INDEPENDENT AUDITORS' REPORT

To the Partner Benefits Committee of
Orrick, Herrington & Sutcliffe LLP Retirement Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT OF THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of Orrick, Herrington & Sutcliffe LLP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Orrick, Herrington & Sutcliffe LLP Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orrick, Herrington & Sutcliffe LLP Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Orrick, Herrington & Sutcliffe LLP Retirement Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year)—as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTER – AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

Lindquist LLP, who joined WithumSmith+Brown, PC effective January 1, 2022, was engaged to audit the financial statements of Orrick, Herrington & Sutcliffe LLP Retirement Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed Lindquist LLP not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated September 21, 2021, Lindquist LLP indicated that (a) because of the significance of the information that we did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ORRICK, HERRINGTON & SUTCLIFFE LLP RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan’s assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below:

Mutual funds: The fair value of mutual funds is based on quoted market prices in active markets (Level 1).

Common/collective trusts: The fair value of the units in the common/collective trusts is estimated based on the net asset value per unit of the investments. The underlying asset values of the common/collective trusts may be calculated based on quoted market prices or other observable inputs. The net asset value is being used as a practical expedient to estimate fair value.

Self-directed brokerage accounts: The self-directed brokerage accounts consist of the following security categories:

Common stock and U.S. Treasury notes and strips: The fair value of common stock and U.S. Treasury notes and strips is generally based on quoted market prices in active markets (Level 1).

U.S. Government and Government Agency obligations: The fair value of U.S. Government and Government Agency obligations is determined based on a model that uses discounted cash flows. Inputs may include interest-rate yield curves, cross-currency-basis index spreads or country credit-spreads, which are similar to the valued bond in terms of issuer, maturity and seniority (Level 2).

Corporate bonds: The fair value of corporate obligations is generally based on a model that uses discounted cash flows. Inputs may include interest-rate yield curves, cross-currency-basis index spreads or country credit-spreads, which are similar to the valued bond in terms of issuer, maturity and seniority (Level 2).

Preferred stock: The fair value of preferred stock is determined using a market-based model in which valuation consideration is given to yield or price of comparable securities with similar next-call dates and credit ratings (Level 2).

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Unit investment trusts: The valuation of unit investment trusts is determined based on the net asset value of the fund as reported each valuation date (Level 2).

Municipal bonds: The valuation of municipal bonds is determined based on a model that uses discounted cash flows. Inputs may include interest-rate yield curves, cross-currency-basis index spreads or country credit-spreads, which are similar to the valued bond in terms of issuer, maturity and seniority (Level 2).

Limited partnerships and private equities: Investments in limited partnerships are valued at estimated fair value based upon annual appraisals, as determined by independent brokerage firms. For direct private-equity investments, valuation is initially based on the transaction price, which is a best estimate of fair value at inception, excluding transaction costs. When evidence supports a change to the carrying value from the transaction price, adjustments are made to reflect expected exit values. Ongoing reviews by Plan advisors assess each underlying investment's valuation and consider the effect of financing or sale transactions with third parties, expected cash flows, and market data including comparable transactions and performance multiples, among other factors. These non-public investments are included in Level 3 of the fair value hierarchy.

Cash surrender value of life insurance contracts: Life insurance contracts are valued at cash surrender value, which approximates fair value (Level 2).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Contributions Receivable - Contributions receivable represent salary deferrals; matching contributions from Orrick, Herrington & Sutcliffe LLP (the Firm); and non-elective Firm contributions received by the Plan after year-end that relate to payroll dates prior to the Plan's year-end.

Benefit Payments - Benefits are recorded when paid.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Administrative Expenses - Administrative expenses (net of revenue sharing generated by the Plan's mutual fund investments) are generally paid by the Plan. Participants who elect to invest through an individually directed account are charged certain administrative fees based on the activity in their individual account.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in equity securities, U.S. Government and Government Agency obligations, mutual funds, a money market fund, corporate debt securities, limited partnerships, common/collective trusts and other investment securities. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic. Management continues to evaluate the impact of COVID-19 on the Plan. Impacts of COVID-19 are not fully known at this time, nor can they be projected with any certainty. The impact of this pandemic has been, and will likely continue to be, extensive in many aspects of society, which has resulted in, and will likely continue to result in, significant disruptions to the global economy, as well as business and capital markets around the world. A reasonable estimate of the impact or potential impact of COVID-19 on the Plan as of the date of the financial statements cannot be made.

Reclassification - Certain prior-year amounts have been reclassified to conform to the current-year presentation. These reclassifications had no effect on the reported results of the Plan. A change was made to Note 5 to move assets in the fair value hierarchy from Level 3 to Level 1. This does not affect the Statement of Net Assets for Benefits.

NOTE 2. DESCRIPTION OF THE PLAN

The following brief description of Orrick, Herrington & Sutcliffe LLP Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

General - Orrick, Herrington & Sutcliffe LLP, a California limited partnership, sponsors the Plan and is one of the three employers participating in the Plan. The other participating employers are Orrick, Herrington & Sutcliffe (UK) LLP in the United Kingdom and Orrick, Herrington & Sutcliffe (Europe) LLP in France and Italy, which provide coverage for European partners sited abroad who are U.S. citizens or resident aliens. The Plan is a single-employer defined contribution profit-sharing plan with a 401(k) arrangement, created effective December 31, 2001, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions - Each participant in the Plan (i.e., partner, non-partner attorney or non-attorney staff) who attains 30 days of service is entitled to voluntarily elect to reduce his or her salary or draw payments and to have the Firm contribute such amounts to the Plan as his or her salary or draw payment contributions (deferrals in the Plan document). Employees classified as temporary, limited or contract employees are required to complete one year of service for participation. Each participant may elect pre-tax deferrals and/or Roth after-tax deferrals. Pre-tax deferrals reduce a participant's compensation or earned income for tax purposes and are subject to limits permitted by statute. After-tax deferrals are deducted from a participant's compensation or earned income after taxes are withheld and are also subject to limits permitted by statute. The limit for 2021 and 2020 was \$19,500. If the participant is age 50 or older by the end of the Plan year, they can elect to defer additional amounts, called "catch-up contributions," to the Plan. The limit for 2021 and 2020 was \$6,500.

Rollover contributions from other qualified plans are allowed by the Plan. Rollover contributions are transferred immediately to the investment option(s) selected by the participant. If the participant has not made investment elections, the rollover contribution is invested in the 40% Equity/60% Fixed Income asset-allocation option.

Employer Contributions - Two types of Firm contributions are available to participants—Firm matching and Firm non-elective. The two types of Firm contributions are described below:

- *Firm Matching* - Each non-attorney staff participant in the Plan is entitled to a Firm match in an amount that equals 50% of the first 1.5% of total compensation deferred. In 2021 and 2020, Firm matching contributions totaled \$640,949 and \$594,075, respectively.

Matching contributions are made on behalf of eligible staff, provided they remain an employee of the Firm on the last business day of the year for which the contribution is made, unless termination is due to death or disability or employment terminates at or after age 60. All participants are 100% vested.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

- *Firm Non-Elective* - The contribution design for partners was simplified effective January 1, 2010. The Firm "discretionary" contribution was discontinued. Instead, the Firm "basic" contribution was increased to the statutory limit and renamed the "non-elective" contribution.

For 2020, the non-elective contribution limit for partners age 40 or older on January 1 with adjusted Firm earnings of \$285,000 (IRS compensation limit) or greater was \$37,500 (the difference between the IRS annual additions limit [\$57,000] and the elective deferral limit [\$19,500]).

For 2021, the non-elective contribution limit for partners age 40 or older on January 1 with adjusted Firm earnings of \$290,000 (IRS compensation limit) or greater was \$38,500 (the difference between the IRS annual additions limit [\$58,000] and the elective deferral limit [\$19,500]).

For 2020, the non-elective contribution limit for partners under age 40 was \$18,750 (the difference between one half of the IRS annual additions limit [\$28,500] and one half of the elective deferral limit [\$9,750]).

