INDEPENDENT AUDITOR'S REPORT

Independent Auditor's Report
Le Jardin Academy 403(b) DC Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Le Jardin Academy 403(b) DC Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements – modified cash basis (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B to the financial statements.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B to the financial statements, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of one year from the date of issuance of the auditor's report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – modified cash basis as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but, is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (continued)

2021 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LE JARDIN ACADEMY 403(b) DC PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The Le Jardin Academy 403(b) DC Plan (Plan), a Teachers Insurance and Annuity Association (TIAA), retirement program, was established on September 1, 1986 by Le Jardin Academy, Inc. (Academy). The Plan was amended effective January 1, 2021 to become a TIAA volume submitter plan. The following is a description of the Plan that provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan is an Internal Revenue Code Section 403(b) defined contribution plan covering all employees of the Academy age 21 and over who have at least two years of service and who are not students enrolled and attending classes offered by the Academy. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make employee salary deferral contributions to the Plan up to \$19,500 in 2021 and 2020, adjusted annually for the cost of living, plus an additional \$6,500 in 2021 and 2020, for employees age 50 and over. Participants are eligible to make 15 years of service catch-up contributions. The Academy makes a matching contribution of 8% of the participant's compensation. Total contributions to each participant's account may not exceed the lesser of \$58,000 (\$64,500 if age 50 and older) in 2021 and \$57,000 (\$63,500 if age 50 and older) in 2020, or 100% of annual compensation, as defined. Rollover contributions to or from the Plan are permitted.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Academy's contribution; plus the participant account's net earnings, and less participant withdrawals and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of the Plan. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over their life expectancy. Participants are eligible to make hardship withdrawals, following which their participant elective deferrals are suspended for six months.

The federal Coronavirus Aid, Relief, and Economic Securities Act (CARES Act), which was enacted in March 27, 2020, provides for expanded distribution options, from March 2020 to December 2020, of up to an aggregate limit of \$100,000 of coronavirus-related distributions from all eligible retirement plans to qualified individuals, as well as special rollover rules with respect to such distributions. Such distributions (included in benefits paid to participants) amounted to \$99,282 for the year ended December 31, 2020.

LE JARDIN ACADEMY 403(b) DC PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Contributions received from the Academy are always fully vested and cannot be forfeited, even if employment is terminated or the participant becomes ineligible to participate in the Plan. Participant voluntary contributions and earnings thereon are always 100% vested.

Plan Loans

The Plan does not provide for loans to participants. However, participants may borrow the lesser of one-half of their vested account balance or \$50,000 for up to five years in plan loans issued directly by TIAA. A portion of the participant's TIAA Traditional Annuity account is held in collateral to cover 110% of the outstanding loan in the event of default. There were no plan loans outstanding at December 31, 2021 and 2020.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Except for investments, which are accounted for on a fair value basis, the Plan has prepared its financial statements on the basis of cash receipts and disbursements; consequently, certain additions to net assets available for benefits are recognized when received rather than when earned, and certain deductions from net assets available for benefits are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to be presented in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are stated at fair value, except that fully benefit-responsive investments are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest is recognized when received. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year. The fair value of the Plan's investments and the related net appreciation (depreciation) in the fair value of investments are determined by TIAA. See Note D for a discussion of fair value measurements.

MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits

Benefits, including annuity settlement options, are recorded when paid.

Expenses

Investment related expenses are included in net appreciation (depreciation) in fair value of investments from registered investment companies and pooled separate accounts, and in interest credited from group annuity contracts.

NOTE C – CERTIFICATION BY QUALIFIED INSTITUTION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation (depreciation) in the fair value of investments and interest from group annuity contracts for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by TIAA, the qualified institution, as of and for the years ended December 31, 2021 and 2020.

NOTE D – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

LE JARDIN ACADEMY 403(b) DC PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The Plan values its investments in registered investment companies at quoted market prices in active markets, a Level 1 input. The Plan values the group annuity contract at fair value which approximates contract value, a Level 3 input. The value is based on the contributions and transfers into the annuity, the withdrawals and transfers out of the annuity, and the income earned by the underlying assets in the annuity contract. Investments in pooled separate accounts are valued at the net asset value of unit shares held by the Plan at year-end. The net asset value, as provided by TIAA, is used as a practical expedient, which is based on the underlying assets of the pooled separate accounts, including real estate properties and real estate joint ventures and limited partnerships. In accordance with accounting standards, the pooled separate accounts are not categorized in the fair value hierarchy. At December 31, 2021 and 2020, there were no investments valued using a Level 2 input.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 15,645,506	\$ -	\$ -	\$ 15,645,506

NOTE E – GUARANTEED ANNUITY CONTRACTS

The TIAA Traditional Annuity is a fixed-dollar annuity, an investment product offered by TIAA. Contributions to the TIAA Traditional Annuity purchase a contractual or guaranteed amount of future benefits for the participant. Investments in the TIAA Traditional Annuity are secured by the general assets of TIAA and backed by TIAA's claims-paying ability.

