SMSC 401(k) Plan for Commercial Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the plan financial statements of SMSC 401(k) Plan for Commercial Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The plan financial statements comprise the statement of fiduciary net position as of December 31, 2021, and the related statement of changes in fiduciary net position for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from two qualified institutions, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Management has omitted a management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the plan financial statements. Such missing information, although not a part of the plan financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the plan financial statements in an appropriate operational, economic, or historical context. Our report on the plan financial statements is not affected by this missing information.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

SMSC 401(k) Plan for Commercial Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the plan financial statements of SMSC 401(k) Plan for Commercial Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The plan financial statements comprise the statement of fiduciary net position as of December 31, 2021, and the related statement of changes in fiduciary net position for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from two qualified institutions, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Management has omitted a management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the plan financial statements. Such missing information, although not a part of the plan financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the plan financial statements in an appropriate operational, economic, or historical context. Our report on the plan financial statements is not affected by this missing information.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SMSC 401(k) Plan for Commercial Employees

Notes to Financial Statements

Note 1. Description of the Plan

The following description of SMSC 401(k) Plan for Commercial Employees (the Plan) provides general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of the Shakopee Mdewakanton Sioux Community (the Sponsor) who have completed 90 days of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor's Business Council is responsible for the oversight of the Plan. The Plan's Investment Workgroup determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Sponsor's Business Council.

Administration: The Plan is administered by representatives of the Sponsor who act as the Plan's Management. The Plan's Management has been given all powers necessary to carry out its duties, including, but not limited to, the power to administer and interpret the Plan, to answer all questions affecting eligibility of participants in the Plan, and to authorize disbursements for the payment of plan benefits. The Plan's Management appointed Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company, and Reliance Trust Company as the custodians of the Plan.

Contributions: Each year, participants may make salary deferral contributions in any percentage from 1% to 50% of annual compensation, as defined in the Plan, on a pretax or after-tax (Roth) basis, up to the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, subject to Internal Revenue Service (IRS) annual limitations. For participants who have completed one year of service, as defined, the Sponsor contributes an amount equal to 100% of the first 6% of annual compensation that a participant contributes to the Plan. In addition, the Sponsor may make discretionary contributions as determined annually by the Sponsor's Business Council. No discretionary contributions were made during 2021.

Participant accounts: Each participant's account is credited with the participant's contributions, Sponsor matching contributions, Sponsor discretionary contributions, if any, as well as an allocation of Plan investment results. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, a participant may direct contributions in a variety of investment options. All funds vary in types of investments, rates of return, and investment risk and are described in more detail in the Plan's literature. Participants may elect on a daily basis to have all or part of their account balances and future contributions transferred from one fund to another or in any combination.

Vesting: Participants are immediately vested in their own contributions and rollover contributions plus actual earnings thereon. Vesting in the Sponsor's matching and discretionary contribution portion, if any, of their accounts plus actual earnings thereon is based on years of continuous service in which the participant works a minimum of 1,000 hours. A participant is 100% vested after five years of ratably earned credited service.

SMSC 401(k) Plan for Commercial Employees

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Benefit payments: An active participant may request withdrawal of benefits upon attaining the age of 59½. On termination of service, for whatever reason, a participant may elect to purchase an annuity using proceeds from their accounts (for account balances greater than \$5,000) or receive installments or a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for in-service and hardship distributions subject to certain restrictions.

Forfeited nonvested accounts: Forfeited nonvested accounts are used to fund future employer contributions and pay administrative expenses.

Note 2. Summary of Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting standards promulgated by the Governmental Accounting Standards Board (GASB). The Plan is sponsored by the Shakopee Mdewakanton Sioux Community. These financial statements present only the SMSC 401(k) Plan for Commercial Employees and are not intended to present the financial statements of the Sponsor.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Workgroup determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors, custodians and other third parties. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022, and 2021, respectively.

Benefit payments: Benefits are recorded when paid.

Investment policy: The Plan offers a broad range of diversified investments that enable the participant to construct a portfolio with aggregate risk and return characteristics at any point within the participant's desired range. Adherence to the specific investment objective and criteria contained therein will be evaluated over a full market cycle, which historically has been three to five years.

SMSC 401(k) Plan for Commercial Employees

Notes to Financial Statements

Note. 2 Summary of Accounting Policies (Continued)

Interest rate risk: This is the risk that changes in market interest rates will adversely affect the fair value of an investment. Investments with longer maturities have greater sensitivity to fair value changes based on market interest rates. Pooled separate accounts and registered investment companies classified as bond funds are exposed to this risk.

Credit risk: Credit risk exists when there is a possibility that the issuer or other counterparty to an investment may be unable to fulfill its payments on a security under the original term. Pooled separate accounts and registered investment companies classified as bond funds are exposed to this risk.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included as an offset to net appreciation or depreciation in fair value of investments.

Subsequent events: Subsequent to year end, effective October 1, 2022, the Plan was amended and the following changes were made; the eligibility to participate is now immediately upon hire, the match eligibility is immediate upon participation with all current participants 100% vested, there is no longer an hours of service requirement for vesting and participant loans are now allowed under the Plan.

