INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Participants
Architectural Arts Millwork, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Architectural Arts Millwork, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to participants' data and accounts of former employees who merged into the Plan on January 1, 2019 and participated in the Plan during the year ended December 31, 2021. As a result, we were unable to apply sufficient auditing procedures on the balances of certain participants' accounts as of and for the year ended December 31, 2021 to determine the extent to which the accompanying 2021 financial statements may have been affected by these conditions.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's 2021 financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to, and we do not, express an opinion on the supplemental schedules referred to above.

Other Matter - 2020 Financial Statements

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated October 13, 2021, indicated that because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements.

In addition, the predecessor auditor's opinion noted the Plan has not maintained sufficient accounting records and supporting documents relating to participants' data and accounts of former employees participating in the AFS All-American Millwork and Fabrication, LLC 401(k) Savings Plan and the AFS All-American Millwork and Fabrication, LLC Hourly 401(k) Savings Plan, which merged into the Plan on January 1, 2019 ("Plan Mergers"). As a result, they were unable to perform auditing procedures on any participants' data with respect to these employees within the Architectural Arts Millwork, LLC 401(k) Plan as of for the year ended December 31, 2020, to determine whether any adjustments to the 2020 financial statements and supplemental schedules were necessary.

The image shows a handwritten signature in black ink. The letters "UHY" are written in a large, stylized, cursive font, and "LLP" is written in a smaller, simpler font to the right of "UHY".

ARCHITECTURAL ARTS MILLWORK, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Plan Description

The following description of Architectural Arts Millwork, LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a participant-directed defined contribution plan, covering substantially all eligible employees of Architectural Arts Millwork, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the applicable current Internal Revenue Code provisions. All employees, other than union employees and nonresident aliens, are eligible to enter the Plan on the first day of the calendar quarter beginning after, or coinciding with, the employee's 18th birthday.

Contributions

Each year, participants may contribute a stated percentage of pretax annual compensation that does not exceed the maximum contribution allowed by federal law. Employees are automatically enrolled at a 6% deferral rate unless they elect otherwise. The Company may make discretionary matching contributions annually. During the years ended December 31, 2021 and 2020, the Company matched 25% of the first 6% of the participant's compensation that a participant contributed to the Plan. The Company may also make other nonelective contributions, as defined in the Plan document. There were no other nonelective contributions made during the years ended December 31, 2021 or 2020. Participants also may contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and allocations of Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company contributions is based on years of continuous service. Participants do not vest until three years of service are completed, with at least 1,000 hours of service during each year of service, and then become 100% vested in Company contributions.

ARCHITECTURAL ARTS MILLWORK, LLC 401(K) PLAN

Notes to Financial Statements (continued)

1. Plan Description (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum amount equal to the lesser of (i) \$50,000 or (ii) 50% of their vested account balance, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. Notes receivable transactions are treated as a transfer to (from) the investment fund from (to) the notes receivable from participants fund. Terms range from one to five years. The notes receivable are secured by the vested balance in the participant's account and bear interest at a prime plus 1.00%. Principal and interest are paid ratably through payroll deductions. Notes receivable outstanding at December 31, 2021 mature from 2022 through 2025, and bear interest at rates ranging from 4.25% to 6.25%.

Payment of Benefits

Upon termination of service, death, disability, retirement or reaching age 59½, participants may elect to receive a lump sum amount equal to the vested value of his or her account. Participants with an account balance less than \$5,000 will receive a mandatory lump sum distribution upon termination of service. Employees, regardless of age, who have a financial hardship, may request a lump sum withdrawal from their account, subject to limitations as defined.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to pay plan expenses and to reduce future Company contributions. At December 31, 2021 and 2020, forfeitures available totaled \$18 and \$1,061, respectively. During the years ended December 31, 2021 and 2020, forfeitures used to reduce employer contributions totaled approximately \$3,712 and \$19,600, respectively. During the year ended December 31, 2021, the Plan also utilized \$4,613 of its forfeitures to pay administrative expenses.

CARES Act

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, the effects of which have caused significant volatility in U.S. and international financial markets. On March 27, 2020, in response to the global COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") became effective, to address financial pressures facing individuals, businesses, and state and local governments due to the pandemic. The Plan adopted the provisions of the CARES Act with regard to distributions from the Plan. Specifically, the 10% early withdrawal penalty was waived for distributions up to \$100,000 for purposes related to COVID-19 until December 31, 2020. Income tax on such distributions may be spread over a three-year period. Additionally, participants had the option to repay the distributions. These provisions of the CARES Act ended on December 31, 2020.

ARCHITECTURAL ARTS MILLWORK, LLC 401(K) PLAN

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Accounting Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

3. Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such employee or officer receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan.

4. Information Certified and Provided by Reliance Trust Company

The following is a summary of the Plan's asset and income information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedules, that was prepared or derived from information provided by Reliance Trust Company ("Reliance") and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Reliance that information provided to the Plan Administrator by Reliance is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedules related to the following:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 8,194,349	\$ 6,685,717
Notes receivable from participants	36,993	69,254
Investment income:		
Net appreciation in fair value of investments	\$ 739,442	\$ 488,040
Interest and dividends	463,004	299,579
Interest income on notes receivable from participants	2,106	4,381

5. Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Tax Status

The Plan adopted a volume submitter plan sponsored by Qualified Plan Consultants, LLC. The volume submitter plan has received an opinion letter dated June 30, 2020, from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provisions or liability for income taxes has been included in the financial statements.

7. Related-Party Transactions

Plan investments are held by Reliance, and, therefore, these transactions qualify as party-in-interest transactions. However, these transactions are not prohibited. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, rather than a direct payment.

8. Risk and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. GAAP requires the use of valuation techniques that are consistent with market approach, the income approach and/or the cost approach. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources, or unobservable, meaning those that reflect the Plan's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In that regard, the Topic establishes a fair value hierarchy for valuation inputs that give the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

When available, quoted market prices are used to determine the fair value of investments held in the Plan and such items are classified within Level 1 of the fair value hierarchy. A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. There have been no changes in valuation methodologies at December 31, 2021 compared to December 31, 2020.

Mutual funds: valued at quoted prices in active markets.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	2021		2020	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 8,194,349	<u>\$ 8,194,349</u>	\$ 6,685,717	<u>\$ 6,685,717</u>

The Plan sponsor deposited lost earnings to correct this failure, filed Form 5330 and paid the applicable excise tax to the IRS during 2021.

12. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued.
