INDEPENDENT AUDITORS' REPORT

Management and Participants
Team Holland, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Team Holland, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Team Holland, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Team Holland, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Team Holland, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Team Holland, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Team Holland, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Team Holland, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Team Holland, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for more complete information.

General

The Plan was established December 1, 2013 and was restated January 1, 2020. The Plan is a defined contribution plan covering substantially all employees of Team Holland, Inc. and related entities (together the "Company"). The Plan covers substantially all employees who are 21 years of age and have had twelve months of service. Company officers control and manage the operation and administration of the Plan. The Plan is subject to the provisions of ERISA, as amended.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limits. The Company will make a safe harbor match, on a dollar-for-dollar basis, of the first 3% of participants' contributions, plus 50% of participants' contributions that exceed 3% up to 5% of each eligible participants' contributions. The Company made a safe harbor matching contribution of \$253,646 for the year ended December 31, 2021. The Company can make additional discretionary contributions. The Company made no such contributions for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, and an allocation of the Company's contributions and investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. During 2021 and 2020, the Plan offered a range of mutual funds as investment options for participants.

Vesting

Participants are vested immediately in their contributions plus actual net earnings thereon. Participants are immediately vested in the Company's safe harbor match contributions plus earnings thereon. Vesting in the Company's discretionary portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 20% vested in Company discretionary contributions after two years of service and are fully vested upon completion of six years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested account balance. Loans bear interest at the USA Today Prime Rate plus 1% for the month. Principal and interest is paid ratably through payroll deductions and is credited to each participant's account balance.

Benefit Payments

Upon termination of service due to death, disability, retirement, other termination of employment with the Company, a participant's account with a vested account balance of \$5,000 or less will be mandatorily distributed as soon as administratively feasible without the participant's consent. Distributions under the Plan may be made by lump-sum distributions.

Forfeitures

Forfeitures may be used to reduce certain employer contributions and/or to pay Plan expenses. The balance in the forfeiture account at December 31, 2021 was \$0 and at December 31, 2020 was \$0. The Plan used \$0 of forfeitures to pay Plan expenses in 2021.

Plan Operations

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 was signed into law. The SECURE Act had provisions that were effective for years beginning after December 31, 2019 and for years beginning after December 31, 2020. The Plan implemented the SECURE Act provision that changed the age of initiation for required minimum distributions ("RMDs") from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70 ½ by December 31, 2019. The Plan intends to implement the SECURE Act provisions that are effective for years beginning after December 31, 2020 in 2021. Plan management intends to formally amend the Plan for these provisions before the end of the remedial amendment period to reflect such provisions.

In March 2020, the World Health Organization declared the novel coronavirus ("COVID-19") outbreak a global pandemic. In response to COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law. The CARES Act provides temporary relief for retirement plan sponsors and their participants. The provisions of the CARES Act were available to be implemented immediately, prior to formally amending the Plan document.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest is charged until the loan is repaid and loans are not placed on nonaccrual status. Interest income is recognized at the time payment is made. Loans are always fully collected and are not charged off as uncollectible. Delinquent participant loans, if material, are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses and fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan utilizes mutual fund investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 4 - INCOME TAX STATUS

The Company adopted a prototype plan which received an opinion letter dated March 31, 2014 from the Internal Revenue Service ("IRS") stating that the prototype document, in form only, meets the requirements under the applicable sections of the IRC and is therefore qualified. The Plan has been amended since adopting the prototype plan. The Plan has not obtained a separate determination letter from the IRS, nor is it required to do so. The Company and the plan administrator believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC as of December 31, 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018. There are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their employer contributions.

NOTE 6- INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by Ascensus Trust Company ("Ascensus"), the trustee, as of December 31, 2021 and December 31, 2020 and for the year ending December 31, 2021:

	December 31, 2021	December 31, 2020
Investments at fair value:		
Mutual funds	\$ 4,933,724	\$ 3,708,749
Notes receivable participants	\$ 170,855	\$ 153,110
Investment income (loss)	\$ 621,021	
Interest on notes receivable from participants	\$ 9,240	

NOTE 7 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used by the Plan.

Level 1 Fair Value Measurements

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 7 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and December 31, 2020:

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Mutual funds	\$ <u>4,933,724</u>	\$ <u>4,933,724</u>
Total assets at fair value	\$ <u>4,933,724</u>	\$ <u>4,933,724</u>

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
Mutual funds	\$ <u>3,708,749</u>	\$ <u>3,708,749</u>
Total assets at fair value	\$ <u>3,708,749</u>	\$ <u>3,708,749</u>

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation (depreciation) in fair market value of investments.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by Ascensus. Ascensus is the trustee as defined by the Plan and, therefore, certain transactions qualify as party-in-interest. Fees paid by the Plan to Ascensus for plan administration and custodial services were \$22,263 for the year ended December 31, 2021.

NOTE 9 - CORRECTIVE ACTIONS

During the 2021, the Company failed to timely remit certain participant contributions to the Plan. An amount was not accrued or recorded in the financial statements because the Company is actively working with their third-party administrator to make the proper corrections.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 13, 2022, the date the financial statements were available to be issued.
