Independent Auditors' Report

To the Plan Administrator of
Adams-Robinson Enterprises, Inc. Employee 401(k) Plan:
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Adams-Robinson Enterprises, Inc. Employee 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report
(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Adams-Robinson Enterprises, Inc. Employee 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams-Robinson Enterprises, Inc. Employee 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report
(Continued)

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adams-Robinson Enterprises, Inc. Employee 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams-Robinson Enterprises, Inc. Employee 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Adams-Robinson Enterprises, Inc. Employee 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADAMS-ROBINSON ENTERPRISES, INC. EMPLOYEE 401(K) PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Adams-Robinson Enterprises, Inc Employee 401(k) plan (the "Plan") are prepared under the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

Investments are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Actual results may differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 1 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Related Party Transactions / Expenses

Certain administrative functions are performed by the officers or employees of Adams-Robinson Enterprises, Inc. (the "Plan Sponsor" and "Company"). These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Plan Sponsor for the services of the employees to the Plan. All fees and expenses of the Plan, to the extent not paid by the Company, are paid by the Plan. Certain investment related expenses are included in the net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated events subsequent to the balance sheet date through October 14, 2022, which is the date the financial statements were available to be issued.

NOTE 2 DESCRIPTION OF PLAN

The following description of the Plan is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings plan covering all employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan trustees oversee the governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's trustees. PNC Institutional Asset Management serves as the investment advisor for the Plan and is considered a fiduciary as defined by ERISA section 3(21)(A(ii)). An eligible employee is any person employed by Adams-Robinson Enterprises, Inc. who has completed six months of continuous service and is employed on the next entry date. An eligible employee enters the Plan the first day of the quarter that coincides with or next follows the day he or she becomes an eligible employee. Eligibility to receive employer safe harbor matching contributions coincides with the participation eligibility requirements. The Company also makes prevailing wage contributions to the Plan on behalf of eligible employees. Employees (other than highly compensated employees) who are performing services for the Company under a public contract subject to the Davis-Bacon Act or any state or municipal prevailing wage law are eligible to receive prevailing wage contributions under the Plan beginning on their first day of employment with the Company.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended ($19,500 at December 31, 2021). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions ($6,500 for 2021).

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

The Company makes safe harbor matching contributions in an amount equal to 100% of elective deferral contributions that are not in excess of 3% of Plan compensation, plus 50% of elective deferral contributions that exceed 3% of Plan compensation but do not exceed 5% of Plan compensation. In addition, the Company may be required to make prevailing wage contributions on behalf of eligible employees. Safe harbor matching contributions were $189,067 in 2021. Company prevailing wage contributions were $933 in 2021.

Rollover Contributions

Participants may rollover their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

Excess Contributions

Contributions made by certain active participants during a plan year are returned to them in order to satisfy the relevant nondiscrimination provisions of the Plan. There were no excess deferral contributions payable at December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings and administrative expenses. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions, the Company's safe harbor matching contributions, prevailing wage contributions, and rollover contributions, plus actual earnings thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, reduced by their highest outstanding note balance during the preceding twelve months. Notes receivable must be repaid within five years unless the purpose is to acquire, construct or reconstruct a principal residence. Each note is secured by the balance in the participant's account and bears a fixed rate of interest of prime plus one percent. Interest rates range from 4.25% to 6.50% at December 31, 2021. Principal and interest is paid ratably through weekly automatic payroll deductions.

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed under several options. Participants may elect to receive their benefit in a lump sum, equal installments, or partial withdrawals.

In-service distributions are permissible for participants that have attained the age of 59½. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits.

In conditions of "financial hardship", a participant may apply to the Plan administrator for approval to withdraw that portion of their account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Forfeitures

Forfeitures of nonvested account balances are first used to reduce administrative expenses and then used to reduce the employer's future safe harbor matching contributions. Forfeitures used to reduce administrative expenses were $0 in 2021. Forfeitures used to reduce employer safe harbor matching contributions were $0 in 2021. Forfeited nonvested accounts were $39 at December 31, 2021 and 2020.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at the NAV based on the market value of the underlying assets in the money market fund.

Common/collective trust: Valued based on the NAV of units of a collective trust as published by the trustee.

The Plan invests in the T. Rowe Price Stable Value Common Trust Fund which is a common collective trust. Common collective trusts are investment funds formed by the pooling of investments by institutional investors, such as a group of not necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Common collective trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. As described above, the fair value of the common collective trusts are based on the trusts' NAVs. The NAVs are measured by the custodian or investment manager as of the close of regular daily trading. These investments are classified within Level 2 of the fair value hierarchy. In certain instances, NAVs may require adjustments to reflect the fair value more appropriately. No adjustments to NAVs were required.

The existence of certain conditions can limit the ability of the Plan to transact with participants at fair value of the common collective trusts. Specifically, any event outside normal operation of the trust which causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to:

- The Plan's failure to qualify under Section 401(a) or Section 401(k) of the Internal Revenue Code.
- The establishment of a defined contribution plan that competes with the plan for employee contributions.
- Any substantive modifications of the Portfolio or the administration of the Portfolio that is not consented by the wrap issuer.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

- Any change in law, regulation or administrative ruling applicable to the plan that could have a material adverse effect on the Portfolio's cash flow.

- Any communication given to unitholders by the plan sponsor, any other plan fiduciary or PNC Bank, National Association, that is designed to induce or influence unitholders not to invest in the Portfolio or to transfer assets out of the Portfolio.

- Any transfer of assets from the Portfolio directly to a competing investment option.

As of December 31, 2021, the occurrence of an event outside the normal operation of the fund which would cause a withdrawal from an investment contract is not considered to be probable.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	12/31/2021	Level 1	Level 2	Level 3

NOTE 4 INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS

The following information provided by Newport Trust Company and PNC Bank, National Association, the custodians of the Plan for the years ended December 31, 2021 and 2020, respectively, was certified by them to be complete and accurate with respect to the following:

(a) The assets held at December 31, 2021 and 2020, as well as the transactions involving these assets for the year ended December 31, 2021.

(b) The amount of investment income for the year ended December 31, 2021.

(c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 TAX STATUS

The Plan Sponsor has adopted a prototype plan which has received an opinion from the Internal Revenue Service ("IRS") dated March 31, 2014, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. Both the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
