INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
MISSION LANDSCAPE 401(k) PLAN
Irvine, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Mission Landscape 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mission Landscape 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mission Landscape 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mission Landscape 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mission Landscape 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mission Landscape 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mission Landscape 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MISSION LANDSCAPE 401(k) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 1 – Plan Description and Basis of Presentation

The following description of the Mission Landscape 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility and Coverage – The Plan was established on January 1, 2018. The Plan is defined as a 401(k) profit sharing plan covering all eligible employees of Mission Landscape Services, Inc. (the "Plan Sponsor") who have completed one year of service, and are age twenty-one or older. Participants, once eligible, may begin deferring a portion of their compensation into the Plan on the first day of each calendar month of the plan year, coincident with or next following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 401(a) of the Internal Revenue Code ("IRC").

Contributions – *Participants* – Participants can contribute up to 100% of their salaries. In 2021, not more than $19,500 may be contributed. Participants ages 50 or older may elect to defer additional amounts (called "catch-up" contributions) to the Plan. The maximum "catch-up" contributions that could be made for 2021 was $6,500. The additional amount can be deferred regardless of any other limitations on the amounts that can be deferred to the Plan. Participants also have the option to make elective after-tax contributions to a Roth 401(k). Total Roth contributions for the year ended December 31, 2021 were $16,369. In addition, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer – The Plan Sponsor matches 25% of employee contributions up to 6% of an employee's salary. Contributions are subject to certain Internal Revenue Service limitations. During the year ended December 31, 2021, the Company's contributions, including contributions to the Roth 401(k), totaled $34,325. The Plan Sponsor may also make a discretionary profit sharing contribution. Employees receive a pro rata allocation based upon the employee's compensation. During the year ended December 31, 2021, the Plan Sponsor did not make a discretionary contribution.

All contributions made on a participant's behalf are deposited in the trust and allocated among the investment funds in accordance with the participant's investment elections. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

Participant Accounts – Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's contributions and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions and related investment activity thereon. Participants vest in plan sponsor contributions in annual ratable installments of 20% after the second year of service. Participants are fully vested upon attaining normal retirement age of 65.

Note 1 – Plan Description and Basis of Presentation (Continued)

Forfeitures – If a participant terminates prior to vesting 100% in the employer contributions, the forfeited balance will be used to reduce administrative expenses and future employer contributions. In 2021, administrative expenses were reduced from forfeited non-vested accounts by $60. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $0 and $60, respectively.

Payment of Benefits – The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are disabled or are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. Participants who separate from service and have vested account balances of $5,000 or less are subject to an administrative lump sum distribution.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are stated at fair value as determined by Principal Life Insurance Company and Principal Trust Company. Mutual funds are valued based on the quoted market prices on the last business day of the plan year. The carrying value of interest bearing money market accounts equal their fair value. Increases or decreases in fair value are recognized currently. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments sold as well as investments held during the year.

Payment of Benefits – Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies (Continued)

Risk and Uncertainties – The Plan provides for various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these securities and the level of uncertainty related to changes in value, it is at least reasonably possible that changes in the various risk factors in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Note 3 – Information Certified by the Trustee

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends, for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company (the trustee of the Plan).

Note 4 – Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The accounting standards regarding fair value measurements define fair value, establish a framework for measuring fair value, and provide for enhanced disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 Valuation is based upon quoted prices in active markets for identical securities.

Level 2 Valuation is based upon other observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).

Level 3 Valuation is based upon unobservable inputs significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Note 4 – Fair Value Measurements (Continued)

Mutual Funds - These are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts - Valued at the NAV which is based on the market value of its underlying investments. The Plan offers funds that are common collective trusts. These funds are collective investment trusts that contain synthetic investment contracts comprised of both underlying investment and contractual components which have observable Level 1 or Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. NAV is used as an estimate of fair value, as the reporting entity has the ability to redeem its investment at NAV as of the measurement date as collective investment trusts can be redeemed on a daily basis. NAV is a readily determinable fair value and is the basis for current transactions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels established in current accounting standards.

	Assets at Fair Value as of December 31, 2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 1,558,934	$ -	$ -	$ 1,558,934
Total assets in the fair value hierarchy	$ 1,558,934	$ -	$ -	1,558,934
Investment measured at NAV* (Collective Investment Trusts)**				77,249
Investments at fair value				$ 1,636,183

Note 4 – Fair Value Measurements (Continued)

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,198,325	$ -	$ -	$ 1,198,325
Total assets in the fair value hierarchy	$ 1,198,325	$ -	$ -	1,198,325
Investment measured at NAV* (Collective Investment Trusts)**				130,191
Investments at fair value				$ 1,328,516

*In accordance with (ASC) 820, Subtopic 820-10, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

**Plan participant redemptions are permitted daily, provided that the Plan complies with a required twelve month notice provision.

Note 5 – Related Party Transactions

Certain Plan investments are managed by Principal Life Insurance Company and Principal Trust Company. Principal Life Insurance Company and Principal Trust Company are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment. Fees paid by the Plan to the trustee for administrative expenses and other related fees related to the Plan's operations totaled $17,592 for the year ended December 31, 2021.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants' rights to their accrued benefits are not subject to forfeiture.

Note 7 – Income Tax Status

The Plan is a prototype profit sharing plan. The Plan obtained its latest opinion letter from the Internal Revenue Service dated June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits according to the financial statements compared to Schedule H of Form 5500 at December 31:

	2021	2020
Net assets available for benefits per the financial statements	$ 1,636,183	$ 1,325,503
Plus: Excess contributions payable	-	3,013
Net assets available for benefits per Form 5500	$ 1,636,183	$ 1,328,516

The following is a reconciliation of deductions according to the financial statements compared to Schedule H of Form 5500 at December 31, 2021:

Benefit payments per the financial statements	$ 113,141
Plus: Corrective distributions	3,013
Benefit payments per Form 5500	$ 116,154

Note 9 – Subsequent Events

Management has evaluated subsequent events through October 11, 2022, the date which the financial statements were available to be issued. Management's evaluation of subsequent events has determined that there were no events that require additional disclosures.
