The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **CALVETTI FERGUSON 401(K) PROFIT SHARING PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2021 AND 2020**

### **1. PLAN DESCRIPTION**

The following description of the Calvetti Ferguson 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering all eligible employees of Calvetti Ferguson, LLC (the “Company”). The Company is affiliated with other employers who elected to participate in the Plan. The Plan was established on January 1, 2005 and amended and reinstated on August 10, 2021 to bring the Plan into compliance with regulatory requirements. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended, and Internal Revenue Code (Code).

#### **Plan Administration**

The Company is the Plan Sponsor. The Plan Sponsor appoints the Plan’s Board of Trustees and Plan Administrator to provide oversight of the Plan. The Plan has an Investment Committee that selects Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees. Great-West Life and Annuity Insurance Company (Great-West) is the Plan’s Recordkeeper, custodian and Third-Party Administrator.

#### **Eligibility**

All employees of the Company and those of the participating affiliated employers, except employees working under the terms of a collective bargaining agreement, non-resident aliens with no earned income from sources within the United States and interns, are eligible to join the Plan once they attain the age of 21 and have reached the Plan’s entry date. An eligible employee’s entry date is immediate upon satisfaction of eligibility requirements.

#### **Contributions**

Participants may contribute, through regular payroll deductions, up to 90% of their eligible annual compensation, as defined by the Plan, on a tax-deferred basis or a Roth after-tax basis, subject to a maximum amount of \$19,500 or \$26,000, if 50 years and older. Participants may contribute qualified rollover distributions from other qualified plans. Participant contributions are invested at the participant’s direction into various investment options offered by the Plan. Participants are fully vested in these contributions.

The Company makes safe harbor matching contributions equal to 100% of a participant’s contributions up to the first 3% of the participant’s eligible compensation, plus 50% of the next 2% of a participant’s eligible compensation, with the Company’s total safe harbor matching contribution not exceeding 4% of a participant’s eligible compensation. Safe harbor matching Contributions are fully and immediately vested to the benefit of the participant and are funded into the Plan at the same time as participant contributions. The Company may make a

**DECEMBER 31, 2021 AND 2020**

discretionary non-elective contribution of up to 4% of a participant's eligible compensation in a Plan Year. Participants are fully vested in their account balances from discretionary matching contributions. The Company may also make discretionary profit-sharing contributions for participants who are employed on the last day of the Plan Year and have completed at least 1,000 service hours during the Plan Year. The Company's contributions are invested at the participant's direction into the various investment options offered by the Plan. Discretionary profit-sharing contributions are subject to the Plan's vesting schedule. The Company did not make discretionary matching contributions and discretionary profit-sharing contributions for the 2021 Plan Year.

#### **Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and the Company's contributions. These contributions are allocated to investments within each participant's account based upon participant-directed percentages. Participant accounts are credited or charged with allocations of investment earnings or losses. Participant accounts are charged with an allocation of plan expenses that are paid by the Plan. Allocations are based on participant account balances or specific participant transactions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are fully and immediately vested in their voluntary contributions and in the Company's safe harbor and discretionary matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions and actual earnings thereon is based on years of continuous service, as defined by the Plan, gradually over six (6) years. However, participants become fully vested in their account balances from discretionary profit-sharing contributions if they are employed on or after the normal retirement age of 65 or at the time of death or disability.

#### **Investment Options**

The Plan has provided for contributions to be invested in a variety of mutual fund investment options. Plan investments are participant-directed. Available investment options may change from time to time with notice provided to participants.

#### **Distributions**

Participants who are still working at age 59-1/2 and over may withdraw some or all of their fully vested tax-deferred account balances at any time. Participants may only withdraw from their fully vested Roth 401(k) accounts when they have completed a 5-year participation period as defined in the Plan. Participants younger than 59-1/2 years old may withdraw from their salary deferral account balances, excluding earnings thereon, to meet financial hardships as allowed by the Plan. On termination of service due to retirement, severance of employment, death or permanent disability, participants or their beneficiaries with vested account balances of more than

\$5,000 may elect to either have the distributions of their vested account balances paid in a lump sum or in partial withdrawals over a fixed period of time or rolled over into an IRA or other qualified plans or postponed to a later date and remain in the Plan as permitted under the Plan. Terminated participants with vested account balances of \$5,000 or less can only receive payments of their account balances in one lump sum.

#### **Notes Receivable from Participants**

Participants may borrow up to a maximum of the lower of (a) 50 percent of their vested account balances and (b) \$50,000 less the highest outstanding loan balance during the preceding twelve months. The minimum loan amount is \$1,000. Participants can have up to two (2) loans outstanding at any one time. Loan maturities may not exceed five (5) years except for loans used for the purchase of a principal residence, which are required to be repaid within twenty (20) years. Loans are secured by the balance in the participant's account. Interest rates are fixed at 2% above the prime rate, as defined. Principal and interests are paid through payroll deductions. Participant loans are presented as notes receivable from participants in the statements of net assets available for plan benefits. The Plan Administrator may declare a default if the participant fails to pay any regular installment of principal and interest when due and such failure continues until the last day of the calendar quarter following the quarter in which the failure first occurred.

A loan that is in default may be considered a deemed distribution from the Plan. Notes receivable from participants totaling \$150,493 at December 31, 2021 carried interest rates ranging from 5.25% to 7.5% and are expected to mature between September 27, 2022 and March 24, 2041. Notes receivable from participants totaling \$132,231 at December 31, 2020 carried interest rates ranging from 5.25% to 7.5% and are expected to mature between January 27, 2021 and July 18, 2032. Loans outstanding when a participant terminates employment are considered distributions if not repaid and are deducted from the participant's account balance prior to distribution. Management believes that notes receivable from participants are collectible and has determined that no allowance for doubtful debts is necessary.

