INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Sigler Companies, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Sigler Companies, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2020 Financial Statements

The financial statements of the Plan as of December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by a qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SIGLER COMPANIES, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following brief description of the Sigler Companies, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement ("Agreement") for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Sigler Companies, Inc. (the "Company" and the "Plan Administrator"). Employees are eligible to make salary deferral contributions to the Plan on their first day of employment. Employees become eligible to receive employer contributions on the first day of the month after completing one year of service as defined by the Agreement and having reached 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the applicable current Internal Revenue Code ("IRC") provisions.

Contributions

Each year, participants may contribute up to 100% of compensation, as defined by the Plan, subject to Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the Plan year, are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make a discretionary matching contributions as determined by the Company. For the years ended December 31, 2021 and 2020, the Company elected to make discretionary matching contributions equal to 100% of employee elective deferrals up to 1% of eligible compensation. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, and the Company's discretionary matching contributions, Plan earnings (losses), and an allocation of administrative expenses. Allocations are based on participant earnings account balances or specific participant transactions as defined in the Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus any earnings (losses) thereon. Vesting in the Company's discretionary matching contributions and Plan earnings (losses), thereon, is based on years of continuous service. A participant is 20% vested after two years of service, as defined, and continues to vest 20% each consecutive year until 100% vested after six years of service.

SIGLER COMPANIES, INC. 401(K) PLAN

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the prior twelve-month period ending on the day before the loan is made, or 50% of their vested account balance reduced by any outstanding loan balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan account. Loan terms may vary based on the reason for the loan. The loans are secured by the participant's account and bear a reasonable rate of interest based on prevailing interest rates, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Loans outstanding at December 31, 2021 bear interest at rates ranging from 4.25% and 6.50% and are due through October 2026.

Payment of Benefits

On termination of service, death, disability, or election to receive benefits upon reaching retirement age, participants with vested balances greater than \$5,000 may elect to receive a lump sum amount equal to the value of his or her account or may choose from optional forms of payment available under the Plan. Participants with a vested balance of \$5,000 or less will receive a lump sum distribution.

Forfeitures

Forfeitures of non-vested accounts may be used to pay Plan administrative expenses or to reduce employer contributions to the Plan. During the years ended December 31, 2021 and 2020, \$14 and \$1,709, respectively, of forfeitures were used to reduce employer contributions and \$1,370 and \$521, respectively, of forfeitures were used to pay Plan administrative expenses. As of December 31, 2021 and 2020, the Plan had \$571 and \$497 of forfeited non-vested account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SIGLER COMPANIES, INC. 401(K) PLAN

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and Principal Life Insurance Company ("Principal"). See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid. Benefit payments for the years ended December 31, 2021 and 2020 included payments of approximately \$6,690 and \$4,356, respectively, to certain active participants to return to them excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

Administrative Expenses

Certain administrative functions are performed by the Company, which are not reflected in these financial statements. Certain other administrative expenses are paid directly by the Plan.

Reclassifications

Certain amounts in the December 31, 2020 financial statements have been reclassified to conform to the current year presentations.

3. Information Certified by Principal

The following is a summary of the investment information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared or derived from information provided by Principal (the "Trustee" and "Custodian" of the Plan) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee, relating to the following investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule relating to the following investments.

	December 31,	
	2021	2020
Investments, at fair value:		
Collective investment trusts	\$ 2,897,201	\$ 2,543,582
Pooled separate accounts	2,162,580	1,617,020
Participant directed brokerage account	395,443	-
Guaranteed interest contracts	-	6,074
Mutual funds	<u>4,622,040</u>	<u>4,190,067</u>
	<u>\$ 10,077,264</u>	<u>\$ 8,356,743</u>
Net appreciation in fair value of investments	\$ 1,293,429	\$ 1,073,923
Dividends	63,288	59,993
Other income	<u>25,433</u>	<u>4,296</u>
	<u>\$ 1,382,150</u>	<u>\$ 1,138,212</u>

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification 820, *Fair Value Measurements*, establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

SIGLER COMPANIES, INC. 401(K) PLAN

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds*: Valued based on quoted prices of identical assets in active markets.
- *Participant directed brokerage account*: Valued based on quoted prices of identical assets in active markets.
- *Collective investment trusts*: Valued at the net asset value ("NAV") of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.
- *Pooled separate accounts*: The fair values of units held in pooled separate accounts are valued based on quoted redemption values, also known as NAVs, determined by using available market information and appropriate valuation methods, as provided by the custodian and represent the value at which the Plan (or the participant) could initiate a transaction with the custodian. There are no imposed redemption restrictions on participants, except for certain short-term trading restrictions, which prohibit participants from reinvesting into the same account within 30 days. There are no limitations on redemptions.
- *Guaranteed interest contracts*: Guaranteed interest contracts are valued at fair value by Principal by using the discontinuance value, which is the value Plan participants will receive if they transfer or surrender their funds out of the guaranteed interest contracts. This can be in the form of account value less either a market value adjustment which moves with market interest rates or a flat discontinuance charge. In determining the reasonableness of the methodology, the Plan trustees evaluate a variety of factors including review of existing contracts, economic conditions, industry developments, and overall credit ratings. Certain unobservable inputs are assessed through review of the contract terms while others are substantiated utilizing available market data. The guaranteed interest contracts held by the Plan are deemed to not be actively traded and are shown as Level 3.

5. Income Tax Status

The Plan has adopted a non-standardized form of a prototype plan sponsored by Principal. The prototype plan has received an opinion letter dated December 31, 2018 from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this plan. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that "more-likely-than-not" would not be sustained upon examination by the IRS. Plan management has not identified any uncertain tax positions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Party-In-Interest Transactions

At December 31, 2021, certain Plan investments are shares of pooled separate accounts and collective investment trusts managed by Principal. Principal is the record keeper and administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, a participant who acquires a participant loan is a party-in-interest. However, these transactions are exempt from the prohibited transaction rules of ERISA.

9. Subsequent Events

The Plan's management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.
