Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained, and Voya Retirement Insurance and Annuity Company (VRIAC) did not provide, sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to, and we do not, express an opinion on the supplemental schedule referred to above.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Developmental Disabilities Institute, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Developmental Disabilities Institute, Inc. (Employer). The Plan was established and effective on January 1, 2001 and was restated to conform to the legislative requirements of the final regulations under Internal Revenue Code (the Code) Section 403(b). All employees are eligible to make deferrals upon date of hire. For Employer contributions, the Plan covers all employees upon completion of one year of service and 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute pretax earnings up to \$19,500 in 2021 and 2020, or 100% of their annual compensation, excluding bonuses and other special payments, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The annual compensation limits were \$290,000 and \$285,000 in 2021 and 2020, respectively. Participants may also roll over amounts from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective August 1, 2018, participants may make Roth contributions into the Plan.

Discretionary contributions may be made by the Employer, which are allocated to all eligible participants, as defined in the Plan. The Employer is not required to make contributions and all contributions are subject to certain limitations. The Employer made contributions of \$1,189,662 and \$1,148,671 for 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's discretionary contribution, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, deferrals, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in Employer's contributions after three years of credited service.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

Investment Options

Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds, pooled separate accounts, and a fixed-interest account as investment options for participants.

Notes Receivable from Participants

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 7.50%, which are commensurate with local prevailing rates, as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Each participant is allowed to have one outstanding loan at any given time and must be repaid over a period not in excess of five years, unless it is for the purchase of a principal residence, in which case the term will be determined by the Plan administrator.

Payment of Benefits

On termination of service due to separation, death, disability, or retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant can roll over tax free all or any part of the distribution from the Plan into a traditional individual retirement account or another qualified plan.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,940 and \$4,096, respectively. These accounts will be used to reduce future Employer contributions. During 2021 and 2020, Employer contributions were reduced by \$7,940 and \$4,088, respectively, from forfeited non-vested accounts.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

Financial Instruments and Fair Value

U.S. GAAP establishes a three-level hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the overall fair value measurement.

A description of the valuation techniques applied to the Plan's major categories of assets measured at fair value are as follows. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Mutual funds are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded. These investments are classified as Level 1, in accordance with the fair value hierarchy.

Pooled Separate Accounts - Pooled separate accounts are valued at their accumulation unit value (AUV), which approximates fair value. The AUV is determined daily based on the NAV as a practical expedient of shares of the underlying fund and the separate account charges (i.e., the daily asset charge). The Plan's investments in the pooled separate accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments. The underlying funds of the investments in pooled separate accounts are various registered investment companies whose investment strategies are to seek capital appreciation through investment in common and preferred stocks and debt securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

Notes Receivable from Participants

Participant loans are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value (except for guaranteed investment contracts, which is reported at contract value as described in Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Administrative expenses recorded by the Plan represent custodian fees and other recordkeeping fees paid directly from the Plan to Great-West Life and Annuity Insurance Company (GWL&A) and Voya Retirement Insurance and Annuity Company (VRIAC). Loan fees are deducted directly from the participant's account. Investment related expenses are included in net appreciation in fair value of investments.

The Plan has a revenue-sharing agreement with GWL&A for the reimbursement of Plan expenses. Revenue earned from this agreement was recorded as other income in the statements of changes in net assets available for benefits and was used to pay Plan expenses. Any excess revenue over the Plan expenses during the year form part of the Plan assets and will be used to pay future Plan expenses. For the years ended December 31, 2021 and 2020, revenue earned from this agreement amounted to \$109,428 and \$89,226, respectively, and Plan expenses paid out of this revenue amounted to \$109,428 and \$89,226, respectively.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Payments of Benefits

Benefits are recorded when paid.

Contributions Receivable

Contributions that are pending transfer to GWL&A as of December 31, 2021 and 2020 are recorded as contributions receivable to the Plan in the statements of net assets available for benefits.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

3. Fair Value Measurements

The Plan's assets recorded at fair value have been categorized based upon a fair value hierarchy, in accordance with U.S. GAAP. See Note 2 for a discussion of the Plan's policies regarding this hierarchy.

December 31, 2021

	Total	(Level 1)	(Level 2)	(Level 3)
Investments, at fair value:				
Mutual funds	\$ 34,736,141	\$ 34,736,141	\$ -	\$ -
Pooled separate accounts*	39,395			
Total Investments, at fair value	\$ 34,775,536			

December 31, 2020

	Total	(Level 1)	(Level 2)	(Level 3)
Investments, at fair value:				
Mutual funds	\$ 28,299,457	\$ 28,229,457	\$ -	\$ -
Pooled separate accounts*	37,304			
Total Investments, at fair value	\$ 28,266,761			

* Certain investments that are measured at fair value using the AUV per share (or its equivalent) practical expedient have been categorized in the fair value hierarchy. The fair value amounts inserted in these tables are intended to present reconciliation of the fair value hierarchy table to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets or liabilities that were measured at fair value on a nonrecurring basis at December 31, 2021 or 2020. In addition, there were no transfers between levels during the year ended December 31, 2021.

4. Investment Contract with Insurance Companies

The Plan has benefit-responsive guaranteed investment contracts with GWL&A and VRIAC, whereby GWL&A and VRIAC maintain a guaranteed interest account for each participant. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. GWL&A and VRIAC are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the insurance company and the financial institution issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary), which cause a significant withdrawal from the Plan; or (iv) the failure of

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

5. Information Certified by GWL&A and VRIAC

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, GWL&A and VRIAC, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants reflected on the accompanying statements of net assets available for benefit as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividend income, other income, investment income from investment contracts, and interest income on notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefit for the years ended December 31, 2021 and 2020.
- Investments information reflected on the supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at the End of Year) as of December 31, 2021.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

6. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by GWL&A and VRIAC. GWL&A and VRIAC are the custodians, as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

The Plan has a revenue sharing agreement with GWL&A. Revenue earned has been reflected as "other income" in the statement of changes in net assets. Additionally, the investment contract is managed by GWL&A and VRIAC (see Note 4). These transactions qualify as party-in-interest.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

Notes receivable from participants also qualify as party-in-interest transactions. Such transactions are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder.

7. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. The Plan's third-party administrator intends to apply for an opinion letter on behalf of the Plan pursuant to the recently established 403(b) pre-approved plan program outlined in Revenue Procedure 2013-22. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). Although the Plan has never received an opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to those per Form 5500:

<i>December 31,</i>	2021	2020
Net Assets Available for Benefits , per financial statements	\$ 44,012,540	\$ 37,728,416
Less: employer contributions receivable	(1,183,183)	(1,146,106)
Net Assets Available for Benefits , per Form 5500	\$ 42,829,357	\$ 36,582,310

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to that per Form 5500:

<i>Year ended December 31,</i>	2021	2020
Net Increase in Net Assets Available for Benefits , per financial statements	\$ 6,284,123	\$ 4,104,417
Less: current year's employer contributions receivable	(1,183,183)	(1,146,106)
Plus: prior year's employer contributions receivable	1,146,106	1,124,800
Net Increase in Net Assets Available for Benefits , per Form 5500	\$ 6,247,046	\$ 4,083,111

9. Plan Termination

Although the Employer has not expressed any intent to do so, it has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested and the net assets of the Plan will be distributed, as prescribed by ERISA.

Developmental Disabilities Institute, Inc. 403(b) Plan

Notes to Financial Statements

10. Risk and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

11. Subsequent Events

The Plan's management has performed subsequent event procedures through October 10, 2022, which is the date the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures.