The TIAA Traditional Annuity is segregated into non-fully benefit and fully benefit-responsive categories. The fully benefit-responsive portion is reported at fair value, which approximates contract value. The non-fully benefit-responsive contracts are recorded at contract value. Contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the plan's contracts, and transfers in (if any), less any withdrawals and transfers out (if any).

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participant.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

LE JARDIN ACADEMY 403(b) DC PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE E – GUARANTEED ANNUITY CONTRACTS (Continued)

Traditional Annuity (non-benefit-responsive)

Liquidity restrictions apply to the TIAA Traditional Annuity under annuity contracts used to fund primary retirement plans such that transfers and distributions must be made over a period of up to 10 annual installments. A plan's allocation in the TIAA Traditional Annuity is carried at contract value in all plan and participant reporting. At December 31, 2021 and 2020, the non-benefit-responsive portion of the TIAA Traditional Annuity contract amounted to \$3,420,420 and \$3,140,020, respectively at fair value, which approximates contract value. There is no allowance for credit risk.

Traditional Benefit Responsive Annuity (fully benefit-responsive)

The TIAA Traditional Benefit Responsive Annuity is a guaranteed fixed annuity. Amounts invested in this annuity are deposited to TIAA's general account. The annuity is backed by the general accounts of TIAA, which supports all of TIAA's policy and contractual obligations. TIAA is the owner of the underlying assets in the general account. All guarantees are based on TIAA's financial claims-paying ability.

There are three levels of interest rates in effect; the lifetime minimum interest rate guaranteed over the life of the contract, the annual minimum guaranteed interest rate for the calendar year, and the current interest rate. TIAA determines the lifetime minimum guaranteed interest rate and the annual minimum guaranteed interest rate on an annual basis. The annual minimum guaranteed interest rate can be equal to, but will never be less than, the lifetime minimum guaranteed interest rate. TIAA sets current interest rates on a monthly basis. Current interest rates may be equal to or higher than the annual minimum guaranteed interest rate, but will never be lower.

The lifetime minimum guaranteed interest rate was 2.0% for the years end December 31, 2021 and 2020. The annual minimum guaranteed interest rate was 3.0% for the years end December 31, 2021 and 2020. The guaranteed interest option does not provide for a defined maturity date. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, subject to certain restrictions. Further, withdrawals for participant benefits from the annuity are permitted as specified in the contract and are not subject to any market value adjustment.

At December 31, 2021 and 2020, the fully benefit-responsive portion of the TIAA Traditional Annuity amounted to \$505,231 and \$425,302, respectively.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's assets are held by TIAA, the qualified institution of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in the net appreciation (depreciation) in fair value of the investment. The Academy may pay directly other fees related to the Plan's operations.

LE JARDIN ACADEMY 403(b) DC PLAN

NOTES TO THE FINANCIAL STATEMENTS – MODIFIED CASH BASIS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE G – TAX STATUS

The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of Section 403(b) of the Internal Revenue Code, including the requirement that the Plan be maintained pursuant to a written plan document. The plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

The modified cash basis of accounting requires uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. The plan administrator evaluated the Plan's tax positions as of December 31, 2021 and 2020 and for the years ended and determined that the Plan had no uncertain tax positions required to be reported in accordance with the modified cash basis of accounting. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE H – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held in a trust fund by TIAA. Certain administrative functions are performed by officers or employees of the Academy, who receive no compensation from the Plan. Custodian fees and other administrative expenses are paid by either the Plan or by the Academy, as provided in the plan document.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including investments in shares of registered investment companies, pooled separate accounts, and guaranteed annuity contracts. In general, investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and Academy operate in the State of Hawaii. Local, national, and international events (such as the COVID-19 pandemic and Russia-Ukraine conflict) can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan was to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions, are not presently determinable.

NOTE J – TERMINATION

Although it has not expressed any intent to do so, the Academy has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. Such reclassifications did not impact the prior year change in net assets available for benefits.

NOTE L – SUBSEQUENT EVENTS
