Independent Auditors' Report

Plan Administrator
The Gatesworth Employee
Savings & Retirement Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of The Gatesworth Employee Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated October 13, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 And 2020

1. Description Of The Plan

The following description of The Gatesworth Employee Savings & Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by The Gatesworth (the Plan Sponsor), under the provisions of Section 401(a) of the Internal Revenue Code (the IRC), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Plan Sponsor. The Plan covers all non-collectively bargained employees of the Plan Sponsor who are at least age 21, have one year of service and worked 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On November 3, 2020, custodianship of the Plan's investment assets and responsibility for executing the Plan's investment transactions were transferred to Principal Life Insurance Company (Principal). Prior to that date Reliance Trust Company (Reliance) held investment assets and executed investment transactions through November 2, 2020.

Plan Administrative Services

Beginning November 3, 2020, the Plan's administrative services are provided by Orenda Retirement, LLC. These services include enrollment and participant recordkeeping. Plan administrative services were provided by ADP Retirement Services (ADP) for the period beginning January 1, 2020 through November 2, 2020.

Contributions

Effective November 3, 2020, participants may contribute up to 92% of their eligible compensation before tax, Roth, or combination thereof, not to exceed the maximum allowed by Internal Revenue Service (IRS) limitations. Prior to November 3, 2020, participants may have contributed to the Plan up to 75% of their eligible compensation before tax, Roth, or combination thereof, not to exceed the maximum allowed by IRS limitations. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The Plan Sponsor may elect to make discretionary matching contributions and a discretionary non-elective contribution. For the years ended December 31, 2021 and 2020, the Plan Sponsor matched 25% of contributions on the first 5% of compensation. The Plan Sponsor elected not to make a non-elective contribution in 2021 or 2020.

Participants may direct contributions to any investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions and an allocation of the Plan's earnings and administrative expenses. Administrative expenses are allocated based on participant transactions. The allocation of earnings is determined by the earnings of the participant's investment selection based on each participant's account balance, as defined in the Plan Agreement.

Vesting

Participants are immediately vested in their elective deferral, Roth, and rollover contributions plus actual earnings thereon. Participants are 20% vested in Plan Sponsor contributions for each service year, as defined by the Plan, beginning after the first year of service until they are fully vested. Nonvested amounts are forfeited if an employee terminates prior to full vesting. In the event of the death, disability, or retirement of a participant, the participant will automatically become fully vested.

Forfeitures

Forfeitures of nonvested participant balances may be used to reduce the discretionary Plan Sponsor matching contribution or pay administrative expenses of the Plan. There were no forfeitures available to reduce future Plan Sponsor contributions or pay administrative expenses at December 31, 2021 or 2020. Forfeitures used to reduce Plan Sponsor contributions amounted to \$1,428 during 2020. Forfeitures used to pay Plan expenses amounted to \$2,663 and \$2,004 during 2021 and 2020, respectively.

Notes Receivable From Participants

Beginning November 3, 2020, Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence, in which case the term is no more than 15 years. Interest charged by loans is fixed at prime plus 1%, as of the issuance date. Loans are due in regular installment payments which are remitted through payroll withholdings.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Prior to November 3, 2020, participants may have borrowed from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans were for a period not exceeding five years unless used to acquire a personal residence, in which case the term was no more than 30 years. Interest charged by loans was fixed at prime plus 2%, as of the issuance date. Loans were due in regular installment payments which were remitted through payroll withholdings.

Pursuant to the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. In addition, the limit on notes receivable was increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The increased loan limit was available for 180 days after the enactment of the CARES Act

Participant Hardship Withdrawals

A participant may withdraw from the Plan an amount not to exceed their vested account balance in the event of undue financial hardship, subject to certain conditions as described in the Plan Agreement.

In accordance with the CARES Act, the Plan also permitted participants to request up to \$100,000 in coronavirus- related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Payment Of Benefits

Upon termination of service, death, disability, or age 59 ½, a participant may elect distribution of their account as a lump- sum, installment payments, or a direct rollover.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that could be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

The Plan's investment in the guaranteed investment contract is stated at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (See Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at unpaid principal balance and accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Agreement.

