INDEPENDENT AUDITORS' REPORT

Plan Administrator
Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT *(Continued)*

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion on the 2021 financial statements is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted

INDEPENDENT AUDITORS' REPORT *(Continued)*

Auditors' Responsibilities for the Audit of the 2021 Financial Statements *(Continued)*

auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT *(Continued)*

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 modified cash basis financial statements of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 modified cash basis

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. A more complete description is provided in the Plan agreement.

General

The Plan is a combined defined contribution profit sharing plan and deferred compensation plan under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers eligible employees of Executive Charge, Inc. (the "Company").

Eligibility

Employees are eligible to participate by making elective deferrals to the Plan as well as receive employer matching contributions once they have completed one year of service with at least 1,000 hours of service and are at least 18 years old. Plan entry dates are January 1, April 1, July 1, and October 1.

Contributions

Eligible participants may make contributions to the Plan subject to certain federally imposed limits (\$19,500 in 2021 and 2020) on either a pre-tax or post-tax (Roth) basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions subject to certain federally imposed limits (\$6,500 in 2021 and 2020). Rollover contributions from other qualified plans meeting certain conditions may be made.

The Company may elect to make a matching or profit sharing contribution at its discretion. Any contributions made by the Company would be allocated to all participants based upon eligible compensation under the Plan. For the year ended December 31, 2021, the Company did not make any contributions to the Plan.

All contributions are participant-directed and held and invested by the custodian in accordance with the participant's investment allocation.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company contributions, as well as an allocation of the Plan's earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific transactions, as defined by the Plan. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A participant is fully vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Interest Vested</u>
1	0%
2	25%
3	50%
4	75%
5	100%

Payment of Benefits

Upon termination, a participant is entitled to benefits equal to the vested value of his or her account. The Plan does not provide an early retirement provision.

Plan Administration

The Plan is administered by management of the Company. The Plan has one trustee who is member of the Company's executive management. Commencing October 1, 2020, Mid Atlantic Trust Company became the custodian of the assets for the Plan and Paychex became the Plan's record-keeper. Massachusetts Mutual Life Insurance Company was the custodian of the Plan and Reliance Trust Company was the trustee of the Plan for the period January 1, 2020 to September 30, 2020.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to 50% of their vested account balances. In addition, the total amount a participant may have outstanding as a loan during any 12-month period may not exceed \$50,000. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rate on outstanding notes receivable was between 4.25% and 6.50% at December 31, 2021 and 2020. Repayments are made through payroll deductions over the term of the note or by the participant directly through their plan account. All notes are payable within a period of five years unless used for the purchase of a principal residence. A participant can only have one loan currently outstanding from the Plan.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts may be used to reduce employer contributions or to pay administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts were \$6 and \$7,784, respectively. During the year ended December 31, 2021, \$7,927 of forfeiture balances were used for the payment of the Plan administrative expenses.

Hardship Distributions

Participants may withdraw in a lump sum up to 100% of the vested interest in the participant's elective deferral account, matching contribution account, and non-elective contribution account to pay for a financial hardship caused by (1) eligible medical expenses incurred by the participant or his or her family; (2) the purchase (excluding mortgage payments) of a principal residence; (3) tuition for the next 12 months of college for the participant or his or her family; (4) payments needed to prevent eviction from a principal residence or payments needed to prevent foreclosure on the mortgage of a principal residence; (5) payments for burial or funeral expenses for the participant's family; (6) certain expenses for the repair of damage to the participant's principal residence; or (7) if based on relevant facts or circumstances, the plan administrator reasonably determines the situation constitutes an immediate and heavy financial need for the participant.

A hardship distribution cannot exceed the amount required to relieve the financial need, and the participants are not permitted to make any elective deferrals for six months after the date of receiving the distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the modified cash basis method of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, revenue is recognized when received and expenses are recognized when paid by the Plan, except related to investments, notes receivable from participants, and investment activity. These financial statements differ from financial statements prepared under generally accepted accounting principles and differences include that: (i) contributions related to the current year are not recognized until received by the Plan and (ii) expenses and amounts due to participants for return of excess contributions are not recognized until paid by the Plan.

NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
Years Ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded when received. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal. Interest income is recorded on the modified-cash basis. Related fees are charged directly to the borrowing participant's account, are included in administrative expenses, and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

The Plan records benefit payments to withdrawing participants when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS –

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Subsequent Events

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments in securities are generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

Basis of Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS *(Continued)*

Basis of Fair Value Measurement *(Continued)*

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. The investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Mid Atlantic Trust Company, the custodian has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. Investments, as shown in the Statements of Net Assets Available for Benefits - Modified Cash Basis as of December 31, 2021 and 2020;
- b. Dividends and net appreciation in fair value of investments, as shown in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis for the year ended December 31, 2021.
- c. The Investment Information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - INVESTMENT CONTRACTS

In October 2020, the previous investment contract was discontinued and the Plan entered into a participation agreement with Reliance Trust Stable Value Fund – MetLife Series 25053, a fully benefit-responsive investment contract. This fund is offered by Reliance Trust Company, who is the trustee for the fund. The companies maintained the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance Trust Company, represents contributions made under the contract, plus earnings,

NOTE 6 - INVESTMENT CONTRACTS *(Continued)*

less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value, including: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust, that was established under the Plan to hold the Plan's assets, to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, or (e) premature termination of the contract.

The Plan administrator does not believe events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that would limit the ability of the Plan to transact at contract value with the participants. The Reliance Trust Company agreement may be terminated by either party upon 60 days advance notice.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE 7 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company pays certain administrative and accounting fees of the Plan. These transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 - TAX STATUS

In 2020, effective January 1, 2020, the Company adopted a prototype plan of Paychex, Inc., for which the Internal Revenue Service (IRS) issued an opinion dated April 10, 2014, stating that the form of the plan is appropriate for use by employers for the benefit of their employees. This replaced a previously adopted prototype plan.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan, and the plan may recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT *(Continued)*

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion on the 2021 financial statements is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted

INDEPENDENT AUDITORS' REPORT *(Continued)*

Auditors' Responsibilities for the Audit of the 2021 Financial Statements *(Continued)*

auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT *(Continued)*

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 modified cash basis financial statements of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 modified cash basis

Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Executive Charge, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. A more complete description is provided in the Plan agreement.

General

The Plan is a combined defined contribution profit sharing plan and deferred compensation plan under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers eligible employees of Executive Charge, Inc. (the "Company").

Eligibility

Employees are eligible to participate by making elective deferrals to the Plan as well as receive employer matching contributions once they have completed one year of service with at least 1,000 hours of service and are at least 18 years old. Plan entry dates are January 1, April 1, July 1, and October 1.

Contributions

Eligible participants may make contributions to the Plan subject to certain federally imposed limits (\$19,500 in 2021 and 2020) on either a pre-tax or post-tax (Roth) basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions subject to certain federally imposed limits (\$6,500 in 2021 and 2020). Rollover contributions from other qualified plans meeting certain conditions may be made.

The Company may elect to make a matching or profit sharing contribution at its discretion. Any contributions made by the Company would be allocated to all participants based upon eligible compensation under the Plan. For the year ended December 31, 2021, the Company did not make any contributions to the Plan.

All contributions are participant-directed and held and invested by the custodian in accordance with the participant's investment allocation.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company contributions, as well as an allocation of the Plan's earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific transactions, as defined by the Plan. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A participant is fully vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Interest Vested</u>
1	0%
2	25%
3	50%
4	75%
5	100%

Payment of Benefits

Upon termination, a participant is entitled to benefits equal to the vested value of his or her account. The Plan does not provide an early retirement provision.

