*Independent Auditor's Report*

To the Plan Administrator  
Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1 and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

**TAFT STETTINIUS & HOLLISTER LLP**  
**THRIFT SAVINGS & RETIREMENT PLAN - PLAN 1**

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Taft Stettinius & Hollister LLP Thrift Savings & Retirement Plan - Plan 1 (the Plan) provides only general information. Participants should refer to the Plan Instrument and Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

**General:** The Plan was organized effective January 1, 1984, as a defined contribution retirement savings plan covering all partners and eligible employees of Taft Stettinius & Hollister LLP (the Firm) who are age 21 or older. Partner and certain staff participants become eligible for the Firm's discretionary contributions after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Firm's Executive Committee is responsible for oversight of the Plan. The Retirement Benefits Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Firm's Executive Committee.

Effective January 1, 2018, the Plan was amended and restated to form two Plans, Plan 1 and Plan 2. Employees eligible for Plan 1 include partners and non-excluded employees. Eligible employees include staff whose social security number ends in an odd number and certain other staff and eligible partners and associates. Plan 1 excludes certain attorneys and associates and summer interns.

Empower Retirement serves as third-party administrator for the Plan. Great-West Trust Company, LLC serves as the Plan's custodian and trustee. Reliance Trust Company serves as custodian of certain self-directed brokerage accounts. Charles Schwab Bank, as broker-dealer, also holds assets of certain other self-directed brokerage accounts.

**Contributions:** Each year, participants may authorize the Firm to contribute to the Plan up to 85% of their eligible annual compensation, subject to the maximum annual amount permitted under Section 402(g) of the Internal Revenue Code (IRC). Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from amounts representing distributions from other qualified plans and certain Individual Retirement Accounts (IRA) as defined in the Plan Instrument. Contributions are subject to certain limitations under the IRC.

The Firm may elect to make discretionary contributions to the Plan. In 2021, the Firm generally made a contribution of 5.0% of compensation for non-attorney participants. Contributions for partner participants and certain other participants were made within the tiered structure of 5.0% to 13.5% of compensation as described in the Plan Instrument. Fifty percent of the discretionary contribution for partner participants are deposited in Plan 1.

Participants direct the investment of their contributions, as well as those made by the Firm, into various investment options offered by the Plan, and may also direct their investments into an individual self-directed brokerage account.

**Participant Accounts:** Each participant's account is credited with the participant's contributions and the Firm's discretionary contributions, as well as Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are on a per capita basis or based on specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

**Vesting:** Participants are vested immediately in their contributions and the Firm's contributions plus actual earnings thereon.

**Notes Receivable from Participants:** Participants may borrow from their account a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The repayment terms of the notes cannot exceed five years except for the purchase of the participant's principal residence, for which the terms may exceed five years per the Plan Instrument. The notes are secured by no more than one-half of the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through regular payroll deductions.

**Benefits:** Upon the occurrence of a distributable event due to separation from service by termination, death, disability, or retirement, as defined by the Plan Instrument, a participant may elect to receive a lump-sum cash distribution, a qualified joint and survivor annuity for a married participant, or life annuity for a single participant equal to the value of the participant's vested interest in their account. Hardship and in-service withdrawals, as well as required minimum distributions and automatic distributions to former participants, as defined in the Plan Instrument, are also permitted from a participant's account.

**Plan Termination:** Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition:** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Benefits Committee determines the Plan's valuation policies utilizing information provided by the Plan's trustee and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

**Notes Receivable from Participants:** The Plan's notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make repayments and the Plan Administrator deems the note receivable from the participant to be in default, the balance of the note receivable from the participant is reduced and a benefit payment is recorded.

**Payment of Benefits:** Benefits are recorded when paid.

**Expenses:** Administrative expenses for maintaining the Plan may be paid by the Firm or the Plan, at the Firm's discretion. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Tax Status:** The Internal Revenue Service (IRS) has determined and informed the Firm by a letter dated January 20, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Instrument has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process.

