## Independent Auditor's Report

Benefits/Investment Committee  
Milbank LLP

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Milbank Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

#### Note 1. Description of the Plan

The following brief description of the Milbank Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants and others should refer to the Plan document for more complete information.

**General:** The Plan was established effective April 1, 1984. It is a defined contribution plan under Sections 401(a) and 401(k) of the Internal Revenue Code (the Code). The Plan is sponsored by Milbank LLP (the Firm).

**Eligibility:** Eligible partners, nonlegal staff employees, associates and employees designated as Practicing of Counsel (as such terms are defined in the Plan document) who have reached age 21 are generally immediately eligible to participate in the Plan. A one-year service requirement applies to certain summer associates, interns and temporary employees.

**401(k) contributions:** Participants may contribute 401(k) contributions, either as pretax, Roth, or a combination of both, subject to maximum annual Internal Revenue Service (IRS) contribution limits and deferral rate limits under the Plan. The IRS limit for 2021 is \$19,500. In addition, participants age 50 and over may contribute an additional \$6,500 for 2021. The Plan imposes a maximum 401(k) contribution limit of 25% for partners, associates and highly compensated employees and a limit of 50% for all other participants. Participants, other than partners and associates, are automatically enrolled at 3% for pretax contributions, unless the participant elects otherwise.

**Rollover and voluntary contributions:** Rollover contributions may be made to the Plan by all participants. In addition, participants, other than partners, may make after-tax voluntary contributions, up to 10% of eligible compensation.

**Firm contributions for partners and administrative staff employees:** For each year, eligible partners and administrative staff employees receive a Firm nonelective contribution and, in the case of administrative staff employees, a Firm matching contribution. Administrative staff employees must complete one year of service in order to become eligible to receive Firm matching and Firm nonelective contributions. Such contributions are made for participants who are active partners or administrative staff employees who are employed by the Firm (or in service with the Firm, in the case of partners) on the last day of such year or who terminated service during such year upon retirement (attaining age 65 or after attaining age 55 with 15 years of service), or on termination of service on account of death or disability.

The nonelective contribution each year on behalf of partners is an amount equal to that percentage of the partner's distributable share of Firm net earnings for the year, as is determined by dividing the amount determined in (i) below by the amount determined in (ii) below:

- (i) The current applicable IRS dollar limit that may be contributed to a defined contribution plan for the year (\$58,000 for 2021), minus the current applicable IRS maximum annual 401(k) deferral limit for the year (\$19,500 for 2021).
- (ii) The current applicable IRS dollar limit that may be taken into account as compensation under a qualified plan (\$290,000 for 2021).

For purposes of determining nonelective contributions for partners, a partner's compensation prior to the date the partner becomes eligible for nonelective contributions is not taken into account. For 2021, the maximum annual nonelective contribution for partners to the Plan was \$38,500.

#### Note 1. Description of the Plan (Continued)

The nonelective contribution each year on behalf of administrative staff employees is generally 7.5% of the employee's eligible compensation (as defined in the Plan document) for the full plan year (with certain higher percentages for grandfathered participants). The Firm's annual matching contribution for administrative staff employees is equal to 50% of the employee's 401(k) contributions up to the lesser of 3% of compensation or \$1,500. Compensation is limited by the IRS to a maximum amount of \$290,000 for 2021, which may be increased for future years for cost-of-living changes.

**Participant accounts:** The Plan maintains an individual account for each participant-directed investment showing the participant's interest in each fund. Each participant's account is credited with the participant's contribution and an allocation of Plan earnings. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are fully vested in their contributions at all times. Participants fully vest in their Firm nonelective contributions and matching contributions account upon the earliest of attainment of age 65 while employed by the Firm, their completion of three years of service, or termination of service with the Firm on account of death or disability. Rollover contributions, which may be made to the Plan by participants, are fully vested. All unvested amounts are transferred to a forfeiture suspense account and the unvested amounts are first applied to any reinstatement of forfeitures for re-employed employees, in accordance with the Plan, next used to pay administrative expenses not paid by the Firm, and then applied to reduce Firm contributions.

**Forfeiture credits:** Forfeiture credits represent amounts forfeited by participants who terminate their participation prior to full vesting. During the year ended December 31, 2021, the Plan used \$32,087 of forfeitures to reduce Firm contributions. As of December 31, 2021, and 2020, unallocated nonvested accounts totaled \$49,651 and \$31,871, respectively.