#### **Plan Expenses**

The Plan allows administrative expenses to be paid from Plan's assets, unless otherwise paid by the Company. These expenses are allocated to Plan participants on the basis of their respective account balances in the Plan. Expenses directly attributable to a participant's initiated actions are charged directly to the participant's account. Investment fees and related charges are applied to reduce the net appreciation in the fair value of investments. Only expenses paid by the Plan are reflected in these financial statements.

#### **Plan Termination**

The Plan has no termination date and it is the Company's current intention to continue the Plan indefinitely. However, the Company may terminate, amend, modify or suspend the Plan at any time subject to the provisions of ERISA. In the event of a plan termination, participants would

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2021 AND 2020**

become fully vested in the balance of their accounts and the plan assets would be distributed in accordance with the terms of the Plan.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Valuation of Investments and Income Recognition**

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable, if any, from participants are recorded as distributions based on the terms contained in the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

### **Benefits Payments**

Benefits to participants are recorded when paid.

## CALVETTI FERGUSON 401(K) PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

#### 3. INFORMATION CERTIFIED BY THE CUSTODIAN OF PLAN ASSETS

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 2520.103 8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Plan Administrator has received certification from Great-West that the following data included in the financial statements and supplemental schedule is complete and accurate:

- a) Investments and notes receivable from participants as of December 31, 2021 and 2020 as shown in the statements of net assets available for benefits;
- b) Interest income on notes receivable from participants, interest and dividend income and net appreciation in the fair value of investments for the year ended December 31, 2021, as shown in the statement of changes in net assets available for benefits; and
- c) All information included in the Schedule of Assets (held at end of year) as of December 31, 2021, as shown in the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements and supplemental schedule.

#### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# CALVETTI FERGUSON 401(K) PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

### DECEMBER 31, 2021 AND 2020

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

**Mutual funds:** These are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within level 1 of the fair value measurement hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

#### **5. GROUP ANNUITY CONTRACT WITH GREAT-WEST LIFE & ANNUITY INSURANCE COMPANY**

Approximately \$74,888 of the Plan's assets as of December 31, 2021, was invested in Key Guaranteed Portfolio Fund (KGPF). KGPF is fixed account investment option that is part of the general account of Great-West Life & Annuity Insurance Company (GWL&A). KGPF is offered through a Group Fixed Deferred Annuity Contract (the "Contract") issued by GWL&A, the Contract issuer, on February 19, 2020. Assets in KGPF are measured at contract value and this is the price a participant can buy and sell his share of KGPF's account value. GWL&A is contractually obligated to repay the principal amounts invested in KGPF and a specified interest that is guaranteed to the Plan. Interest crediting rate applied to investments in KGPF is recalculated quarterly and is based on the earnings of the underlying assets in KGPF and the prevailing market conditions at the time of calculation. The minimum interest crediting rate specified in the Contract is 0.05% per annum. The average yield earned by KGPF and the Plan in 2021 was 0.90%. The average yield earned by KGPF and the Plan in 2020 was 1.04% and 1.00%, respectively.

KGPF invests in fixed-income asset classes of financial institutions, private and public companies and state and local governmental units and municipalities that are neither insured by the Federal Deposit Insurance Corporation (FDIC) nor otherwise insured by any other government agency. The ability of the issuers of these asset classes to meet their financial obligations to KGPF, and by extension to the Plan, may be affected by prevailing and future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the Contract issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the Contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the Contract issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the Contract, (3) a material misrepresentation, (4) a material amendment to the Plan agreement without the consent of the Contract issuer. Also, GWL&A may not process transactions in a timely manner and at contract value due to closure or disruptions of financial markets or exchanges.

The Plan is not permitted to offer participants investment options that compete with KGPF without the consent of GWL&A.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2021 AND 2020**

### **6. RISKS AND UNCERTAINTIES**

The Plan's assets are primarily invested in mutual funds. These investments are exposed to various risks, including interest rate risks, market volatility risks and credit risks. The Market values of the underlying investment securities in a mutual fund may change for a number of reasons, including changes in domestic and global socio-political and economic conditions, changes in interest rates, changing fiscal and monetary conditions, increases in defaults and credit rating downgrades, amongst others. Due to the level of risks associated with mutual funds from changes arising from the values of the underlying securities, it is probable that changes that could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits may occur in the near term.

### **7. PLAN'S FEDERAL INCOME TAX STATUS**

The Internal Revenue Service (IRS) has issued an opinion letter dated June 30, 2020 that the Defined Contribution Prototype and Trust sponsored by Great-West Trust Company, LLC qualifies under the provisions of Section 401(a) of the Code. The Company has adopted this prototype plan. The Plan has been amended since receiving the opinion letter. The Plan has not filed individually with the IRS for a letter regarding the Plan's qualified tax status, however, the Company believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Therefore, the Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

### **8. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS**

The Plan invests in a fixed-income investment fund that is managed by Great-West. Great-West, Plan participants and the Company are parties-in-interest as defined by ERISA. The Plan has participant loans outstanding which are secured solely by a portion of the participant's vested account balance in accordance with the Plan Document. In addition, the Company provides certain administrative services to and on behalf of the Plan with no compensation or reimbursement from the Plan. These transactions qualify as party-in-interest transactions, as defined by ERISA, and they are exempt from the "prohibited transaction" rules of ERISA.
