INDEPENDENT AUDITOR'S REPORT

Plan Sponsor
Choice Logistics, Inc.
401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Choice Logistics, Inc. 401(k) Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Choice Logistics, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, referred to in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Choice Logistics, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Choice Logistics Inc, 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Choice Logistics Inc, 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Choice Logistics Inc, 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CHOICE LOGISTICS, INC.
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Description of the Plan

The following description of the Choice Logistics, Inc. (Employer/Plan Sponsor) 401(k) Savings Plan (Plan) provides only general information. A more complete description of the Plan's provisions is included in the plan document (Note 5).

a) General

The Plan is a defined contribution plan covering substantially all employees who have attained age 21 and completed two months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Sponsor oversees management and governance of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b) Contributions

The Plan provides for both pre-tax (traditional) and post-tax (Roth) employee deferral contributions. Participants may contribute from 1% up to 100% of their annual compensation (as defined), which is subject to certain statutory limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions received from other qualified plans and certain IRA's (rollover contributions).

Employees are automatically enrolled into the Plan for a 3% contribution; they may elect to contribute a different amount (or not to participate). This percentage will increase by 1% each succeeding year, not to exceed 6%. The Employer provides matching contributions of 50% on the first 6% of compensation that a participant contributes to the Plan.

Contributions are funded each bi-weekly payroll period. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment direction at any time throughout the year.

c) Participant Accounts

Each participant's account is credited/charged with a) the participant's contribution, b) the Employer's matching contribution, c) Plan earnings (losses) and d) benefits/expenses paid by the Plan. Earnings (by investment fund) and Plan expenses are allocated based on relative participant account balances. A participant is entitled to the benefit available from his or her vested account value.

401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Description of the Plan (Continued)

d) Vesting

Participants vest immediately in their contributions and the earnings thereon.

Vesting in Employer contributions and the earnings thereon is based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

e) Notes Receivable from Participants

Participants may borrow from their investment fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the vested portion of their account balance. Notes are secured by the participant's account balance, bear interest at rates ranging from 3.5% to 5.5%, and mature through 2025. The interest rate on notes is fixed at the prime rate plus 1% at loan inception and remains in effect over the loan term. Principal and interest are generally paid ratably through bi-weekly payroll deductions.

f) Payment of Benefits

Benefits may be paid upon termination of service, death, disability, attaining age 59 ½ or for serious financial hardship. A participant will receive his/her vested account value in a lump-sum.

Benefits from rollover contributions accounts may be withdrawn at any time (limited to once each year).

Benefits are recognized when paid.

g) Forfeitures

Forfeitures of non-vested account balances may be applied to reduce Employer matching contributions and to pay expenses. Available and applied forfeitures have not been significant.

Note 2 - Summary of Significant Accounting Policies

a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b) Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are recorded at contract value (Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4). The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodian.

Interest income is recorded on the accrual basis.

Net appreciation in fair value of investments in mutual funds includes the Plan's net gains and losses on mutual funds bought and sold as well as held during the year.

c) Notes Receivable from Participants

Loans to participants are measured and reported at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent participant loans are recorded as benefits paid to participants based on terms of the plan document.

d) Expenses

Certain operating expenses are paid by the Employer, and those expenses are excluded from these financial statements. The Employer reserves the right to charge such future expenses to the Plan.

e) Plan Termination

Although it has not expressed the intention, the Employer has the right under the Plan to discontinue its contributions at any time and, subject to the provisions of ERISA, terminate the Plan. In such an event, participants would become 100% vested in their Employer contributions.

Note 2 - Summary of Significant Accounting Policies (Continued)

f) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

g) Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 10, 2022, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information - Prepared and Certified by the Plan Custodian

The custodian, Principal Trust Company, holds the Plan's investments and executes transactions therein. Financial information, relating to the Plan's investments and changes therein, included in the financial statements (including the notes to the financial statements) and supplemental schedule are based entirely on information provided and certified as complete and accurate by the custodian in accordance with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, as amended. Such information has not been audited by the independent auditors.

Note 4 - Fair Value Measurements

The Plan's investments, except for the fully benefit – responsive investment contract, are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain investments could result in a different fair value at the reporting date.

CHOICE LOGISTICS, INC.
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 4 - Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets in active markets and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 inputs were available to the plan and were used for all Plan's assets reported at fair value.

Level 1 Fair Value Measurements

Mutual funds: Mutual funds are valued based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset values and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value in the accompanying statements of net assets available for benefits:

	Fair Value Measurements at Quoted Prices in Active Markets for Identical Assets (Level 1) December 31	
	2021	2020
Mutual funds	<u>\$ 5,981,666</u>	<u>\$ 4,529,945</u>

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investment in mutual funds.

CHOICE LOGISTICS, INC.
401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 5 - Income Tax Status

The Plan is based on a prototype plan document offered by an affiliate of the custodian, which received an opinion letter from the Internal Revenue Service (IRS) which stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While management did not elect to obtain an individual determination letter from IRS, and has amended the plan since receipt of its most recent opinion letter in 2014, it believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the financial statements.

The Plan has determined all benefits associated with positions taken for tax purposes would, more likely than not, be sustained upon review by the taxing authorities and therefore has not recognized a liability for unrecognized tax benefits. Tax returns (Form 5500) are filed in the U.S. federal jurisdiction. The Plan Sponsor believes the plan is no longer subject to income tax examinations for years prior to 2018, and there are no examinations currently in progress.

Note 6 - Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with the custodian through investment in the Principal Guaranteed Option. The custodian maintains the contributions in a general account, and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The custodian bears the risk that the return on the underlying investment will be sufficient to support the guaranteed rate during each guarantee period.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported to the Plan by the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals, and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Given these provisions, the custodian and Employer consider this contract to be fully benefit-responsive.

There are no reserves against contract value for credit risk of the custodian or otherwise. The minimum crediting interest rate is based on a formula agreed upon with the custodian, and as of December 31 was 1.65% (2021) and 1.60% (2020). The Plan Sponsor is not aware of any events that might limit the ability of the Plan to transact, or allow the custodian to terminate the contract requiring the Plan to settle, at an amount other than contract value over time.

DECEMBER 31, 2021

Note 7 - Related Party Transactions

The investments are managed by the custodian and therefore qualify as party-in-interest transactions under ERISA. All expenses were paid to the custodian. These transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities which are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that the value of investments will fluctuate in the near term and that such changes may materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