Plan Administration

The Plan is administered by management of the Company. The Plan has one trustee who is member of the Company's executive management. Commencing October 1, 2020, Mid Atlantic Trust Company became the custodian of the assets for the Plan and Paychex became the Plan's record-keeper. Massachusetts Mutual Life Insurance Company was the custodian of the Plan and Reliance Trust Company was the trustee of the Plan for the period January 1, 2020 to September 30, 2020.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to 50% of their vested account balances. In addition, the total amount a participant may have outstanding as a loan during any 12-month period may not exceed \$50,000. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rate on outstanding notes receivable was between 4.25% and 6.50% at December 31, 2021 and 2020. Repayments are made through payroll deductions over the term of the note or by the participant directly through their plan account. All notes are payable within a period of five years unless used for the purchase of a principal residence. A participant can only have one loan currently outstanding from the Plan.

NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts may be used to reduce employer contributions or to pay administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts were \$6 and \$7,784, respectively. During the year ended December 31, 2021, \$7,927 of forfeiture balances were used for the payment of the Plan administrative expenses.

Hardship Distributions

Participants may withdraw in a lump sum up to 100% of the vested interest in the participant's elective deferral account, matching contribution account, and non-elective contribution account to pay for a financial hardship caused by (1) eligible medical expenses incurred by the participant or his or her family; (2) the purchase (excluding mortgage payments) of a principal residence; (3) tuition for the next 12 months of college for the participant or his or her family; (4) payments needed to prevent eviction from a principal residence or payments needed to prevent foreclosure on the mortgage of a principal residence; (5) payments for burial or funeral expenses for the participant's family; (6) certain expenses for the repair of damage to the participant's principal residence; or (7) if based on relevant facts or circumstances, the plan administrator reasonably determines the situation constitutes an immediate and heavy financial need for the participant.

A hardship distribution cannot exceed the amount required to relieve the financial need, and the participants are not permitted to make any elective deferrals for six months after the date of receiving the distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the modified cash basis method of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, revenue is recognized when received and expenses are recognized when paid by the Plan, except related to investments, notes receivable from participants, and investment activity. These financial statements differ from financial statements prepared under generally accepted accounting principles and differences include that: (i) contributions related to the current year are not recognized until received by the Plan and (ii) expenses and amounts due to participants for return of excess contributions are not recognized until paid by the Plan.

EXECUTIVE CHARGE, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
Years Ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded when received. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal. Interest income is recorded on the modified-cash basis. Related fees are charged directly to the borrowing participant's account, are included in administrative expenses, and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

The Plan records benefit payments to withdrawing participants when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

EXECUTIVE CHARGE, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS –
MODIFIED CASH BASIS
Years Ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Subsequent Events

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments in securities are generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

Basis of Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS *(Continued)*

Basis of Fair Value Measurement *(Continued)*

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. The investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 5 - INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Mid Atlantic Trust Company, the custodian has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. Investments, as shown in the Statements of Net Assets Available for Benefits - Modified Cash Basis as of December 31, 2021 and 2020;
- b. Dividends and net appreciation in fair value of investments, as shown in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis for the year ended December 31, 2021.
- c. The Investment Information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - INVESTMENT CONTRACTS

In October 2020, the previous investment contract was discontinued and the Plan entered into a participation agreement with Reliance Trust Stable Value Fund – MetLife Series 25053, a fully benefit-responsive investment contract. This fund is offered by Reliance Trust Company, who is the trustee for the fund. The companies maintained the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance Trust Company, represents contributions made under the contract, plus earnings,

less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value, including: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust, that was established under the Plan to hold the Plan's assets, to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, or (e) premature termination of the contract.

The Plan administrator does not believe events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that would limit the ability of the Plan to transact at contract value with the participants. The Reliance Trust Company agreement may be terminated by either party upon 60 days advance notice.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE 7 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company pays certain administrative and accounting fees of the Plan. These transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 - TAX STATUS

In 2020, effective January 1, 2020, the Company adopted a prototype plan of Paychex, Inc., for which the Internal Revenue Service (IRS) issued an opinion dated April 10, 2014, stating that the form of the plan is appropriate for use by employers for the benefit of their employees. This replaced a previously adopted prototype plan.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan, and the plan may recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
