As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Great-West Life & Annuity Company and Great-West Trust Company, LLC as of December 31, 2021 and for the period May 1, 2021 to December 31, 2021, and John Hancock Life Insurance Company for the period from January 1, 2021 to April 30, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Lodge of A.F. and A.M. of Maryland 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grand Lodge of A.F. and A.M. of Maryland 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Grand Lodge of A.F. and A.M. of Maryland 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (Continued)**2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Grand Lodge of A.F. and A.M. of Maryland 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRAND LODGE OF A.F. AND A.M. OF MARYLAND 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 1: Description of Plan

The following description of Grand Lodge of A.F. and A.M. of Maryland 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution retirement plan established by the Grand Lodge of Ancient Free and Accepted Masons of Maryland (the Grand Lodge) under a prototype plan sponsored through Administrator Planning Services, Inc. and John Hancock Life Insurance Company (John Hancock) through April 30, 2021 and Great-West Life & Annuity Company and Great-West Trust Company, LLC (Great-West) effective May 1, 2021. The Plan generally covers all employees of the Grand Lodge and its affiliate, Maryland Masonic Homes, Ltd. (the Companies) who have been employed at least three months. Eligible employees may participate in elective deferrals with semi-annual Plan entry dates and will qualify for the employer matching contribution provisions of the Plan. Eligible employees will also participate in the employer discretionary contributions after they have been employed at least six months, during which they have completed at least 1,000 hours, have attained the age of 21 and are employed on the last day of the Plan year. The Plan qualifies under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions: The Plan generally allows eligible participants to contribute an amount not to exceed the lesser of 100% of their compensation or an amount which, when added to other additions (exclusive of earnings) to the participant's account in any plan year, does not exceed the maximum limitation on annual additions to a participant's account under applicable provisions of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions are made through payroll deductions. Participants designate the percentage of their contributions which are to be invested in one or more of the available investment fund options. Participants have the opportunity to change their investment combinations daily. The Plan has an automatic enrollment feature whereby a participant who meets the eligibility requirements of the Plan will have an initial percentage of their pay withheld, unless the participant elects to decline enrollment. Under the provisions of automatic enrollment, a participant's initial contribution level of 3% will increase by 1% for each subsequent year of participation up to a maximum of 6% of salary. Participants are also allowed to rollover their account balances from other qualified retirement plans.

Employer Contributions: The Plan has a safe-harbor match where the Companies are required to match 100% of each employee's contributions up to 1% of the employee's eligible compensation and 50% of employee contributions of the next 5% of compensation. The maximum employee contribution eligible for matching is 6% of compensation. The Plan also allows the Companies to make discretionary contributions. For the years ended December 31, 2021 and 2020, there were no discretionary contributions.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of Companies' contributions, and Plan earnings. Plan earnings and losses are allocated based on the account balances of the participants. Allocation of Companies' contributions not based upon participant contributions are based on the compensation of the eligible employees. The benefit to which a participant is entitled is that which can be provided from the participant's vested account balance. All Plan assets as of December 31, 2021 and 2020 have been allocated to participant's accounts, except for participant and employer contributions receivables.

Notes to Financial Statements
December 31, 2021 and 2020

Note 1: Description of Plan (Continued)

Vesting: Participants are immediately vested in all of their contributions and investment earnings, thereon. A participant is 100% vested in the employer matching safe-harbor contributions after two years of credited service with 0% vested during the first two years. Discretionary employer contributions are vested after five years of service, with vesting at 20% per year. In the event of death, disability or retirement, a participant's interest is immediately fully vested in the employer contributions and related earnings under terms set forth in the Plan agreement.

Participant Notes Receivable: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate at the time of issuance. Principal and interest are paid through payroll deductions. The participant is allowed to have only one loan outstanding at any given time.

Payment of Benefits: Upon termination of employment, a participant may elect to have vested Plan benefits distributed as a lump-sum or in installment payments. However, account balances that are less than \$5,000 will be distributed in a lump sum amount. A joint and survivor benefit payment option is also available at the participant's election. Participants are generally required to take minimum distributions upon reaching the age of 72. In-service withdrawals are permitted after a participant has attained 59½ years of age. The Plan allows for hardship withdrawals as well.

Forfeitures: The non-vested portion of a participant's account balance is forfeited upon termination of employment. Forfeitures can be used to pay administrative expenses or reduce future employer contributions. During the years ended December 31, 2021 and 2020, forfeitures of \$6,700 and \$1,187, respectively, were used to pay administrative expenses. No forfeitures were used to reduce employer contributions during the years ended December 31, 2021 and 2020. As of December 31, 2021 and 2020, the balance in the forfeited non-vested accounts was \$12,585 and \$4,346, respectively.

Note 2: Summary of Significant Accounting Policies

Following is a description of significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Note 2: Summary of Significant Accounting Policies (Continued)

Fair Value Measurements: Generally Accepted Accounting Principles (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the assets or liabilities;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for measuring Plan investments. As of December 31, 2020, the Plan did not own any investments that are required to be measured under the fair value hierarchy.

Mutual Funds: The fair value of mutual funds is based on the closing price at year end as reported by the fund. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments in Fully Benefit-Responsive Contracts: The Plan has a fixed annuity contract with Great-West. The Plan had a collective investment trust with John Hancock. The Great-West Fixed Account and John Hancock Stable Value Fund meet all of the standards currently required by the Financial Accounting Standard Board (FASB) in order to be considered fully benefit-responsive, and therefore, are reported at contract value as of December 31, 2021 and 2020.

