have completed one month of eligible service and are age 18 or older. Part-time, temporary, or seasonal employees are eligible once they have completed 1,000 hours of service at the end of the twelve month period beginning from their date of hire. If they have not completed 1,000 hours of service at the end of such period, they will be eligible once they have completed 1,000 hours at the end of any following Plan Year. Eligible employees may enter the Plan beginning on the date they satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and management are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan, if participant does not make their own investment selection their contributions will go to a designated balance fund until changed by the participant. The Company may contribute a discretionary profit sharing contribution to eligible participant accounts. During the year ended, December 31, 2021 the Company made a $2,503,013 profit sharing contribution to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's profit sharing contribution, and the Plan earnings (losses). Allocation of the discretionary profit sharing contribution is based on participant compensation as a percentage of total compensation. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Participants become 100% vested if they are employed on or after they reach their normal retirement age even if they have not yet completed 5 years of service.

Notes Receivable From Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Borrowings are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% at December 31, 2021. The loan interest rate is set at the prime rate (as quoted in the *Wall Street Journal* on the day the loan is requested) plus 1%. A maximum of one loan may be outstanding at any time. Principal and interest is paid ratably through payroll deductions. Terms range from one to five years or greater if for the purchase of a primary residence.

Pursuant to the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020.

In addition, qualified participants were allowed to borrow up to $100,000 for loans made from March 27, 2020 through September 22, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Payment of Benefits
On termination of service due to death, disability, retirement or any other reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or partial withdrawals, provided the minimum withdrawal is $1,000. Hardship distributions are allowed if qualification criteria are met. In-service withdrawals may be made for any reason upon attaining the age of 59½, subject to mandatory withholding.

A terminated employee may also leave a portion or all of his or her vested benefit in the Plan if it is greater than $5,000, until such time as they wish to withdraw it, with the account continuing to share in the Plan earnings. If a terminated participant's vested account balance does not exceed $5,000, the Plan will distribute the benefit in a lump-sum as soon as administratively practicable.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)
The age at which required minimum distributions must begin was increased from 70½ to 72 pursuant to the Setting Every Community Up for Retirement Enhancement (SECURE) Act enacted in December 2019.

In addition, pursuant to the CARES Act, required minimum distributions were automatically waived for all participants, including those who were currently receiving required minimum distributions and those who were due to receive their first required distribution in 2020. Participants had to manually request required minimum distributions if they wanted to receive their distribution in 2020. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

The Plan also permitted participants to request up to $100,000 in coronavirus-related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Forfeited Accounts
At December 31, 2021 and 2020, forfeited non-vested accounts totaled $132,936 and $185,597, respectively. These accounts will be used to reduce future employer contributions or to pay Plan expenses as directed by the Plan Administrator. Also, in 2021, employer contributions were reduced by $38,799 from forfeited non-vested accounts.

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and management determine the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits
Benefits are recorded when paid.

Plan Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses. Other expenses paid by the Plan include administrative fees charged by the Plan's third-party administrator, a party-in-interest.

Subsequent Events Consideration
The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
2021				
Interest bearing cash	$ 2,330,220	$ -	$ -	$ 2,330,220
Mutual funds	30,666,311	-	-	30,666,311
INVESTMENTS AT FAIR VALUE	**$ 32,996,531**	**$ -**	**$ -**	**$ 32,996,531**
2020				
Interest bearing cash	$ 1,996,848	$ -	$ -	$ 1,996,848
Mutual funds	25,112,124	-	-	25,112,124
INVESTMENTS AT FAIR VALUE	**$ 27,108,972**	**$ -**	**$ -**	**$ 27,108,972**

NOTE 4 – NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets related to the nonparticipant-directed investments is as follows:

	2021	2020
Net Assets		
General money market	$ 2,330,220	$ 1,996,848
TOTAL NONPARTICIPANT-DIRECTED INVESTMENTS	**$ 2,330,220**	**$ 1,996,848**

Changes in Net Assets	2021
Contributions	$ 2,448,059
Interest and dividends	543
Payments to allocated annuity contracts	(250,359)
Transfers to participant-direct investments	(1,864,871)
CHANGES IN NONPARTICIPANT-DIRECTED INVESTMENTS	**$ 333,372**

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by American Funds. American Funds is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in administrative expense and totaled $64,190 in 2021. In 2021, the Plan also made a direct payment to NFP Retirement Inc., the contract administrator, of $21,227 and is included in administrative expense of the Plan. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan is relying on an opinion letter the Internal Revenue Service has issued on the Volume Submitter Profit Sharing Plan with CODA dated March 31, 2014, which states the Volume Submitter Profit Sharing Plan with CODA is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Certain investments exceeded 10% of the net assets available for benefits. As of December 31, 2021 and 2020, the Plan had investments of $3,752,333 and $2,922,327, respectively, that were concentrated in one fund for 2021 and 2020.

The global outbreak of the Coronavirus (COVID-19), which was declared a pandemic by the World Health Organization in March 2020, has led to significant volatility in financial markets. The ultimate impact of COVID-19 on the Plan, which may be material, is uncertain and will depend on future developments, including the duration of the pandemic and the pace of economic recovery.

NOTE 9 – INSURANCE CONTRACTS EXCLUDED FROM PLAN ASSETS

Participants in the Plan can elect to allocate their profit sharing contributions to variable annuities through Brighthouse Financial and Jackson National Life Insurance Company. These contracts are allocated funding arrangements whereby Brighthouse and Jackson are obligated to pay benefits. These contracts are excluded from plan assets. During the year ended December 31, 2021, the Plan paid $250,359 for these contracts.

NOTE 10 - ROLLOVER CONTRIBUTIONS

In 2021, the Plan Sponsor acquired employees from an acquisition of a business. Employees acquired were eligible to rollover their balances from the prior employer's plan to the Plan Sponsor's plan. $936,578 was rolled into the Plan during the year ended December 31, 2021, and is included in rollovers on the statement of changes in net assets available for benefits.
