INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Premier Performance, LLC 401(k) Plan
Rexburg, Idaho

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Premier Performance, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan does not have sufficient accounting records and supporting documents relating to certain investment assets or investment transactions. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of The Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of The Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements
December 31, 2021

1. Description of Plan

The following description of the Premier Performance, LLC 401(k) Plan provides only general information. Participants should refer to the Plan document or summary plan description for a more complete description of the Plan's provisions.

General

The Premier Performance, LLC 401(k) Plan (the Plan) is a defined contribution plan covering all eligible employees of the Company. The Plan, sponsored by Premier Performance, LLC (the Company), was adopted on January 1, 2008 with an effective restatement date of January 1, 2016. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On April 6, 2020, the Plan adopted the provisions of the Coronavirus Aid Relief and Economic Security (CARES) Act of 2020 to allow coronavirus related withdrawal distributions, delay payments of coronavirus related loans for one year and to waive required minimum distributions for one year.

Contributions

Participants may elect to defer compensation and have it contributed to the Plan. Participants may contribute two types of salary deferrals: Pre-tax 401(k) deferrals and Roth 401(k) deferrals, as defined in the Plan. Participant's deferral elections may not exceed the dollar limits set by law. The Plan allows for catch-up deferrals to be made by participants who are over the age of 50. Participants direct investment of their contributions into various investment options offered by the Plan.

An employee may join the Plan as an active participant on the first day of the month after meeting the following requirements:

- Become an "eligible employee" as defined by the Plan,
- Have 90 days of entry service, and
- Are age 18 or older

The employer makes a "safe harbor" matching contribution equal to 100% of elective deferral contributions that are not over 3% of pay, plus 50% of elective deferral contributions which are over 3% but not over 5% of pay. In addition to the "safe harbor" contribution, the employer may make a discretionary contribution and/or a non-elective contribution allocated as a uniform percentage as defined by the Plan.

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution and plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant has a 100% vested interest at all times in his/her accounts attributable to elective deferrals, matching contributions, qualified nonelective contributions, and rollover contributions plus actual earnings thereon. Vesting in the Company's non-elective contributions are as listed below:

<u>Years of Service</u>	<u>Percentage</u>
Less Than 1	0%
1	25%
2	50%
3	75%
4 or More	100%

Notes Receivable - Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. A participant may have only two outstanding loans at a time. The loan interest rate will be based on the rates available for similar loans from commercial lending institutions.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to various investment options. The Company's contributions are contributed in the same proportion.

Payment of Benefits

On termination of service, if a participant's balance is less than \$5,000, a mandatory distribution will occur following severance from employment and as soon as administratively practical.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

1. Description of Plan (continued)

The Plan permits in-service distributions to participants over age 59 1/2, in case of hardship as defined by the Plan or as qualified reservist distributions or deemed severance distributions.

Upon termination of employment and for participants whose account balance is in excess of \$5,000, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may request a partial distribution, or annual installments over a period of time in accordance with a lifetime required minimum distribution.

Forfeitures

Participant forfeitures may be used first to pay Plan expenses and then to offset contributions by the employer. During the years ended December 31, 2021 and 2020, forfeitures of \$6,611 and \$0 respectively were used to reduce employer contributions.

2. Summary of Significant Accounting Policies

The following accounting policies, which conform with generally accepted accounting principles, have been used consistently in the preparation of the Plan's financial statements.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants will receive if they were to initiate transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by quoted market prices in an active market, except for insurance contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable – Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The majority of Plan administrative expenses are paid by the Plan.

Subsequent Events

Subsequent events were evaluated through August 25, 2022, which is the date the financial statements were available to be issued.

3. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a determination letter, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRS). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

3. Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

4. Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies/Contracts: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporary delay withdrawal from the trust in order to ensure that securities liquidated will be carried out in an orderly business manner.

Pooled Separate Accounts: Valued at the daily closing unit price. The unit value is calculated based on the observable NAV of the underlying investment. Pooled separate accounts may include investments in bonds or fixed income securities of companies similar to those which are used to calculate the Barclays Capital U.S. Aggregate bond index or similar index. The investment may also include a reasonable amount of index futures, commercial paper, OTC derivative securities and other types of investments.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

		Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

PREMIER PERFORMANCE, LLC 401(K) PLAN
Notes to the Financial Statements (continued)
December 31, 2021

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all amounts credited to their accounts.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant accounts and the amounts reported in the statement of assets available for benefits.

7. Related Party Transactions

Certain Plan investments are shares of funds managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