**Investment options:** Participants may choose to invest in any of the mutual funds, the collective trusts or a self-directed option (which requires a minimum investment of \$2,500 but may not exceed 50% of the participant's available account balance) that the Plan currently offers as investment options.

Fidelity Management Trust Company (Fidelity or the Trustee) is the trustee, custodian and recordkeeper for the Plan.

**Notes receivable from participants:** The Plan allows participants to borrow from their account balances up to a maximum equal to the lesser of \$50,000 or 50% of their account balances, subject to Plan provisions. The repayment terms of the loans vary from one to five years (10 years in the case of the purchase of a residence) with interest at a fixed rate. The interest rate charged is the prime rate as of the last day of the month preceding the month in which the loan was made, plus 1%. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Notes receivable from participants are shown net of delinquent participant loans, which are recorded as a reduction in net assets when they are in default, as provided in the Plan document.

#### Note 1. Description of the Plan (Continued)

**Payment of benefits:** On termination of service due to death, disability, retirement or other reasons, a participant will receive the vested value of his or her account in a lump sum, unless the participant (or the participant's beneficiary) elects to receive all or a part of the account in annual, quarterly or monthly installments. Participants who are vested and who have attained age 59½ may elect to withdraw all or any portion of their accounts prior to termination of service. Employees may make withdrawals from their voluntary after-tax contributions account and rollover account at any time. In addition, participants may make hardship withdrawals of salary reduction contributions in accordance with Plan rules.

#### Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

**Method of accounting:** The Plan's financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Use of estimates:** The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** For the year ended December 31, 2021, Trustee and recordkeeping fees (to the extent not paid from revenue credits generated by the investment funds offered under the Plan or from forfeitures) and accounting fees were paid by the Firm. Administrative fees for self-directed brokerage accounts were allocated to corresponding participant accounts for the 2021 Plan year.

#### Note 3. Summary of Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that certain information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the information that appears throughout the financial statements related to the following assets listed below.

#### Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## Milbank Retirement Savings Plan

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used by the Plan for assets measured at fair value. There have been no changes by the Plan in the methodologies used during the years ended December 31, 2021 and 2020:

**Money market fund:** Valued at amortized cost of money market investments that mature within a relatively short period, which approximates fair value and are classified as Level 1 investments.

**Mutual funds:** Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted price of the fund, which represents the net asset value (NAV) of the shares held by the Plan at year-end.

**Common collective trusts:** Valued based on the NAV of units of the collective trusts. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments compromising the trust, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

**Self-directed brokerage accounts:** Self-directed brokerage accounts are primarily comprised of publicly traded equity securities and mutual funds. Equity securities are valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that the valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's financial instruments at fair value as of December 31, 2021 and 2020:

| Type of Investment                       | 2021           |         |         |                |
|------------------------------------------|----------------|---------|---------|----------------|

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2021 and 2020.

#### Note 5. Tax Status

The IRS issued a determination letter on October 2, 2017, stating that the Plan, as restated and converted to a pre-approved non-standardized volume submitter defined contribution plan, is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequently, the Plan was changed by Fidelity into a non-standardized pre-approved profit sharing plan with a CODA, and Fidelity received a favorable opinion letter from the IRS on June 30, 2020, indicating the form of the plan document can be relied on by adopting employers to the extent set forth in applicable IRS guidance. It is the opinion of the Plan Administrator and Plan counsel that the Plan remains qualified and is currently being operated in compliance with the applicable requirements of the Code. The Firm's management evaluated the Plan's tax positions and concluded that the Plan maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements as of December 31, 2021 and 2020, and for the year ended December 31, 2021. Therefore, no provision or liability for income taxes has been included in the financial statements.

#### Note 6. Risks and Uncertainties

The Plan provides for various investment options in funds that can invest in a combination of stocks, bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

#### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, participants become vested in all amounts held on their behalf by the Trustee.

#### **Note 8. Related Party and Party-in-Interest Transactions**

During the year ended December 31, 2021, the Plan held units of common collective trusts, mutual and money market funds and notes receivable managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

#### **Note 9. Subsequent Events**

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.
