Independent Auditors' Report

To the Participants and Plan Administrator of
McKean Defense Group Health and Welfare Plan

Opinion

We have audited the financial statements of McKean Defense Group Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in benefit obligations and of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the statements of benefit obligations and net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

McKean Defense Group Health and Welfare Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the McKean Defense Group Health and Welfare Plan (the Plan) is provided only for general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan provides health benefits as defined in the plan document, covering eligible employees of McKean Defense Group (the Company), and their covered dependents. All full-time employees working at least 40 hours per week are eligible for all benefits. All employees are eligible 30 days after their hire date. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits (medical and prescription drugs) to all full-time employees and their covered dependents, as defined in the plan document; and, provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits

The Plan self-insures all medical and prescription drug benefits. Claims for self-insured benefits are processed by the Plan's third-party claims processor under an administrative services only (ASO) arrangement. The claims processor pays claims directly or on behalf of participants and is then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan. Self-insured benefits are paid from assets of the trust.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Contributions

In addition to deductibles and co-payments, participants are generally required to contribute to the Plan to fund the cost of their benefits on a bi-weekly or semi-monthly basis through payroll deductions. Amounts required to be contributed by participants are determined annually by the Company in accordance with the plan document and are based on current rate premium costs. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets in comparison to benefit obligations is funded by the Company on a pay-as-you-go basis.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported; claims payable; and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

McKean Defense Group Health and Welfare Plan

Notes to Financial Statements

December 31, 2021 and 2020

Payment of Benefits

Premiums paid by the trust are recorded as insurance premiums paid in the accompanying Statement of Changes in Benefit Obligations and of Changes in Net Assets Available for Benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as claims and insurance premiums payable in the accompanying Statements of Benefit Obligations and of Net Assets Available for Benefits.

Claims Reimbursement

Claims reimbursements, which are recorded as reduction in self-insured claims paid in the accompanying Statement of Changes in Benefit Obligations and of Changes in Net Assets Available for Benefits totaled \$203,491 during the year ended December 31, 2021.

Stop-Loss Reimbursement Receivable

Premiums for stop-loss insurance are included in insurance premiums paid in the Statement of Changes in Benefit Obligations and of Changes in Net Assets Available for Benefits. There were no stop-loss receivables as of December 31, 2021 and 2020.

Claims Incurred but not Reported

The Plan is self-insured for health claims up to \$150,000 per individual. Stop-loss insurance coverage is maintained for claims in excess of this amount. The Plan's liability for claims incurred, but not reported is estimated by the Plan's consultant, CBIZ, using actuarial data provided by the insurance providers who have been retained by the Company. Such estimated amounts are reported on the accompanying Statements of Benefit Obligations and of Net Assets Available for Benefits.

Administration of Plan Assets

The Plan pays administrative expenses that consist primarily of administrative fees to third-party claims administrators and the consultant. These expenses are reported on the Statement of Changes in Benefit Obligations and of Changes in Net Assets Available for Benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan and are excluded from these financial statements.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued.

3. Related-Party and Party In Interest Transactions

As described in Notes 1 and 2, the Plan has several arrangements with service providers, these transactions are party in interest transactions under ERISA. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

McKean Defense Group Health and Welfare Plan

Notes to Financial Statements

December 31, 2021 and 2020

4. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify benefits provided to, and contributions required of, participants, or to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

5. Tax Status

The plan administrator believes the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. The trust established to fund the benefits of the Plan may be subject to income taxes. No federal income taxes have been recorded in 2021.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

Claims incurred but not reported are calculated based on historical trends of claims reported but not settled and claims that have been incurred but not reported. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
