Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the **401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator and Participants
**401(k) Profit Sharing Plan for Employees of
Stigler Health and Wellness Center, Inc.**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Participants
**401(k) Profit Sharing Plan for Employees of
Stigler Health and Wellness Center, Inc.**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the **401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.** As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the 401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan for the benefit of eligible employees of Stigler Health & Wellness Center, Inc. (the Employer). The Plan is subject to the Department of Labor's reporting requirements under the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees of the Employer are eligible to participate in the Plan upon attaining age 21 and completing two months of service, except those who are non-resident aliens with no U.S. source income, those who are classified or treated as independent contractors or other non-employees by the Employer on its payroll records or otherwise (even if a government agency or court with the jurisdiction determines that such persons are deemed to be employees for any purpose under common-law principles or federal, state or local law), and those who are covered under a collective bargaining agreement. All prior service with Ki Bois Community Action Foundation, Inc. shall be counted toward the service requirement for eligibility. Entry dates are the first day of each month.

Contributions

Each year, participants may contribute a portion of their compensation to the Plan, subject to certain limitations as defined in the Plan. Participants may elect to designate all or part of those contributions as Roth contributions. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Effective November 1, 2021, the Plan was amended to change from a safe harbor Plan to a non-safe harbor Plan. Through October 31, 2021, the Employer made safe harbor matching contributions to the Plan, calculated at 100% of the first 4% of a participant's compensation contributed to the Plan. Effective November 1, 2021, the Employer makes matching contributions for Head Start employees at 100% of the first 4% of a participant's compensation contributed to the Plan. For all other employees, the Employer makes matching contributions at 100% of the first 9% of a participant's compensation contributed to the Plan. Catch-up contributions are matched by the Employer.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions among the various investment options offered by the Plan.

401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.

Notes to Financial Statements December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, his or her share of the Employer's matching contributions, and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant contributions, compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants immediately vest in all contributions, plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance in their account during the prior twelve month period. The account balances attributable to designated Roth Contributions shall be disregarded for purposes of determining the available loan amount and for purposes of securing a loan. A participant may not have more than one loan outstanding at any time. Loans are secured by the balance in the participant's account and bear interest at rates which are determined by the Plan administrator and shall be reasonable and commensurate with the current commercial rates charged on similar loans by persons in the business of lending money under similar circumstances. Principal and interest are paid ratably over the term of the loan through payroll deductions or through home billing for terminated participants. All loans are required to be repaid within five years unless the loan qualifies as a home loan, in which case the loan would be required to be repaid within ten years.

See Note 9 for specific disclosures related to the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Payment of Benefits

Upon retirement, disability, death, or separation of service, a participant is entitled to receive a lump-sum amount or partial withdrawals equal to the vested value of his or her account. The Plan also allows for in-service withdrawals for participants meeting certain age or hardship requirements.

See Note 9 for specific disclosures related to the CARES Act.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.

Notes to Financial Statements December 31, 2021 and 2020

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments are recorded when paid. There were no amounts allocated to withdrawing participants' accounts for distributions payable prior to December 31, 2021 and 2020, but not yet paid as of these dates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Certain activity based fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Expense Offset Arrangements

Fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 3: INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020,
- Net appreciation in fair value of investments and interest income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and
- The Schedule of Assets Held at End of Year as of December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Codification Topic *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB Codification Topic *Fair Value Measurements and Disclosures* are described as:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.

Notes to Financial Statements December 31, 2021 and 2020

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Variable annuities in pooled separate accounts: Valued at the net asset value (NAV) of the units of the pooled separate account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account, less liabilities. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily.

Interest accumulation account: Valued at contract value (contributions and interest less expenses and withdrawals), which is deemed to be fair value, as provided by the custodian.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. In accordance with the FASB Codification Topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments measured at net asset value				<u>5,889,548</u>
Total investments at fair value				<u>\$ 6,366,350</u>

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2021				
Variable annuities in pooled separate accounts	\$ <u>8,601,469</u>	<u>\$ -</u>	Daily	None
December 31, 2020				
Variable annuities in pooled separate accounts	\$ <u>5,889,548</u>	<u>\$ -</u>	Daily	None

Each portfolio included in the variable annuities in pooled separate accounts has different investment objectives and risks. The portfolio prospectuses contain more detailed information on each portfolio's investment strategy. Generally, there are portfolios that seek a high level of income with preservation of capital, long term growth of capital and/or income, growth of capital, capital appreciation, and various combinations of each.

