INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
McHale Landscape Design 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of McHale Landscape Design 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator and Participants of
McHale Landscape Design 401(k) Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator and Participants of
McHale Landscape Design 401(k) Plan

Auditor's Responsibilities for the Audit of the 2021 Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Participants of
McHale Landscape Design 401(k) Plan

2021 Supplemental Schedule Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 26, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MCHALE LANDSCAPE DESIGN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan, established on January 1, 2004, is a defined contribution plan covering all employees of McHale Landscape Design, Inc. (Company). The Plan is subject to the provisions of ERISA.

Effective April 12, 2021, the Plan adopted the Capital Group Retirement Plan Services (CGRPS) pre-approved prototype plan document, which was amended and restated effective June 30, 2020 in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). There were no significant changes to plan provisions as a result of this amendment and restatement.

Eligibility - Employees are eligible to participate in the Plan once they have completed 3 months of service, as defined by the Plan, and are age twenty-one or older. Employees may enter the Plan on the first day of the month following or coinciding with the date they attain the eligibility requirements. Employees must be employed by the Company on the last day of the plan year in order to share in the allocation of the discretionary nonelective contribution, except in the event of death, attainment of normal retirement age while actively employed, or incurrence of a total and permanent disability.

Contributions - Each year, participants may elect to contribute up to 100% of their compensation, as defined by the Plan, up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax deferral contributions or after-tax Roth contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides the following contributions to the Plan:

A safe harbor matching contribution, on a pay period basis, equal to 100% of each participant's deferrals (including catch-up), up to 3% of eligible compensation, plus 50% of each participant's deferrals in excess of 3%, but not in excess of 5%, of eligible compensation. For 2021, the Company's safe harbor matching contribution totaled \$249,534.

An additional discretionary matching contribution, on a pay period basis, as determined by the Company. The additional discretionary matching contribution will not apply to deferrals exceeding 6% of each participant's compensation. No additional discretionary matching contribution was made for 2021.

A discretionary nonelective contribution, as determined by the Company. The discretionary nonelective contribution will be allocated pro rata as a uniform percentage of participant compensation. No discretionary nonelective contribution was made for 2021.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MCHALE LANDSCAPE DESIGN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Investment Options - Participants may direct the investment of their contributions and any Company contributions into various registered investment companies (mutual funds) and a money market fund offered by the Plan. For those participants who do not make an investment selection, their contributions and the related Company contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in all contributions plus earnings thereon.

Payment of Benefits - Benefit payments may be in the form of lump sums and are payable upon termination of employment, death, disability or retirement at age 65. Ad-hoc distributions payments are permitted for required minimum distributions. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Hardship withdrawals, in-service withdrawals at age 59 ½, and in-service withdrawals due to incurring a disability are also permitted, subject to provisions defined in the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Loans – The Plan does not allow for participant loans.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment, as they are paid through revenue sharing. Fees related to the administration of participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2021 and 2020.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Money Market Fund: Valued at \$1 per share.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2021 and 2020, the Plan's assets at fair value are invested in registered investment companies and a money market fund and are classified as Level 1 within the fair value hierarchy.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION - CONTINUED

Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividend income and other income for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company (CB&T), a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed CGRPS, by a letter dated June 30, 2020, that the prototype plan adopted by the Plan effective April 12, 2021 is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed American Fund Distributions, Inc., by a letter dated March 31, 2014, that the prototype plan adopted by the Plan through April 11, 2021 was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since it received the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments consist of registered investment companies and a money market fund managed by American Funds. American Funds is a related party of CGRPS, the recordkeeper of the Plan, and CB&T, the trustee of the Plan, and therefore, these transactions qualify as party in interest transactions.

CGRPS provides recordkeeping and administrative services to the Plan pursuant to the PlanPremier-Bundled Recordkeeping and Administrative Services Agreement (the Agreement) between the Company and CGRPS. Per to the Agreement, certain investment options held by the Plan make comparable 12b-1, subtransfer agency and other similar payments (collective "Fund Revenue") to CGRPS pursuant to subtransfer agency arrangements, selling group agreements and fund distribution agreements. CGRPS applies the Fund Revenue to its recordkeeping and administrative service fees as outlined in the Agreement. If Fund Revenue remains after being applied to CGRPS' recordkeeping and administrative service fees, such excess will be paid to the Plan. The Company may direct CRPGS to use the excess Fund Revenue to pay plan expenses or to allocate such amounts to participants. For the year ended December 31, 2021, excess Fund Revenue totaled \$10,783 and is classified as other income on the Statement of Changes in Net Assets Available for Benefits.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS - CONTINUED

Pursuant to the Agreement, CRPGS is authorized to earn float income on prepayments for plan services, if applicable. Such prepayments may include amounts recaptured from plan investment options and payable to the Plan or a plan service provider. CB&T is authorized to earn bank credits and float income on plan assets. The Plan or Company may make payments to CGRPS for administrative expenses not covered by revenue sharing. In addition, participants pay transactional fees relative to distributions. Transactional fees paid by the Plan to CGRPS amounted to \$250 for the year ended December 31, 2021.

CB&T provides certain trust services to the Plan pursuant to the Trust Agreement between the Company and CB&T. In accordance with the Trust Agreement, if not paid for by the Company, the Plan is responsible for all reasonable costs, charges and expenses the Trustee incurs in connection with its duties for the Plan. For 2021, no payments were made by the Plan to CB&T for services related to the Trust Agreement.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2021 and 2020, 25% and 23%, respectively, of net assets available for benefits is invested in the American Funds Target Date Retirement Funds; however, by their nature, the American Funds Target Date Retirement Funds are a diversified mix of equities and fixed income that rebalance over time.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan was amended to change the basis of the safe harbor matching contribution calculation from a pay period basis to an annual basis.