Collective Trust Funds: Investments in collective trust funds (Funds) are valued at fair value based on unit values. Valuation of the Funds' units occurs daily. Unit values are determined by dividing the value of each Fund's net assets by the total number of participants' units outstanding on the valuation date and the net asset value is used as a practical expedient to estimate fair value. The Fund's investments are valued on the basis of market valuations, where available, as provided by independent pricing services, or if not readily available, by the Fund's investment manager.

Notes to Financial Statements
December 31, 2021 and 2020

Note 2: Summary of Significant Accounting Policies (Continued)

Investments in Pooled Separate Accounts: Investments in pooled separate accounts are valued at fair value based on account value. The separate accounts offered are proprietary to John Hancock under group annuity contracts, and many invest exclusively in one underlying mutual fund traded on an established market. Those separate accounts investing in mutual funds are measured at net asset value, and the net asset value is used as a practical expedient to estimate fair value. While the separate accounts purchase shares of the underlying investments, neither the plan nor participants own shares of the mutual funds or other investment contracts; instead participants own "accumulation units" in the separate accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets that are to be measured at fair value. The following table sets forth the Plan's assets at fair value by level within the hierarchy as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,686,533	\$ -0-	\$ -0-	\$ 3,686,533
Investments measured at net asset value as a practical expedient				2,130
Investments at fair value				\$ 3,688,663

Investments Measured Using the Net Asset Value per Share Practical Expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust funds	\$ 2,130	N/A	Daily	None
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled separate account	\$ 4,011,890	N/A	Daily	None

Net Appreciation in Fair Value of Investments: Net appreciation in fair value of investments includes unrealized gains and losses relating to investments held at year end and the realized gains and losses on investments sold during the year.

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Contributions: Contributions from participants, along with any related employer matching contributions, are recorded in the period the employer withholds payroll deductions from Plan participants.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued. During the period January 1, 2022 through October 12, 2022, the Plan did not have any material recognizable subsequent events.

Note 3: Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Great-West, custodian of the plan and, John Hancock, former custodian of the plan, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information reported in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was derived from information certified as complete and accurate by Great-West and John Hancock.

Note 4: Investments in Fully Benefit-Responsive Contracts

The Great-West Fixed Account is a general account product of Great-West offered through a fully benefit-responsive group annuity contract. The general account holds assets that are invested with insurance companies and other financial institutions.

The John Hancock Stable Value Fund (the "Stable Value Fund") invests in a fully benefit responsive collective investment trust managed by John Hancock. The collective investment trust holds assets that are invested with insurance companies and other financial institutions.

The interest crediting rate is the periodic interest rate accrued to participants and is either set at the beginning of the contract and held constant or reset periodically to reflect the performance of the underlying securities. Variables impacting future crediting rates include current yield and duration of the assets backing the contracts, existing differences between the market values of assets backing the contracts and the contract values of the contracts.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the contracts at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of any such event is probable.

GRAND LODGE OF A.F. AND A.M. OF MARYLAND 401(k) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 5: Participant Notes Receivable

As of December 31, 2021 and 2020, 18 and 29 participants were indebted to the Plan in the total amount of \$141,619 and \$130,515, respectively, as the result of loans made to them by the Plan. The loans are evidenced by promissory notes bearing interest at rates varying from 4.25% to 6.25% per annum, and are payable in installments, the latest of which is due in June 2047. The notes are fully secured by the participants' vested account balances.

Note 6: Plan Termination

The Companies have the right under the Plan agreement to discontinue their contributions and to terminate the Plan, subject to applicable statutory provisions. In the event of termination, all Plan participants will become fully vested. The Companies have not indicated any intention to terminate the Plan.

Note 7: Income Tax Status

The Internal Revenue Service has ruled, in a letter dated March 31, 2014, that the Volume Submitter 401(k) Profit Sharing Plan & Trust, as amended, established by Administrator Planning Services, Inc. qualifies under applicable sections of the Internal Revenue Code (the Code). An employer who adopts this plan is generally considered to have a plan that is also qualified. The plan's administrator and the Plan's sponsor believe that the Plan is designed and operating in compliance with the applicable requirements of the Code. The Plan's federal exempt tax returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8: Parties-In-Interest

The Plan offers various investment options, which are products of Great-West, custodian of the Plan or were products of John Hancock, former custodian of the Plan, therefore, these transactions qualify as party-in-interest transactions. In addition, Administrator Companies, third party administrator, provides various services which qualify as party-in-interest transactions. During the years ended December 31, 2021 and 2020, the Plan paid administrative fees of \$31,533 and \$11,708, respectively, to John Hancock, Great-West and Administrator Companies. Certain officers and employees of the Plan sponsor are administrators of the plan acting as fiduciaries and as trustees and are also participants in the Plan.

Note 9: Reports to Governmental Agencies

There were no significant differences between the financial statements of the Plan for the years ended December 31, 2021 and 2020 and the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan).

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11: Administrative Expenses

The Plan provides that the Companies, at their discretion, can agree to pay administrative expenses of the Plan. For the years ended December 31, 2021 and 2020, the Companies incurred plan administrative expenses totaling approximately \$17,000 and \$16,850, respectively.