**Subsequent Events:** The Plan Administrator has evaluated the financial statements for subsequent events occurring through October 12, 2022, the date the financial statements were available to be issued.

## NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has categorized its assets and liabilities that are measured at fair value into a three-level fair value hierarchy. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. In situations where there is little or no market activity for the asset or liability, the Plan makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Following is a description of the valuation methodologies used by the Plan for assets that are measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Registered Investment Companies (Mutual Funds and/or Exchange-traded Funds) and Money Market Fund Shares:** Valued at the daily closing price as reported by the funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

**Common Stocks, Foreign Stocks and Preferred Stocks:** Valued at the closing price reported on the active market on which the individual securities are traded.

### NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

**Corporate Bonds and Foreign Bonds:** Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing the value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, those corporate bonds are valued under a discounted cash flow approach that maximizes observable inputs, such as current yields or similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

**U.S. Government and Agency Securities and Municipal Bonds:** Valued using pricing models maximizing the use of observable inputs for similar securities.

**Certificates of Deposit, Mortgaged-backed Securities and Collateralized Mortgage Obligations:** Valued at their discounted cash flows based on interest rates for similar assets with similar risks and credit ratings.

**Collective Trust Funds:** Valued at the unit price reported by the sponsoring bank or trust company. The underlying investments owned by the fund can include money market funds, stable value funds, fixed-income securities, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other collective trust funds, or guaranteed investment contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions. The unit price is based on the fair value of these underlying investments owned, less any accrual of fees and expenses borne by the fund, and divided by the number of units outstanding. The unit price is readily determinable and quoted on the active private market on which participants can transact daily with no redemption restrictions on these investments.

**Pooled Separate Account:** Valued at the unit price reported by the sponsoring insurance company. The underlying investments owned can include money market funds, stable value funds, fixed-income securities, registered investment companies, common stocks, corporate bonds, U.S. Government securities, other pooled separate accounts, or guaranteed investment contracts priced by the sponsoring insurance company using applicable interest rates and contract provisions. The unit price is based on the fair value of the underlying investments owned, less any accrual of fees and expenses borne by the account, and divided by the number of units outstanding. The unit price is readily determinable and quoted on the active private market on which participants can transact daily with no significant redemption restrictions on these investments.

**Cash Value of Life Insurance:** Cash value of life insurance policies are valued at the cash surrender value of the policies held as reported by the insurer, which approximates fair value.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain assets could result in a different fair value measurement at the reporting date.

Following is a summary, within each level of the fair value hierarchy, of the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2021 and 2020:

## NOTE 5 - PLAN AMENDMENTS (CONTINUED)

In addition, an amendment to the Plan Instrument was adopted on December 29, 2021 with various effective dates to: 1) clarify certain provisions related to the merger of the Briggs Plan; 2) ensure that the Plan satisfies the requirements of Revenue Ruling 81-100; 3) adopt a Good Faith amendment addendum to ensure compliance with certain provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act), and 4) adopt a Good Faith amendment addendum to ensure compliance with certain provisions of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (CARES Act).

## NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain Plan assets are managed through self-directed brokerage accounts held at Reliance Trust Company and Charles Schwab Trust Bank, the custodians of the Plan and/or their affiliates; therefore, transactions in these investments qualify as exempt party-in-interest transactions under ERISA. The Plan's Trustee and Custodians, also receive indirect fees from investments which are deducted from investment returns. Direct fees paid by the Plan to the Trustee and/or its affiliates totaled \$60,580 in 2021.

The Plan may receive revenue-sharing compensation from certain Plan investment options. This revenue, if any, is used to offset certain recordkeeping and administration services to the Plan and/or allocated to participant accounts as additional earnings.

The Firm provides certain accounting, administrative and investment management services to the Plan for which it receives no compensation.

Notes receivable from participants are permitted party-in-interest transactions.

## NOTE 7 - RISKS AND UNCERTAINTIES

The Plan's investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
