INDEPENDENT AUDITOR'S REPORT

To the Trustees of
K & D Management 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of K & D Management 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of K & D Management 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of K & D Management 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about K & D Management 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about K & D Management 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

K & D Management 401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of K & D Management 401(k) Retirement Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

K & D MANAGEMENT 401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of K & D Management 401(k) Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of K & D and related controlled entities (the Company). An eligible employee is one who has completed 30 (formerly, 60) days of service and attained age eighteen. The Plan is subject to the provisions of the employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each plan year, participants may elect to defer a percentage of their compensation, not to exceed the maximum amount set by law, as their contribution to the Plan. Participants may also rollover amounts distributed from other qualified plans. Additionally each plan year, the Company, at its sole discretion, may make contributions to the Plan. A voluntary matching contribution equal to 25% of the participant deferral up to 5% of the compensation was made for 2021 and 2020.

Investment Options - Participants direct the investment of their contributions into various investment options offered by the Plan, including a variety of mutual funds or a fixed option which is a general account product of Great West Life and Annuity Insurance Company (renamed Empower Annuity Insurance Company of America, effective August 1, 2022). Participants may change investment options as desired.

Participant Accounts - Each participant's account is credited with the participants' contribution and allocation of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions. An employee's interest in the contributions the Company makes to the Plan for their benefit becomes 100% vested when they attain normal retirement age (65). Prior to normal retirement age, the employee's interest in the contributions the Company makes on their behalf become vested in accordance with the following schedule:

<u>Completed Years of Service</u>	<u>Percent of Non-Forfeitable Interest</u>
1 year or less	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Notes Receivable - Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants' notes fund. Loan terms range from one to five years or higher for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates are 4.25-6.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On termination of service, death, disability, hardship, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Alternatively, the participant may select periodic payments or apply to the purchase of an annuity contract. In service distributions (subject to certain limitations) are available for fully vested participants if they have reached retirement age.

Forfeited Accounts - Forfeitures of non-vested account balances are held in a separate account. The Plan provides that these funds may be used to reduce employer matching contributions or applied to certain expenses. Forfeitures for the year ended December 31, 2021 and 2020 were \$6,521 and \$7,500, respectively. Accumulated forfeitures totaled \$6,459 and \$100 at December 31, 2021 and 2020. During 2021 and 2020 forfeitures totaling \$1,240 and \$0 respectively, were used to reduce employer contributions; forfeitures, totaling \$0 and \$7,531, respectively, were applied to plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

K & D MANAGEMENT
401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Investment income is recorded on the accrual basis. Related fees are charged to the participant and included in the loan balance. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions

No excess contributions were recorded as payable for the year ended December 31, 2021 or 2020; however, excess contributions for 2020 of \$9,407 were refunded in 2021.

Payment of Benefits - Benefits are recorded when paid. The Plan includes force out provisions for terminated participants with a balance less than \$5,000. At December 31, 2021 and 2020 approximately \$7,515 and \$4,600 of vested benefits were due terminated participants under these provisions.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Fees related to withdrawals (for both loans and benefits) are charged directly to the participant by reducing the amount paid. These totaled \$1,875 and \$1,652 in 2021 and 2020, respectively. Fees for benefits paid are included in administrative expense; fees for loans are included in the loan balance and repaid by the participant.

Date of Management's Review of Subsequent Events - Management has evaluated events and transactions through October 4, 2022 which is the date the financial statements were available to be issued.

The following information included in the accompanying 2021 and 2020 financial statements and supplemental schedules was derived from data that has been prepared and certified to as complete and accurate by the custodial trustee (Great West Trust Company, LLC renamed Empower Trust Company, LLC, effective August 1, 2022):

Appreciation (depreciation) of mutual funds	(32,002)	221,670

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation (depreciation) in fair value of investments and includes income from revenue sharing fee arrangements (see Note 6.)

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

**K & D MANAGEMENT
401(k) RETIREMENT PLAN**

Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 - Mutual Funds – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level, within the fair value hierarchy:

		Fair Value Measurements at Reporting Date Using		
	Total Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2021				
Mutual Funds	\$ 2,598,244	\$ 2,598,244		
December 31, 2020				
Mutual Funds	\$ 2,431,302	\$ 2,431,302		

**K & D MANAGEMENT
401(k) RETIREMENT PLAN**

Notes to Financial Statements

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's investments are held by Great-West Trust Company. The plan provides variable investment options through a variety of mutual funds and a fixed option which is a general account product of Great-West Life & Annuity Insurance Company (Empower Annuity Insurance Company of America, effective August 1, 2022.) Participants who chose the fixed account are repaid principal and interest but there is not a minimum return.

As described in Note 2, because the fixed account is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the accounts. Contract value, as reported to the Plan by Great-West represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Great-West crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate as stated in the contract (0% as stated in the contract) and prevailing market conditions. Interest crediting rate is reset quarterly. The crediting rate and average yield was 0.90% and 1.04% for 2021 and 2020, respectively.

Certain events may limit the Plan's ability to transact at contract value. Such events include contract termination and other fees. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTIES IN INTEREST

Plan investments include a general account product as described in Note 5. Since Great-West was the trustee as defined by the Plan, these transactions qualify as party-in-interest transactions.

Certain fees incurred by the Plan for the investment advisory services are paid through revenue sharing rather than a direct payment, but included in administrative expense. Investment advisory fees were \$11,245 for 2021 and \$9,482 for 2020.

The Plan made direct payments to trustees and affiliates for administrative and recordkeeping of (\$27,840 in 2021 and \$24,695 in 2020.)

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

K & D MANAGEMENT

401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - CONCENTRATIONS

The Plan offers a variety of investment options to participants including a series of target retirement date funds. Based on date of birth these are the default investments for the Plan. At both December 31, 2021 and 2020 approximately 81% and 86% respectively, of Plan investments were invested in these funds.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participant accounts will become 100 percent vested and would be distributed.

NOTE 10 - TAX STATUS

Effective February 8, 2019 the Company adopted a Great-West proto-type plan used by the current trustee. The pre-approved plan was amended and restated in 2020. The Internal Revenue Service has determined and informed Great-West by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company formally signed off on the revised proto-type and administrative amendments effective for 2022 in 2022; however, there were no significant changes in provisions that impacted participants.

Although the Plan has been amended since receiving the determination letter, amendments are limited to administrative amendments adopted by the prototype to comply with current laws and regulations; therefore, the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

K & D MANAGEMENT
401(k) RETIREMENT PLAN

Notes to Financial Statements

NOTE 10 - TAX STATUS – (Continued)

The Plan files Form 5500, Annual Return/Report of Employee Benefit Plan, in compliance with DOL and IRS regulations. The returns for the years ending 2018 and subsequent are subject to examination by the IRS, generally three years after filing. For DOL purposes, the returns are subject to review for six years after filing.

NOTE 11 – RECONCILIATION OF THE FINANCIAL STATEMENT TO FORM 5500

Net assets available for benefits per the financial statements and per Schedule H of the Form 5500, are \$2,687,467 at December 31, 2021 and \$2,535,265 at December 31, 2020. Total increase in net assets available for benefits was \$152,202 for 2021 and \$343,289 for 2020 on both the financial statements and on Schedule H.

NOTE 12 – CONTINGENCY

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (“COVID-19”) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among other, allowed certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

To date the Plan has not experienced significant impact. Virus relief withdrawals in 2020 totaled approximately \$15,500.