NOTE 5: RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan is invested in variable annuities in pooled separate accounts and an interest accumulation account under a group annuity contract with Mutual of America. Mutual of America is the custodian of the Plan. As a result, these investments and the related investment transactions qualify as party-in-interest transactions. Certain Mutual of America fees incurred by the Plan are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

401(k) Profit Sharing Plan for Employees of Stigler Health and Wellness Center, Inc.

Notes to Financial Statements December 31, 2021 and 2020

The Plan incurs expenses related to general administration and record keeping. The Employer pays a portion of these and other Plan expenses. The Employer also performs certain administrative functions at no cost to the Plan. The Employer does not expect reimbursement for these expenses.

The Plan is charged fees and expenses through expense ratios charged by Mutual of America to the Plan's various investment options. The investment expense ratios vary by fund and are reflected in the value of the investments held by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE 7: TAX STATUS AND UNCERTAIN TAX POSITIONS

Through October 31, 2021, the Plan had adopted the Mutual of America prototype safe harbor 401(k) profit-sharing plan document. Mutual of America obtained an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which indicated that the form of the Plan was acceptable under section 401 of the Internal Revenue Code (IRC). Effective November 1, 2021, the Plan has adopted a 401(k) profit-sharing plan document through Mutual of America. Mutual of America obtained an opinion letter from the IRS dated November 30, 2020, which indicated that the form of the Plan is acceptable under section 401 of the IRC. Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, management believes that the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan accounts for uncertain tax positions in accordance with the provisions of the Financial Accounting Standards Board (FASB) Codification Topic *Income Taxes*. FASB Codification Topic *Income Taxes* clarifies the accounting for uncertainty in income taxes and requires the Plan to recognize in their financial statements the impact of a tax position taken or expected to be taken in a tax return, if that position is more likely than not to be sustained under audit, based on the technical merits of the position. The Plan administrator has assessed the tax positions taken by the Plan and determined that no positions exist that require adjustment or disclosure under the provisions of FASB Codification Topic *Income Taxes*.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 8: RISKS AND UNCERTAINTIES

The Plan provides for investments in various income securities, which in general, are exposed to certain risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

As of the date of the Independent Auditor's Report, the COVID-19 pandemic has had an adverse impact on both domestic and global financial markets and operations. Plan management is unable to accurately predict how the COVID-19 pandemic will affect the results of the Plan's operations due to uncertainties surrounding the severity of the disease and the duration of the outbreak.

Market disruptions associated with current geopolitical events have had a global impact, and uncertainty exists as to their implications. Such disruptions adversely affect investment assets and thus performance of the investment assets. At this time, an aggregate effect on the Plan's investment assets and their performance cannot be reasonably estimated.

NOTE 9: CARES ACT DISTRIBUTIONS AND PARTICIPANT NOTES RECEIVABLE

In response to the financial hardship faced by many individuals as a result of the COVID-19 pandemic, Congress enacted the CARES Act that allowed for certain temporary changes to 401(k) Plan distributions and loans to participants. Qualified individuals could take up to \$100,000 from their retirement accounts. These distributions were not subject to the usual 20% withholdings for federal taxes, age requirements, or notice rules. The tax burden for these distributions could be spread over three years, and the distributions could be repaid over three years. Qualified individuals could take larger loans from their retirement accounts. The maximum loan limit was increased to \$100,000. Loan repayments could be delayed for up to one year. Also, participants did not have to take required minimum distributions for 2020. Plan amendments for adoption of the provisions of the CARES Act are required to be made by December 31, 2025. The Plan has not yet been amended; however, it is Plan management's intent to amend the Plan prior to the due date.

NOTE 10: SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 10, 2022, the date that the financial statements were available to be issued.
