Independent Auditor's Report

To the Administrative Committee of
Teikametrics LLC 401(k)
Profit Sharing Plan and Trust

Opinion

We have audited the accompanying financial statements of Teikametrics LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Teikametrics LLC 401(k) Profit Sharing Plan and Trust as of December 31, 2021, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teikametrics LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teikametrics LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teikametrics LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teikametrics LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, line 4(i) – Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Compiled 2020 Financial Statement

Plan management is responsible for the accompanying financial statements of Teikametrics LLC 401(k) Profit Sharing Plan and Trust, which comprises the statement of net assets available for benefits as of December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the financial statement.

Teikametrics LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

Note 1 - Description of Plan:

The following brief description of the Teikametrics LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, which was adopted by Teikametrics LLC ("the Company") effective January 1, 2014 and amended from time to time thereafter, is a defined contribution plan covering all eligible full and part-time employees of the Company who have attained the age of 21, excluding nonresident aliens, or any employees covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and did not result in material changes to plan administration and recordkeeping.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, Economics Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants which include special coronavirus distributions of up to \$100,000 and the suspension of required minimum distributions during the 2020 plan year. The CARES Act also increased the limit on the amount which a qualified participant may borrow from their account, during the period from March 27, 2020 to September 22, 2020 to the lesser of \$100,000 (minus existing outstanding loans), or the participants vested balance in the Plan.

(b) Contributions

Each year, participants may contribute up to 92% of annual compensation in the form of pre-tax deferrals or post tax Roth deferrals as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. The Company matches eligible employee contributions equal to 100% of the participants' contributions up to 3% of the participants' eligible compensation, plus 50% of the participants' contributions that exceeds 3% of the participants eligible compensation but does not exceed 5% of the participants eligible compensation. Contributions are subject to certain limitations. The Company may also make a discretionary profit-sharing contribution.

Teikametrics LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

Note 1 - Description of Plan (continued):

(b) Contributions (continued)

The maximum allowable calendar-year pre-tax, and post-tax, voluntary contribution, as determined by the Internal Revenue Service, was \$19,500 for the years ended December 31, 2021 and 2020, in addition to a maximum allowable catch up contribution of up to \$6,500 for each year.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested amount.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings, thereon. Participants are also immediately vested in employer matching contributions and become fully vested in profit sharing contributions after six years of service. Participant accounts become fully vested upon death, disability, attainment of normal retirement age, or upon termination of the Plan.

(e) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 not to exceed \$50,000. This amount was temporarily increased under the CARES Act (see section (a) of this Note). A participant may not have more than one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25%. Principal and interest are paid ratably through regular payroll deductions.

(f) Payment of Benefits

In-service withdrawals may be made from a participant's employee contributions account based on financial hardship, or upon reaching age 59½. On termination of service due to death, disability, or retirement, a participant, or his/her beneficiary, may elect to receive either a lump-sum amount equal to the value of that participant's vested interest in his or her account, or installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Teikametrics LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Years Ended December 31, 2021 (Audited) and 2020 (Compiled)

Note 1 - Description of Plan (continued):

(g) Forfeited Accounts

At December 31, 2021 and 2020 there were no forfeited non-vested amounts.

Note 2 - Summary of Significant Accounting Policies:

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of Plan assets and disclosures in the financial statements. Actual results could differ from these estimates.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded as a deemed distribution on the statements of changes in net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies (continued):

(e) Payment of Benefits

Benefit payments to participants are recorded when paid.

(f) Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in the Plan's investments. Management believes that the trustee maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

(g) Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

(h) Subsequent Events

In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through October 10, 2022, the date the financial statements were available to be issued.

Note 3 - Investments:

During 2021 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year), appreciated in value by \$248,897.

Note 4 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds and Money Market Fund:	Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 - Fair Value Measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,139,045	\$ -	\$ -	\$ 4,139,045

Total investments at fair value	<u>\$ 3,040,760</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,040,760</u>

Note 5 - Related Party Transactions:

Certain Plan investments are shares of mutual funds managed by Paychex. Paychex is also the recordkeeper of the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan participants paid administrative fees of \$644 during 2021 to Paychex.

Note 6 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

Note 7 - Tax Status:

The Plan is based on a "prototype" plan drafted by Paychex Inc., the recordkeeper. The prototype received an Internal Revenue Service ("IRS") "prototype" letter on April 10, 2014. The letter states the prototype plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the "prototype" letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 8 - Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
