Independent Auditors' Report

To the Participants and Plan Administrator of the
Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan
Aliquippa, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Moderne Glass Company, Inc 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not, express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description

The following description of the Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan covering all eligible employees of Moderne Glass Company, Inc. (the Company) who have completed one year of service and are age eighteen or older. The Plan does not cover employees whose employment is governed by a collective bargaining agreement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Plan provides that employees electing to participate may contribute to the Plan, through pretax payroll deferrals, a selected percentage of compensation as defined by the Plan. Due to limitations imposed by the Internal Revenue Code (IRC), the aggregate amount of deferrals with respect to any participant cannot exceed \$19,500 for 2021 and 2020. A participant that has reached the age of 50 by the end of the tax year may contribute an additional \$6,500 for 2021 and 2020 as a catch-up contribution.

The Company contributions are at the sole discretion of Management. Discretionary Company contributions are allocated based on participant compensation to total compensation for all eligible participants. In order to receive a discretionary Company contribution, an employee must have worked 1,000 hours during the plan year and be employed on the last day of the plan year or have separated from employment during the plan year and completed more than 500 hours of service. The Company authorized discretionary profit sharing contributions of \$60,000 for both 2021 and 2020.

Participant Accounts

Each participant's account is credited with a) participant's contributions, b) allocation of the employer discretionary contribution, c) Plan earnings less applicable expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description (cont.)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six (6) years of credited service based upon a two to six year graded term in accordance with the plan document; or immediately if a) employment is terminated due to death or disability, b) retirement upon attaining age 65, or c) Plan termination.

<i>December 31,</i>	Percent Vested
Less than 2 years	0 %
Less than 3 years	20 %
Less than 4 years	40 %
Less than 5 years	60 %
Less than 6 years	80 %
Six or more years	100 %

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Withdrawal of a portion of a participant's account is permitted due to an immediate and heavy financial need.

Forfeited Accounts

Forfeitures of non-vested Company contributions will be used to reduce future employer discretionary contributions. There were no forfeitures applied to the employer profit sharing during 2021 and 2020. The balance remaining in the forfeiture account at December 31, 2021 and 2020 was approximately \$19,927 and \$18,634, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Notes to Financial Statements December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash

The valuation methods for each investment category are described below.

Interest-bearing cash. Investments with original maturities of three months or less when purchased, including certain short-term fixed income securities and money market funds, are considered interest-bearing cash. The fair value are based on observable market prices and, therefore, have been categorized in Level 1 in the fair value hierarchy.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. The fair value of the financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of investments within the Plan are reflected on a trade date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change in net appreciation in fair value of investments is the difference between the quoted market value of the Plan's investments at the end of the year compared to the value of such investments at the beginning of the year (including capital gain distributions and investments bought and sold during the year).

Use of Estimates

The preparation of financial statements in accordance with generally accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, the actual amounts could materially differ from those estimates. Any adjustments applied to the estimated amounts are recognized in the year in which such adjustments are determined. Significant estimates include fair value measurements of Plan investments.

2. Summary of Significant Accounting Policies

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Related Party Transactions/Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

The Company entered into an Administrative Services Agreement (the Agreement) with TransAmerica Financial Life Insurance Company (Transamerica). Transamerica Retirement Solutions (TARS), and affiliate of TransAmerica, is the third party administrator. This agreement includes a revenue-sharing arrangement whereby TransAmerica shares revenue generated by the Plan in excess of their fee. Deposits relating to the revenue-sharing arrangement are invested in the guaranteed income fund, and are used to pay other Plan expenses with any remaining amounts reallocated to participants.

Activity related to income, revenue sharing, and expenses for the years ended December 31, 2021 and 2020 include revenue sharing transfers in of \$23,612 and \$73,213, and transfers out to pay direct fees of \$36,847 and \$59,067, respectively.

Plan Expenses

Plan expenses consisted of \$36,847 and \$31,560 in administrative service fees, \$18,053 and \$27,507 in accounting and professional fees, and \$1,627 and \$2,050 in other expenses for the years ended December 31, 2021 and 2020, respectively.

Payment of Benefits

Benefit payments are recorded when paid.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

3. Concentrations of Credit Risk

There were no investments that represented 10% or more of the Plan's net assets available for benefits both 2021 and 2020.

4. Tax Status

The Plan document, which was amended and restated effective February 1, 2016, is a TARS Standardized Prototype Cash or Deferred Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014. It is the opinion of the Plan Administrator that the Plan and its underlying trust have operated within the terms of the Plan and are qualified under the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor (DOL). Management has evaluated the Plan's design and operation and has concluded that the Plan is designed and has been operated in compliance with the applicable requirements of the IRC. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures (ASC 820) establishes a framework for measuring fair value. The standard provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include; a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Moderne Glass Company, Inc. 401(k) & Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

5. Fair Value Measurements (cont.)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, it is possible that different fair value measurements may arise due to the use of different methodologies or assumptions in determining the fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. The Plan had no material financial liabilities as of December 31, 2021 and 2020.

6. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, Reliance Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

<i>December 31,</i>	2021	2020
Mutual funds	\$ 5,051,504	\$ 4,754,285
Total investments	\$ 5,051,504	\$ 4,754,285

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

<i>Years ended December 31,</i>	2021	2020
Mutual funds	\$ 390,009	\$ 472,926
Total	\$ 390,009	\$ 472,926

<i>Years ended December 31,</i>	2021	2020
Dividends and interest	\$ 88,521	\$ 76,186

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

7. Transactions with Parties-in-Interest

Certain Plan investments are managed by TARS. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial and recordkeeping services were \$36,847 and \$33,540 for the years ended December 31, 2021 and 2020, respectively.

8. Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report, the date the report was available to be released. Management did not identify any events requiring recording in or disclosure to the financial statements as of and for the year ended December 31, 2021.
