The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of T & G Industries, Inc. 401(K) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank of similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding the assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of T & G Industries, Inc. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibility of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of T & G Industries, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of Internal Control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of T & G Industries, Inc. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about T & G Industries, Inc. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule(s) Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes (on Page 12) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule(s) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule(s), we evaluated whether the supplemental schedule(s), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule(s), other than the information in the supplemental schedule(s) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule(s) related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of T & G Industries, Inc. 401(K) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

T & G INDUSTRIES, INC. 401 (K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the T & G Industries, Inc. (the "Organization") 401(K) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. GENERAL AND ELIGIBILITY: The Plan was established effective as of August 1, 1996 and operates as a defined contribution plan. It is designed to comply with section 401(K) and other regulations under the Internal Revenue Code and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's Trustee is responsible for all investment transactions. All employees, twenty-one years and older, are eligible to participate in the Plan after 2 months of service.

B. CONTRIBUTIONS: Participants may contribute annual compensation up to a limit of \$19,500 for 2021 and 2020, (with additional catch-up limits of \$6,500 for 2021 and \$6,000 for 2020, for participants age 50 and over). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate at 2% of eligible compensation. Contributions are automatically invested in a designated target date retirement fund until changed by the participant. Employer elective contributions to participant accounts are based upon 2% of employee's compensation for the years ended December 31, 2021 and 2020. The Employer Plan sponsor did make a \$215,461 for December 31, 2021 and a \$231,687 contribution for year ended December 31, 2020.

C. PARTICIPANT ACCOUNTS: Each participant's account is credited with the participant's contribution and the earnings and losses applicable to the funds in which such accounts are invested.

D. VESTING: Participants are immediately vested in their voluntary contributions plus actual earnings (or losses) thereon. Participants become vested in employer matching contributions subject to the following vesting schedule:

<u>Years of service</u>	<u>Vesting percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

E. PARTICIPANT NOTES RECEIVABLE: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount which cannot exceed \$50,000 or the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. Participants are limited to one outstanding loan at any one time. The loans are secured by the balance in the participant's account and bear interest calculated on the basis of the prime rate plus 1%. Interest rates ranged from 4.25% to 6.25% on all notes. Principal and interest is paid ratably on a per-payroll basis.

F. INVESTMENT OPTION: Upon enrollment in the Plan, a participant may direct employee contributions in any of the various mutual funds and guaranteed investment contracts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN (continued)

G. PAYMENT OF BENEFITS: No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), becomes disabled or otherwise terminates employment with the Company. A participant must begin to receive his or her benefits upon the participant attaining normal retirement age or terminating employment, whichever is later. A participant may elect to defer distributions until the April 1 following the calendar year in which he or she reaches age 72 or, if later, terminate employment. A participant who is a 5% owner must begin to receive benefits no later than the first day of April following the calendar year in which he or she attains age 72.

H. FORFEITED ACCOUNTS: The Organization may reduce employer contributions by forfeitures occurring during the Plan year that are not used to pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$44,800 and \$17,226, respectively.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The financial statements of the Plan are prepared in accordance with US generally accepted accounting principles (GAAP).

PARTICIPANS NOTES RECEIVABLE – Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent loans are reclassified to distributions based on the Plan provisions noted in the Plan document.

INVESTMENT VALUATION – The Plan's investments are in a variety of mutual and money market funds. All investments held by the Plan represent participant-directed accounts. Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

USE OF ESTIMATES – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

PAYMENT OF BENEFITS - Benefits are recorded when paid.

DATE OF MANAGEMENT'S REVIEW - Management has evaluated subsequent events through October 13, 2022, the date on which the financial statements were available to be issued. As a result of the COVID-19 pandemic, economic uncertainties have arisen which could negatively impact the Plan. The extent of the impact on the Plan's financial performance depends on the duration of the pandemic.

and its effect on the Plan's investments and its participants, all of which are uncertain and cannot be predicted.

NOTE 3- FAIR VALUE MEASUREMENTS

Generally accepted accounting principles in the United States of America established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. ASC 820-10 clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value and requires additional disclosures about the use of fair value measurements.

The three levels of the fair value hierarchy under ASC 820-10 are as follows:

- Level 1 - quoted prices in active markets for identical securities.
- Level 2 - other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).
- Level 3 - significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Shares held in mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the quoted market prices of the underlying shares owned by the fund, minus its liabilities, then divided by the number of shares outstanding.

Common/collective trust: The fair value of participation units held in the Reliance Trust Stable Value Fund (MetLife Series 25157, Class 0), a common/collective trust (CCT) is based on net asset value, as reported by the manager of the collective trust fund, Reliance Trust Company, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date.

The CCT invests in the MetLife Group Annuity Contracts 25157, which consist of separately managed investment portfolios in fixed income securities, and also enters into wrapper contracts, which are issued by third-parties and are designed to allow the Fund to maintain a constant net asset value. The CCT provides for daily redemptions by the Plan at reported net asset value, with no advance notice requirements.

The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying investment.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Changes in Fair Value Levels: The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total assets available for benefits. For the years ended December 31, 2020 and 2019, there were no transfers in or out of levels 1, 2 or 3.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

Participants' contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Fees for the trustee and investment advisor are paid directly by the Plan and most administrative expenses are paid by the employer-sponsor.

NOTE 5 – EXCESS CONTRIBUTIONS

There were no excess contributions for the year ended December 31, 2021 and 2020

T & G INDUSTRIES, INC. 401 (K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the Administrator shall direct the Trustee to pay all liabilities and expenses of the trust fund.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company, that the Plan and related trust are designed in accordance with applicable rules and regulations of the Internal Revenue Code. As qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan's Administrator is not aware of any actions or series of events that have occurred that might adversely affect the Plan's qualified status. Plan years 2018 through 2021 remain subject to examination by taxing authorities.

NOTE 8 – UNAUDITED INFORMATION CERTIFIED BY THE TRUSTEE

The December 31, 2021 and December 31, 2020 Statements of Net Assets Available for Benefits and the investment activities included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The trustee certified the investment's valuation and income and expenses.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 10 - COVID-19

The Current global outbreak of the novel strain of corona virus, Covid-19 has resulted in market closures and dislocations, extreme volatility, and liquidity constraints. Efforts to contain the spread of COVID-19 have resulted in global travel restrictions and disruptions of healthcare systems, business operations and supply chains, layoffs, reduced consumer demand and other significant economic impacts. The effects of COVID-19 have impacted global economic activity across many industries and may heighten other pre-existing political, social and economic risks, locally or globally. While some vaccines have been developed and approved for use by various governments, the political, social, economic, market and financial risks of COVID-19 could persist for years to come. The full impact of the COVID-19 pandemic is unpredictable and may adversely affect the performance, net asset value, income and or operating results of the 401(K) plan.
