INDEPENDENT AUDITOR'S REPORT

Participants and Trustee
Don Roberto Jewelers, Inc. DRJ 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Don Roberto Jewelers, Inc. DRJ 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DRJ 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DRJ 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DRJ 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DRJ 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DRJ 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedules of Delinquent Participant Contributions and Assets Held for Investment Purposes as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DON ROBERTO JEWELERS, INC.
DRJ 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN

Effective July 1, 1995 Don Roberto Jewelers, Inc. (the “Company”) adopted a 401(K) profit sharing plan known as the DRJ 401(K) Plan (the “Plan”). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering any employee who has completed twelve consecutive months of service, attained age 21 and been credited with 1,000 hours of service during the eligibility period. The Plan is designed to comply with Section 401(a) of the Internal Revenue Code and its incorporated Trust is intended to qualify as a tax-exempt trust under Section 501(a) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Section 401(k) of the Internal Revenue Code. The Plan is administered by the Company.

Plan Custodian and Recordkeeper

The assets of the Plan are held and invested by Principal Life Insurance Company (“Principal”), acting as custodian and recordkeeper. Certain information included in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal.

Contributions and Funding Policy

Each participant in the Plan may contribute a maximum of \$19,500 for the years ended December 31, 2021 and 2020 (\$26,000 for participants age 50 and over). Each employee who actively participates in the Plan may elect to contribute any percentage of his/her annual salary to be paid to the Plan trustee. The Company has elected to match 50% of employee contributions up to the first 6% of the employees’ eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of a) the Company contribution and, b) plan earnings, and charged with an allocation of certain expenses. Allocations are based on account balances.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Forfeitures

Forfeitures may be first applied to pay administrative expenses, which are otherwise paid by Don Roberto Jewelers, Inc. and then be applied to reduce employer contributions or reallocated to eligible participants' accounts. If any forfeitures still remain, such forfeitures will be reallocated to participants. For the years ended December 31, 2021 and 2020 forfeitures amounted to \$15,126 and \$57,481, respectively.

Also, in 2021 and 2020, administrative expenses of \$4,084 and \$5,093, respectively, were paid from forfeited nonvested accounts. During 2021 and 2020, forfeiture amounts of \$1,491 and \$12,205 respectively, were applied to employer match contributions. No amounts were reallocated to participants during the year ended December 31, 2021. Amounts reallocated during the year ended December 31, 2020 were \$18,292. The remaining balance in forfeited nonvested accounts, including earnings, at December 31, 2021 and 2020 was \$63,150 and \$46,972, respectively.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the employer's matching contribution is based on years of service.

A year of service is defined as 1,000 hours worked during the plan year. The following schedule describes the vesting percentages for participants.

<u>Years of Service</u>	<u>Vested Benefit Percentage</u>
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Payment of Benefits

Upon termination of service before the normal retirement age of 65, a participant with benefits of over \$5,000 may elect to defer distribution until normal retirement age or receive a lump sum payment equal to the vested share of the participant's account. Upon termination of service at the normal retirement age, benefits are available based on the vested share of the participant's accounts. Benefits can also be accessed in the event of disability or death. Additionally, the Plan allows participants to make early withdrawals for certain financial hardships.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Loans to participants are authorized by the administrator and trustees who are responsible for determining the terms and conditions. These loans are available to all participants on a non-discriminatory basis. The minimum amount of any loan is \$1,000. Loans may not exceed the lesser of 50% of the participants vested account balance as of the date of loan origination or \$50,000. The loans generally must be repaid within five years. The trustees assign the interest rate at prime plus 2 percent to participant loans at the time the loan is made. Effective July 1, 2002, each participant is allowed to have one outstanding loan at a time and is allowed to take one loan within a 12 month period. Participant loans in the amount of \$479,285 at December 31, 2021 and \$418,445 at December 31, 2020 are included in the accompanying financial statements under the caption “Notes receivable from participants”.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

CARES Act

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The Plan adopted certain provisions allowed under the CARES Act. The provisions allowed coronavirus-related distributions of up to \$100,000 before December 31, 2020 and waived the 10% penalty tax for early withdrawals. In addition, distributions for impacted participants are considered taxable income over a three-year period, unless the participant elects to have it taxed in the year of distribution.

The provisions also increased the loan limit for coronavirus-related loans to \$100,000 and loan repayments impacted by the coronavirus due from March 27, 2020 through December 31, 2020 may be delayed one year.

Basis of Accounting

The financial statements of the plan are prepared on the accrual method of accounting.

Payment of Benefits

Benefits are reported when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

DON ROBERTO JEWELERS, INC.
DRJ 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

December 31, 2021 and 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

Notes Receivable from Participants

Notes receivables from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Plan investments are included in the accompanying financial statements which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest earned to date is included in the investment value. Dividends are recorded on the ex-dividend date.

Contributions

Contributions include all participant elective and employer-matching contributions accrued through year-end. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and common collective funds.

Subsequent Events

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate account funds: Pooled separate accounts are invested in mutual funds. The fair value of the mutual funds are publicly quoted pricing inputs used in determining the net asset value (“NAV”) of the pooled separate accounts, which are not publicly quoted. Accounting Standards Codification (“ASC”) 820 allows NAV per share to serve as the practical expedient to estimate the fair value as long as certain requirements are met, which these investments meet.

Common collective value fund: Common collective value fund is composed primarily of benefit-responsive investment contracts that is valued at the NAV of units of the stable value collective investment trust. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Full redemption of the stable value collective investment trust can occur daily.

In accordance with *Subtopic 820-10, Fair Value Measurement, Overall*, certain investments that are measured at NAV per share, using the practical expedient, have not been classified in the fair value hierarchy. Since the fair value of all of the Plan’s investments are measured at NAV, using the practical expedient, no amounts are presented as level 1, 2 or 3 within the fair value hierarchy.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Investments Measured Using the Net Asset per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts funds	\$ 7,092,531	n/a	30 Days	1 Day
Common collective value fund	<u>\$ 2,386,321</u>	n/a	Daily	Daily
Total investments at fair value	<u>\$ 9,478,852</u>			

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>

Total investments at fair value	<u>\$ 8,031,932</u>			

NOTE 4: PLAN TERMINATION

Although the Company has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

DON ROBERTO JEWELERS, INC.
DRJ 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

December 31, 2021 and 2020

NOTE 5: TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014., that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6: RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Principal Life Insurance Company. Principal Life Insurance Company is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$22,982 and \$32,117 for the years ended December 31, 2021 and 2020, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term could materially affect investment balances and the amount reported in the financial statements. Additionally, many mutual funds invest in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than similar types of securities of comparable U.S. companies.

Beginning early 2020, domestic and international economies began to face uncertainties related to the impact of the COVID-19 pandemic. Investment funds may be adversely affected in their performance by the resulting economic downturn.
