Management, having determined it is permissible in the circumstances, has elected to have the audit of EGR, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EGR, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EGR, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

EGR, Inc. 401(k) Profit Sharing Plan
Page Three

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EGR, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EGR, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EGR, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN

The following brief description of the EGR, Inc. 401(k) Profit Sharing Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established on August 1, 1999, covering substantially all employees of EGR, Inc. (the "Company") who have reached the age of eighteen and have completed twelve consecutive months of service with the Company. The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The CARES Act provided immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. Certain provisions of the Act were adopted by the Plan and are included in the notes below.

Contributions

Each year, participants may contribute up to 100% of their compensation on a pre-tax basis, subject to the limits of the IRC. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. The Company will make a fully vested safe harbor non-elective contribution equal to 5% of each employees' eligible compensation. This contribution is intended to satisfy a safe harbor contribution formula permitted by IRS regulations. By making the safe harbor matching contribution, the Plan will automatically satisfy the nondiscrimination requirements that otherwise would apply to 401(k) contributions made to the Plan. Participants direct the investment of their employer non-elective contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company non-elective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are immediately vested in their contributions and employer contributions, including actual investment earnings thereon.

EGR, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Participants, or their beneficiaries, may receive the vested interest of their Plan account through a distribution of benefits upon death, disability, termination of employment, retirement, or a qualifying withdrawal. Hardship withdrawals from the participants' elective deferral account balance are permitted by the Plan. A participant may request an in-service withdrawal equal to the vested interest in their account if the participant has attained age 59 ½. Benefit payments may be made in the form of a single lump sum or installments. Distributions less than \$5,000 are required to be rolled into an individual retirement account unless the participant elects otherwise. Participants with account balances greater than \$5,000 may defer payment.

For the year ended December 31, 2020, the Plan elected to implement certain provisions of the CARES Act which include, among other things, special distributions of up to \$100,000 for participants affected by COVID-19 and temporary suspension of required minimum distributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by an outstanding balance or by the highest outstanding balance in the past twelve months, or 50% of their account balance. Loan repayment periods may not exceed sixty months except for loans used to acquire a principal residence, in which case the repayment period may not exceed fifteen years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

In March 2020, the U.S. government passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act in response to the negative impact on the U.S. economy caused by the coronavirus disease 2019 ("COVID-19") pandemic. The CARES Act included certain provisions affecting employee benefit plans. The Plan was impacted by certain provisions, including provisions that allowed participants to suspend payments on their loans through December 31, 2020, without causing the loan to become delinquent and go into default.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant account, as defined, represents a forfeiture. Forfeitures may be used to reduce future employer contributions or to pay Plan administrative expenses. No forfeitures were used to reduce employer contributions or to pay Plan administrative expenses during 2021 or 2020. The balance of forfeited non-vested accounts as of December 31, 2021 and 2020 was \$5,550 and \$1,724, respectively.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

EGR, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses include amounts paid by the Plan for recordkeeping services, third party administration services and investment advisory services. Administrative expenses are allocated to participant accounts based on a pro rata formula. Fees related to the administration of benefit payments and loans are charged directly to the participant's account and are included in administrative expenses. To the extent expenses of administering the Plan are not paid by the Plan, the expenses are paid by the Company, and therefore, are not included in the accompanying financial statements.

NOTES TO THE FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS

The *Fair Value Measurements* topic of the Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Pooled separate accounts: Valued at the NAV of units of the pooled separate account. The NAV is based on the fair value of the underlying investments held by the account less its liabilities. Participant transactions (purchases and sales) may occur daily.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	<u>Total</u>
<u>December 31, 2021</u>	
Investments measured at net asset value*:	
Pooled separate accounts	\$ 1,521,545
Investments at fair value	<u>\$ 1,521,545</u>

<u>December 31, 2020</u>	
Investments measured at net asset value*:	
Pooled separate accounts	\$ 1,276,146
Investments at fair value	<u>\$ 1,276,146</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES OF THE PLAN

Plan assets are held by the trustees, Great-West Trust Company and Great-West Life & Annuity Insurance Company, in a general asset fund. All securities' values, appreciation, gains, and losses are certified by Great-West Trust Company and Great-West Life & Annuity Insurance Company. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

	<u>December 31,</u>	
	<u>2021</u>	<u>2020</u>
Fully benefit-responsive investment contract	<u>\$ 437,138</u>	<u>\$ 336,226</u>

Net appreciation in fair value of investments	<u>\$ 182,946</u>	<u>\$ 152,424</u>
Investment interest income	<u>\$ 3,425</u>	<u>\$ 3,502</u>

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

EGR, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE F - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit responsive group annuity contract with an insurance company, which is called the Guaranteed Portfolio Fund. Great-West Life & Annuity Insurance Company maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The insurance company maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented at contract value on the face of the statement of net assets available for benefits. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. The average interest rate earned by the Plan for the years ended December 31, 2021 and 2020 was .90% and 1.04%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the plan's prohibition on competing investment options; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations; (4) the failure of the Plan to qualify under 401(a) of the IRC or the failure of the trust to be tax exempt under Section 501(a) of the IRC; or (5) premature termination of the contract. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issue to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

EGR, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE G - RELATED PARTY TRANSACTIONS

Certain Plan investments are investments managed by Great-West Trust Company and Great-West Life & Annuity Insurance Company, the trustees of the Plan. Certain administration costs paid to the trustees are considered party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - INTERNAL REVENUE SERVICE STATUS

The Company has adopted a prototype non-standardized 401(k) profit sharing plan. The IRS has opined and informed by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The ongoing COVID-19 pandemic and the associated governmental responses have led to volatility in financial markets and could continue to affect the market price of the Plan assets. The extent and duration of the global pandemic's impact on the financial markets is highly uncertain and the short and long-term financial impact to the Plan cannot be reasonably estimated at this time.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain amounts included on the Schedule H Part I and II on the Annual Return/Report of Employee Benefit Plans (Form 5500) have been grouped differently for purposes of presentation in the financial statements.

There were no reconciling items between the financial statements and the Form 5500 as of December 31, 2021 and 2020.

NOTE K - SUBSEQUENT EVENTS