Note 3. Information Certified or Provided by Plan Custodians

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by Management and agreed to or derived from information certified by Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company, the custodian of the plan. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company, is complete and accurate, and that the information provided by Reliance Trust Company is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

	December 31	
	2021	2020
Investments, at fair value:		
Pooled separate accounts	\$ 6,882,523	\$ 5,867,448
Registered investment companies	5,641,208	5,083,542
Total investment assets at fair value	<u>\$ 12,523,731</u>	<u>\$ 10,950,990</u>

The pooled separate accounts are certified by Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company. The registered investment companies are certified by Reliance Trust Company.

Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company certified to the completeness and accuracy, and to the completeness and accuracy to the best of their knowledge and belief, respectively, a collective total of \$1,579,922 of net appreciation in fair value of investments and \$260,929 of dividends related to the aforementioned investments, for the year ended December 31, 2021.

SMSC 401(k) Plan for Commercial Employees

Notes to Financial Statements

Note 4. Fair Value Measurements

The Plan's investments are recorded at fair value as of December 31, 2021 and 2020. GASB Statement No. 72, *Fair Value Measurements and Application*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This statement establishes a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace. Inputs are used in applying the various valuation techniques and take into account the assumptions that market participants use to make valuation decisions. Inputs may include price information, credit data, interest and yield curve data, and other factors specific to the financial instrument. Observable inputs reflect market data obtained from independent sources. In contrast, unobservable inputs reflect the entity's assumptions about how market participants would value the financial instrument. Valuation techniques should maximize the use of observable inputs to the extent available.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used for financial instruments measured at fair value on a recurring basis:

- Level 1:** Investments whose values are based on quoted prices (unadjusted) for identical assets in active markets that a government can access at the measurement date.
- Level 2:** Investments with inputs—other than quoted prices included within Level 1—that are observable for an asset, either directly or indirectly.
- Level 3:** Investments classified as Level 3 have unobservable inputs for an asset and may require a degree of professional judgment.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2021 and 2020.

Pooled separate accounts: Investments in pooled separate accounts are valued at the net asset value (NAV) of shares as reported by the custodian. The NAV is used as a practical expedient in estimating fair value. The NAV is based on the fair value of the underlying assets held by the Plan. The practical expedient would not be used when it is determined to be probable that the Plan will sell the investment for an amount of different from the reported NAV.

Registered investment companies: Investments in registered investment companies are valued at the quoted market prices of shares held by the Plan at year-end in the active market on which the individual securities are traded.

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

- (a) This investment class seeks growth of capital and long-term total return. Although it may invest in companies with a broad range of market capitalizations, the fund tends to focus on companies with large capitalizations (generally having capitalizations above \$2 billion).
- (b) The investment class seeks a high total rate of return over the long term. The fund invests at least 80% of assets in stocks traded primarily in foreign markets.
- (c) The investment class seeks to maximize current income consistent with liquidity and preservation of capital. It seeks to maintain, but does not guarantee, a stable NAV of \$1.00 per share. The funds invest in high quality U.S. dollar-denominated debt instruments of domestic and foreign issuers, including commercial paper, other corporate obligations and certificates of deposits and bankers' acceptances.
- (d) This investment class seeks long-term return and capital appreciation. The fund generally invests at least 80% of assets in a broadly diversified portfolio of common stocks of mid-cap companies.
- (e) This investment class seeks a high total rate of return consistent with prudent investment risk and preservation of capital. The funds invest assets in investment-grade, fixed-income securities and debt securities of foreign governments and companies, U.S. government securities, and lower-rated high-yield securities of U.S. and foreign companies.
- (f) This investment class seeks to achieve long-term growth and capital appreciation. The fund generally invests at least 80% of assets in stocks, securities convertible into stocks, and other securities of small U.S. companies with market capitalizations at the time of purchase that fall within the range of companies in the Russell 2000 Index or the S&P Small Cap 600 Index.

The investments in pooled separate accounts measured at NAV, on a participant level and plan level, have no redemption notice period required and can be redeemed immediately at the NAV of the fund. In addition, there are no unfunded commitments on investments in pooled separate accounts measured at NAV and investments are unlikely of being sold at an amount other than NAV.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan has received an opinion letter from the IRS dated March 8, 2018, as to the Plan's qualified status. The Plan is intended to be structured and operated consistent with ERISA provisions and is believed to be a qualified plan. The Plan's Management and the Plan's legal counsel believe that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC.

Notes to Financial Statements

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of fiduciary net position.

Note 8. Related-Party Transactions and Party-in-Interest Transactions

Empower Retirement, LLC on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great West Life & Annuity Insurance Company, is a custodian of the Plan. Reliance Trust Company is also a custodian as defined by the Plan. Fees paid by the Plan to the custodians are included in administrative expenses in the statement of changes in fiduciary net position. Investment-related expenses are included as an offset to net appreciation/depreciation in the fair value of investments. These transactions qualify as party-in-interest transactions.