Administrative Expenses

Participant level processing fees, which include distribution and loan fees, are allocated directly to the participant initiating those transactions. Expenses incurred on the purchase or sale of investments are added to the cost or deducted from the proceeds of the respective investments. Salaries and related benefits of employees who administer the Plan and other Plan level expenses are provided by the Plan Sponsor.

Payment Of Benefits

Benefits to participants are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Principal and Reliance, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal and Reliance that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2021</u>	<u>2020</u>
Pooled separate accounts	\$ 1,179,415	\$ 570,384
Collective investment trust funds	103,659	7,931
Mutual funds	3,657,322	4,015,379
Fully benefit-responsive investment contract at contract value	1,219,343	1,416,052
Notes receivable from participants	76,923	87,107

Principal and Reliance also certified to the completeness and accuracy related to the following investment income and interest income on notes receivable from participants for years ended December 31:

	<u>2021</u>	<u>2020</u>
Dividend income	\$ 56,964	\$ 50,614
Net change in the fair value of investments	534,989	302,554
Interest income on notes receivable from participants	5,070	6,230

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

4. Guaranteed Investment Contracts With Insurance Company

The Plan invests in the Fixed Income Guaranteed Option, a benefit-responsive investment contract (the Contract) with Principal, which maintains the contributions in a general account.

As described in Note 2, because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Interest income on the Contract is calculated and credited daily based on fixed interest rates. Interest rates are reset on a semiannual basis. The average crediting interest rate, net of expenses, ranged from 1.55% to 1.60% and from 1.60% to 1.90% during 2021 and 2020, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) the decision by the Plan Sponsor to withdraw all assets from the contract and reinvest in another investment vehicle, (3) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (4) the delivery of any communication to Plan participants designed to influence the participant not to invest in the fund, (5) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement applicable to the Plan. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

5. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts

Valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is determined by dividing the net assets, at fair value, of the fund by the number of units outstanding on the day of valuation. The NAV, as provided by Principal, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The pooled separate accounts are comprised primarily of shares of mutual funds that are traded on an active market. The pooled separate accounts may be redeemed by participants daily at NAV with no advanced redemption notice required. There are no unfunded commitments.

Collective Investment Trust Funds

Valued at the NAV of units of the individual funds. The NAV, as provided by the trustees of the invested funds, is used as a practical expedient to estimate fair value and is calculated daily by the trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. All collective investment trust funds have daily redemption frequencies at NAV with no redemption notice periods, and file annual reports on Form 5500 as direct filing entities. There are no capital commitments related to any of the Plan's collective investment trust funds.

Mutual Funds

Valued at the daily closing price as reported by the registered investment companies (mutual funds). Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,657,322	\$ —	\$ —	\$ 3,657,322

Investments measured at net asset value per share (a)				578,315
Total Assets At Fair Value				\$ 4,593,694

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the valuation methodologies used at December 31, 2021 or 2020.

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Transactions With Parties In Interest

Certain Plan investments are pooled separate accounts, collective investment trust funds, and a guaranteed investment contract managed by Principal. In addition, certain participants have outstanding loans with the Plan as of December 31, 2021 and 2020. These transactions qualify as party in interest transactions allowable under ERISA.

9. Income Tax Status

Effective November 3, 2020, the Plan adopted Orenda Retirement LLC's non-standardized prototype profit-sharing plan. The prototype plan received a favorable opinion letter dated March 31, 2014, in which the IRS stated that the Plan Document, as designed, was in compliance with the applicable requirements of the IRC.

Prior to November 3, 2020 the Plan operated under ADP's prototype document originating in 1994. The sponsor relied on the opinion letter dated July 8, 2014, in which the IRS stated that the prototype plan, as designed, was in compliance with the applicable requirements of the IRC.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The prototype plans and the Plan have been amended since the date of the opinion letters. However, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirement of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

THE GATESWORTH EMPLOYEE SAVINGS & RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal tax returns for tax years 2018 and later remain subject to examination by taxing authorities.

10. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:
