REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees and Plan Participants and their Beneficiaries
Steffes Employees' 401(k) Profit Sharing Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Steffes Employees' 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Steffes Employees' 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - PLAN DESCRIPTION

The following description of Steffes Employees' 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Steffes, LLC and its subsidiaries (the "Plan Sponsor" or the "Companies") covering employees of the Plan Sponsor who have reached age 18 and completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established effective April 1, 1991 and was most recently restated effective November 1, 2021.

Contributions

Each year, participants may contribute up to the maximum percentage of compensation and dollar limits, as defined in the Plan. The Plan has an auto enrollment feature and enrolls newly eligible participants at a 5% of salary deferral rate. Participants may also contribute amounts representing distributions from another qualified retirement plan or special individual retirement arrangement. Additional matching and profit sharing amounts may be contributed by the Companies at the option of Steffes, LLC's board of directors. In 2021 and 2020, the Company matched 100% of the first 5% of eligible compensation contributed to the Plan. Employees must complete one month of service to receive a matching contribution. Employees must complete 1,000 hours of service and must be employed on the last day of the Plan year to receive a profit sharing contribution. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Companies' contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' discretionary contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest in the Company contributions at 20% after the second year of service and at a rate of 20% per year thereafter until 100% vested after six years.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$220,260 and \$363,054, respectively. These accounts may be used in any permissible manner, including to reduce employer contributions or to pay Plan expenses. For the Plan years ended December 31, 2021 and 2020, employer matching contributions were reduced by \$389,357 and \$386,692, respectively, from forfeited non-vested accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant may not have more than five outstanding loans. Loan terms may not exceed five years unless such loan is used to acquire a dwelling unit which, within a reasonable time, will be used as the participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate that is the average rate available for similar loans from commercial lending transactions during the year. Principal and interest is paid ratably through biweekly payroll deductions and credited to the Participant's account.

Investment Options

Under the Plan, participants are allowed to make their own investment decisions, selecting from options authorized by the Plan administrator. Participants may elect at any time to have all or part of their account balances and future contributions transferred from one fund to another or in any combination. All options vary in types of investments, rates of return, and investment risk.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or installment payments. Certain participants who remain employed with the Companies may elect to withdraw vested interests subject to certain limitations, as defined in the Plan agreement. Upon termination, automatic distributions are required for balances of less than \$5,000. Automatic distributions above \$1,000 made without the participant's consent are rolled into an individual retirement account designated by the trustee. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70½.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) changed the age at which participants are required to take Required Minimum Distributions from their accounts. Under the new law, effective January 1, 2020, participant distributions may not be deferred past April 1 following the year in which the participant reaches the age of 72.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provided coronavirus-related relief for qualified individuals participating in eligible retirement plans. The CARES Act provided expanded distributions options and favorable tax treatment for coronavirus-related distributions of up to \$100,000 made from an eligible retirement plan to a qualified individual from January 1, 2020 to December 30, 2020.

Plan Administration

The Plan's investment activities and administrative functions are handled by Bravera Wealth (formally known as American Trust Center) for the years ended December 31, 2021 and 2020. The Plan Sponsor has the authority to direct the trustee in the investment of the funds. Investment fees and participant activity expenses are paid by the Plan. All other administrative expenses, including consulting, audit and legal fees, are paid by the Plan Sponsor.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor may terminate the Plan at any time, subject to the provisions of ERISA. In such event, all benefits become fully vested and nonforfeitable. In such event, the trustee shall be directed to distribute all assets in the Plan to participants as described in the Plan agreement. Due to a partial Plan termination during the 2020 Plan year, some participants became fully vested in the Company's discretionary contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in the collective trust fund is valued at net asset value ("NAV") as a practical expedient to fair value. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. All investments are participant directed.

Net Appreciation in Fair Value of Investments

Net appreciation in the fair value of investments represents the net realized gains or losses plus the net unrealized appreciation on investments. Realized gains or losses are the difference between the proceeds and either the cost of investments sold, determined on an average cost basis, or fair value at the end of the previous year, whichever is applicable. Net unrealized appreciation is the change in the difference between fair market value and the cost of investments or the fair value at the end of the previous year, whichever is applicable.

Notes Receivable to Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefits Paid to Participants

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, including liquidity, defaults and the market's perception of the issuers of certain securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balance and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Subsequent Events

The Plan has evaluated its December 31, 2021 financial statements for subsequent events through October 14, 2022, the date the financial statements were available to be issued.

NOTE C - TRUSTEE CERTIFICATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bravera Wealth, the trustee of the Plan as of and for the years ended December 31, 2021 and 2020, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020; and
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2021.

NOTE D - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Steffes Employees' 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Collective trust fund: Valued at the NAV as a practical expedient to fair value based on the fair value of underlying investments at year end.

Mutual funds: Valued at the daily closing price as reported by the funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the hierarchy level of inputs used to estimate the fair value of the Plan's assets:

Assets at Fair Value as of December 31, 2021

Investments at fair value				\$ 39,303,128

^(a) Redemption of the collective trust fund is generally permitted daily with a 12-month notice period and there are no unfunded commitments.

NOTE E - TAX STATUS

The Plan is a volume submitter plan of CCH Incorporated.

The Plan adopted the CCH Incorporated Volume Submitter Profit Sharing Plan with CODA, which has received an advisory letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the volume submitter plan document is designed in accordance with the applicable section of the Internal Revenue Code ("Code"). The Company has determined that it is eligible and has chosen to rely on the current IRS advisory letter. Subsequent to this advisory by the IRS, the Plan was restated and amended. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

Steffes Employees' 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RELATED AND PARTY-IN-INTEREST TRANSACTIONS

Bravera Wealth provides certain administrative services to the Plan pursuant to the Plan Service Agreement between the Companies and Bravera Wealth. Bravera Wealth receives revenue from mutual fund service providers for services Bravera Wealth provides to the funds. This revenue is used to offset certain amounts owed to Bravera Wealth for its administrative services to the Plan. If the revenue received by Bravera Wealth from such mutual fund service providers exceeds the amounts owed under the Plan Service Agreement, Bravera Wealth remits the excess to the Plan's trust and indicates the amounts as Other Income. During the years ended December 31, 2021 and 2020, there were no excess amounts remitted to the Plan.

Fees paid by the Plan to the Plan's trustee for administrative services amounted to \$224,598 and \$204,809 for the years ended December 31, 2021 and 2020, respectively.

Notes receivable from participants are also considered party-in-interest transactions.
