Independent Auditors' Report

Plan Administrator
American Medical Technology 401(k)
Profit Sharing Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of American Medical Technology 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

AMERICAN MEDICAL TECHNOLOGY 401(k)
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the American Medical Technology 401(k) Profit Sharing Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established as of October 1, 1996 covering all eligible employees of Applied Medical Technology, Inc. and Affiliates (the "Company"). Employees become eligible to participate in the Plan immediately upon performance of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is sponsored and administered by the Company.

Contributions – Each year, participants may contribute up to the maximum contributions allowable by law of their eligible compensation. The Plan allows for pre-tax and Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for a discretionary employer matching contribution for each participant, which until February 14, 2020 was to equal 40% of the first 5% of compensation deferred by the participant in 2020. Starting February 14, 2020, the discretionary employer matching contribution for each participant is equal to 100% of the first 3% of compensation deferred by the participant in 2021 and 2020. The Plan also provides for an additional discretionary profit sharing contribution as determined by the Company. No discretionary profit sharing contributions were made for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and the Company matching contributions, as well as allocations of the Company's discretionary contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions plus actual earnings thereon is based on occurrence of certain events or on years of continuous service at a rate of 20% per year after years two through six. A participant is fully vested after six years of credited service.

Payment of Benefits – Upon retirement, termination, disability, or attainment of age 59½, a participant or a participant's beneficiary upon the participant's death may elect to receive a lump-sum amount equal to the value of the participant's vested account. Active participants may make hardship withdrawals of their account balance, subject to Plan provisions.

Forfeitures – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$68,374 and \$7,513, respectively. These accounts will be used to pay certain Plan expenses and any remaining forfeitures will be used to reduce future employer contributions. For the years ended December 31, 2021 and 2020, employer contributions were reduced by \$27,557 and \$46,112, respectively, from forfeited nonvested accounts. For the years ended December 31, 2021 and 2020, expenses were reduced by \$2,782 and \$1,047, respectively, from forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Termination Provisions – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Great-West Life & Annuity Insurance Company ("Great-West"), the Custodian of the Plan. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions – Participant contributions are recorded and credited to each participant's account when received by the Custodian from the Company. Any contributions attributable to the Plan year not received by the trust by the last day of the Plan year are recorded as a receivable.

Payment of Benefits – Benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the affected participant's account and are included in administrative expenses. Indirect investment related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events – The Plan has evaluated subsequent events through October 14, 2022, the date on which the financial statements were available to be issued.

Effective January 1, 2022, the Plan was amended and restated to comply with IRS requirements by adopting a restated prototype plan document. CBIZ Benefits & Insurance Services, the sponsor of the restated prototype plan document, has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the restated prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The adoption of this restated prototype plan document had no significant impact on the provisions or operations of the Plan.

AMERICAN MEDICAL TECHNOLOGY 401(k)
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Reclassifications – Certain reclassification of 2020 amounts have been made to conform to the 2021 presentation.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at December 31, 2021 and 2020, the supplemental schedule at December 31, 2021, the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 2021 and 2020, and the investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for plan assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020:

- The fair value of registered investment companies is determined based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.
- The investment in the common/collective trust is held by Putnam. Valued based on the net asset value ("NAV") of units of the collective trust fund. The NAV as provided by the trustee is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments. Redemptions are allowable daily with no notice.

AMERICAN MEDICAL TECHNOLOGY 401(k)
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 7,852,731</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 7,852,731
Investment measured using NAV as a practical expedient: ^(a)				
Common/collective trust fund				<u>245,907</u>
Investments at fair value				<u>\$ 8,098,638</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 6,521,685</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 6,521,685
Investment measured using NAV as a practical expedient: ^(a)				
Common/collective trust fund				<u>101,990</u>
Investments at fair value				<u>\$ 6,623,675</u>

(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

AMERICAN MEDICAL TECHNOLOGY 401(k)
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Income Tax Status

The prototype on which the Plan is based obtained a determination letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Party-in-Interest Transactions

Great-West is the Custodian and affiliated with the recordkeeper, Empower Retirement ("Empower"), as defined by the Plan and is paid fees from the Plan; therefore, these transactions qualify as party-in-interest transactions.

Empower provides certain administrative services to the Plan pursuant to an Administrative Services Agreement between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower and its affiliates provide to the funds. Revenues received by Empower from such mutual fund service providers are remitted to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses, including amounts owed to Empower or its affiliates, or allocated to the accounts of the participants. For the years ended December 31, 2021 and 2020, amounts remitted to the Plan totaled \$26,196 and \$20,512, respectively, and are included in other income on the accompanying statements of changes in net assets available for benefits. The Plan or the Company may make a payment to Empower and its affiliates for administrative expenses not covered by revenue sharing.
