**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Plan Trustees

Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust  
Farmington, Utah

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net asset available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA "qualified institution".

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statement***

We were engaged to audit the 2020 financial statement of Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **Notes to the Financial Statements**

---

#### **Note 1: Description of Plan**

The following description of the Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all eligible union employees that was originally adopted by All Saintsidence Opco LLC ("the Original Plan Sponsor") on January 1, 2020 and amended on October 28, 2020. The Plan continued operating on behalf of the Original Plan Sponsor's employees until it was officially amended again on December 8, 2021 to continue under the name Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust. All other terms and conditions of the Plan remained similar to those of the Original Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 "ERISA", as amended.

#### **Eligibility**

Union employees who have reached the age of 21 and completed 2 consecutive months of service are eligible to participate in the Plan. An employee will become eligible for participation on the first day of the following month after meeting the requirements in the Plan Agreement.

#### **Contributions**

Participants may defer salary up to an annual maximum of the lesser of 92% of eligible compensation or the Internal Revenue Service ("IRS") limits. The total of participant and employer contributions for a given year cannot exceed the lesser of the IRS limits or 92% of the participant's annual compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor makes matching contributions equal to 25% of the participant's first 4% contributed to the Plan which was calculated based on a percentage of a participant's elected deferrals and eligible Plan compensation as defined in the Plan Agreement. For the year ended December 31, 2021, the Plan Sponsor's matching contribution was \$55,685.

In addition, the Plan Sponsor may make a discretionary profit-sharing contribution to be determined by the Plan Sponsor and allocated to participants who are non-highly compensated employees. Each eligible participant will receive a portion of this discretionary profit-sharing contribution based on their eligible compensation. The Plan Sponsor did not make a discretionary profit-sharing contribution to the Plan for the year ended December 31, 2021.

#### **Note 1: Description of Plan (Continued)**

##### **Participant Accounts**

Each participant's account is credited with the participant contributions and allocations of the Plan Sponsor's contribution and Plan earnings and charged with an allocation of administrative expenses. The allocation of the Plan Sponsor's profit-sharing contribution is based on the proportion of the participant's total compensation to the total compensation paid to all participants. Earnings on investments include interest income and realized and unrealized gains and losses and are allocated to the participant's account based on the participant's directed investment program earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

##### **Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts is based on years of continuous service. This vesting occurs ratably over a five-year period commencing on the participant's date of hire. Participants are considered fully vested upon attainment of retirement age, retirement due to disability or death, and upon termination of the Plan.

##### **Forfeitures**

Participants who terminate their employment and are less than 100% vested in their employer's contributions forfeit their non-vested portion. These accounts may be used to offset administrative expenses, to reduce employer matching contributions, or may be allocated to participants as additional employer contributions. Each year, the Plan Administrator will decide how to use those forfeited amounts. In 2021, administrative expenses were reduced by \$2,241 from the forfeited non-vested account. The forfeited non-vested account balance totaled \$556 at December 31, 2021. There was no balance in the forfeited non-vested account at December 31, 2020.

##### **Payment of Benefits**

The Plan provides for retirement benefits to begin at the age of 65, but not later than the 60th day of the calendar year following the date in which participants attain the age of 65. Upon termination of service due to death, disability, or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account.

If the total vested account balance is \$5,000 or less, the participants vested account balance will be distributed automatically in a lump sum. If the total vested account balance exceeds \$5,000, participants may elect to receive a lump sum amount or equal to the total value or a portion of their vested account balance as soon as administratively feasible.

## **Note 1: Description of Plan (Continued)**

### **Transfer of Plan Assets**

During 2021, the financial assets of certain union participant accounts were transferred from the Providence Administrative Consulting Services, Inc. 401(k) Profit Sharing Plan and Trust #001. The total amount of the transfer was \$10,012 for the year ended December 31, 2021.

### **Investment Options**

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the available investment options available to plan participants.

### **Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

## **Note 2: Summary of Significant Accounting Policies**

### **Method of Accounting**

The Plan follows the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

### **Administrative Expenses**

Certain costs and expenses of the Plan are paid directly by participants of the Plan and are included in the statement of changes in net assets available for benefits. Other costs and expenses of the Plan are paid directly by the Plan Sponsor and are not included in the statement of changes in net assets available for benefits.

### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## Notes to the Financial Statements

---

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Use of Estimates**

The preparation of financial statements in conformity with GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from these estimates.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

#### **Subsequent Events**

On January 1, 2022, the Plan was formally amended to change the age requirement for participation in the Plan to age 18 and to allow for participants to be entitled to request a loan from the Plan.

The Internal Revenue Service requires companies to restate their qualified retirements plans every six years. On June 1, 2022, the Plan completed its Cycle 3 restatement.

The Plan has evaluated subsequent events through October 11, 2022, which is the date the financial statements were available to be issued.

### **Note 3: Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# Providence Administrative Consulting Services, Inc. 401(k)

## Profit Sharing Plan and Trust

### Notes to the Financial Statements

---

#### Note 3: Fair Value Measurements (Continued)

Level II – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Unobservable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. Unobservable inputs reflect the trustee's own assumptions about what market participants would use to price the asset or liability. These inputs may include internally developed pricing models, discounted cash flow methodologies, as well as instruments for which the fair value determination requires significant management judgment.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

*Interest bearing cash:* Valued at cost plus accrued interest which approximates fair value.

*Registered investment companies:* Valued at the daily closing price as reported by the investments. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the valuation of the Plan's investments held as of December 31, 2021 and 2020:

|                                 |                     | Assets at Fair Value Using:                                              |                                                                         |                                                    |  |

#### Note 4: Tax Status

The Plan is designed to be a qualified trust under Section 401(a) of the Internal Revenue Code ("IRC"), which provides that a qualified trust is exempt from federal income taxes. The Plan is required to operate in accordance with the Plan Agreement and the applicable federal laws in order to maintain its qualification. The volume submitter Plan received a favorable opinion letter dated April 10, 2014, stating that the Plan is a qualified Plan under the applicable section of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan Sponsor is not aware of any action or event that has occurred that might affect the Plan's qualified status.

GAAP requires Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