For 2021, the non-elective contribution limit for partners under age 40 was \$19,250 (the difference between one half of the IRS annual additions limit [\$29,000] and one half of the elective deferral limit [\$9,750]).

The non-elective contributions earned by individual partners and contributed on behalf of the of-counsel attorneys totaled \$12,185,250 and \$11,868,750 for the years ended December 31, 2021 and 2020, respectively.

The Firm's basic contribution to non-attorney staff was also renamed "non-elective," and the rate for both 2021 and 2020 was 7.5% of eligible pre-tax compensation, up to the IRS compensation limit, resulting in a maximum amount per individual of \$21,750 and \$21,375 for 2021 and 2020, respectively. Non-elective contributions for non-attorney staff totaled \$6,461,123 and \$5,982,447 for the years ended December 31, 2021 and 2020, respectively.

Non-elective contributions are made on behalf of eligible staff and partners, provided they remain an employee or partner of the Firm on the last business day of the year for which the contribution is made, unless termination is due to death or disability or employment terminates at or after age 60. All participants are 100% vested.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Poor investment performance by the various investments or self-directed investments selected by the participants may cause their balances to be lower than the amounts contributed to the Plan on their behalf. Participants may change their investment options at any time.

Participant Accounts - Each participant account is credited with participant contributions and allocations of Plan earnings or losses. If an individually directed account is maintained, participant accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - All participant accounts are fully vested.

Investment Options - All contributions to participant accounts are invested as directed by the participant in one or more of the investment options offered under the Plan. A Plan participant may also establish an individually directed account with Empower. If the participant has not made investment elections, all contributions are invested in the 40% Equity/60% Fixed Income asset allocation option.

Notes Receivable from Participants - Participants may borrow from their accounts under the Plan, up to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the participant's balance. The notes are supported by promissory notes, have fixed terms not exceeding five years (ten years if the note proceeds are used to acquire the participant's principal residence) and bear interest at rates tied to published indices. The rates in effect for December 31, 2021, ranged from 4.25% to 6.50%. Certain notes used to acquire the participant's principal residence are also secured by deeds of trust.

All notes must be paid in full if a participant terminates employment or service with the Firm. If the participant is unable to pay the note in full, their outstanding note balance will be considered a distribution and will be subject to required taxes and penalties.

Payment of Benefits - Participants are entitled to receive the full value of their accounts upon termination of employment or service with the Firm or upon termination of active employment or service with the Firm by reason of disability. Benefit payments may be paid by lump-sum distributions, installment payments or a combination of both. The participant is entitled to select the manner in which benefit payments are received, subject to the terms of the Plan. Distributions of account balances less than \$1,000 are made upon termination of employment.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Account balances between \$1,000 and \$5,000 are automatically rolled over to an Empower Retirement Account or Empower Brokerage Account Individual Retirement Account ("IRA") if the Plan's participant doesn't request a withdrawal within 80 days of the date of the Notice of Benefits Eligibility letter sent by the Trustee upon notification of the Plan participant's termination.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Firm to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved by the Firm. Termination shall not permit any part of the Plan assets to be used for, or diverted to, purposes other than the exclusive benefit of the participants and beneficiaries. In the event of termination, the Firm will direct the Trustee to distribute each participant's account in a single sum, as soon as administratively practicable after the termination of the Plan, irrespective of the present value of the participant's account, and whether or not the participant consents to that distribution.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter, dated November 26, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the IRC). Although the Plan has been amended since receiving the determination letter, the Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2021 and 2020, are as follows:

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

* Accounts consist of investments in numerous industries. Based on the analysis of the nature and risk of these investments, the Plan has determined that presenting them as a single line item is appropriate.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period. We evaluated the significance of the transfers between levels based upon the nature of the financial instruments and the size of the transfer relative to total net assets available for benefits. For the years ending December 31, 2021 and 2020, there were no significant transfers into or out of Levels 1, 2 or 3.
