## INDEPENDENT AUDITORS' REPORT

To the Management and the Trustee of  
the Diversified Search Group Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Diversified Search Group Retirement Plan (formerly, Diversified Search, LLC Retirement Savings Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Diversified Search Group Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Diversified Search Group Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Diversified Search Group Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Diversified Search Group Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Diversified Search, LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

### 1. The Plan

The following description of the Diversified Search Group Retirement Plan (the “Surviving Plan”) (formerly Diversified Search, LLC Retirement Savings (“Diversified”)) or (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**Plan Amendment and Merger** – Effective January 1, 2021, the Plan was merged with Koya Leadership Partners, LLC 401(k) Profit Sharing Plan (“Koya”) and Grant Cooper & Associates, Inc. Profit Sharing Plan (“Grant Cooper”) (the “Merging Plans”), amended and restated and will continue as the Diversified Search Group Retirement Plan, as the surviving plan of the merger. In 2020, the former plan sponsor, Diversified Search, LLC, (“Diversified LLC”) was party to a merger, which resulted in the decision of the trustees on December 30, 2020, to approve the merger of the Plan with Koya and Grant Cooper. In conjunction with the restatement on January 1, 2021, the Plan was amended to include, among other things, the provisions of the Setting Every Community Up for Retirement Enhancement Act “the SECURE” Act and the CARES Act which was implemented in 2020. The provisions of the SECURE Act include increasing the required minimum distribution age to age 72 (effective in 2020), and allowing certain penalty free distributions for childbirth or adoption expenses. Effective July 27, 2021, the assets of Storebeck, LLC 401(k) Retirement Plan (“Storebeck”) were merged into the Plan (See Note 10).

**General** – The Plan is a defined contribution plan covering substantially all employees of SV-DVS Holdings, LLC, and Subsidiaries (the “Company”) who are not excluded employees, as defined. Prior to January 1, 2021, employees of Diversified LLC had to have attained age 21 or older to be eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions** – Each year, participants may make pre-tax contributions and after-tax Roth contributions to the Plan, deferring a percentage of total compensation as specified by the Plan document, subject to Internal Revenue Service (“IRS”) regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2021, the Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Effective January 1, 2021, the Plan also allows in plan Roth rollovers.

The Company may make a discretionary matching contribution. For the year ended December 31, 2021, the Company contributed 3% of a participant's eligible compensation to the Plan. Matching contributions made for the years ended December 31, 2021 and 2020 were \$1,047,892 and \$-0-, respectively. The Company may also make an additional discretionary non-elective contribution. There were no additional Company contributions for the years ended December 31, 2021 and 2020.

## Retirement Plan

### Notes to the Financial Statements

#### For the Years Ended December 31, 2021 and 2020

---

**Participant Accounts** – Each participant's account is credited with the participant's contribution and allocation of: (a) the Company's contributions; and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeitures** – Forfeitures, which are created when participants terminate employment before becoming entitled to their full benefits under the Plan, may be allocated to reduce employer contributions or pay Plan expenses, and effective January 1, 2021 may be allocated as additional employer contributions. At December 31, 2021 and 2020, the balance in the forfeited non-vested account was \$20,044 and \$3,026, respectively. During the years ended December 31, 2021 and 2020, no forfeitures were used to reduce employer contributions or allocated as additional contributions. During 2021 and 2020, forfeitures of \$100 and \$197, respectively, were used to pay Plan expenses.

**Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Effective January 1, 2021, a participant is fully vested in the Company's contributions upon death, disability, normal or early retirement, or after three years of credited service, according to the following schedule:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 1             | 0%                |
| 1                       | 33%               |
| 2                       | 66%               |
| 3                       | 100%              |

Prior to January 1, 2021, participants were fully vested in the Company's contributions after 4 years of credited service according to the following vesting schedule:

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 1             | 0%                |
| 1                       | 25%               |
| 2                       | 50%               |
| 3                       | 75%               |
| 4                       | 100%              |

For purposes of determining years of vesting service, a participant will be credited for hours of service with certain predecessor employers as defined in the Plan agreement.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may not take out more than one (1) loan at one time. Loan terms range from one to five years or longer for the purchase of a primary residence. Prior to January 1, 2021, participants could not have more than two (2) loans outstanding at one time. The loans are secured by the balance in the participant's account and bear interest at the prime lending rate plus 1%. Prior to January 1, 2021, loans bore interest a reasonable rate as established by the plan administrator. Principal and interest are paid ratably through payroll deductions.

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

**Payment of Benefits** – On termination of service, a participant is entitled to receive the vested balance in their account. Benefits are payable in a lump-sum distribution. Prior to January 1, 2021, certain installment forms of payment were available at the election of the participant. The plan administrator may elect to authorize an automatic lump-sum distribution or rollover for terminated participants whose vested account balances are less than \$5,000. Participants may also receive certain in-service distributions upon attainment of age 59½, or for other reasons in accordance with the Plan documents. Effective January 1, 2021, the Plan permits hardship distributions to current participants.

**Plan Expenses** – The Company pays certain expenses of maintaining the Plan; therefore, they are not reflected in the accompanying financial statements. Investment expenses are deducted and reflected in the calculation of the unit value of investments.

**CARES Act** – During 2020, the Plan implemented certain relief provisions available to participants under the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) that was signed into law on March 27, 2020. Pursuant to the CARES Act, the following provisions were made available to participants:

- special penalty-free coronavirus-related distributions of up to \$100,000, made before December 31, 2020;
- waiver of required minimum distributions for the year ended December 31, 2020;
- increase in available loan amounts to the lesser of \$100,000 (less the highest outstanding loan balance during the past 12 months) or 100% of the participant’s vested account balance for loans issued during the 180-day period from March 27, 2020 through September 23, 2020; and
- extension of the period for participant loan repayments for up to one year.

## 2. Summary of Significant Accounting Policies

**Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** – Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. See Note 4 for a discussion of investment contracts with insurance companies at contract value.

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's custodians and trustees determine the Plan's investment policies utilizing information provided by the third-party administrators and insurance companies.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related administrative expenses are recorded when they are incurred. A provision for doubtful accounts has not been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Payment of Benefits** – Benefits are recorded when paid.

**New Accounting Pronouncements** – In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) – *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which amends certain disclosure requirements of Accounting Standards Codification ("ASC") 820. ASU 2018-13 among other things modified the disclosure for investments in certain entities that calculate net asset value ("NAV") to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the Plan or announced the timing publicly. The guidance is effective for fiscal years beginning after December 15, 2019. The Plan adopted the provisions of ASU 2018-13 for the year ended December 31, 2020 and retrospectively for the year ended December 31, 2019. There were no effects on disclosures in the accompanying financial statements.

### 3. Information Certified by Custodians

On March 29, 2021, assets of the Surviving Plan, including notes receivable from participants, amounting to approximately \$34,556,000 were transferred under a new contract, to a new custodian, Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively, "Great West"), who held the Plan's investment assets and executed investment transactions from March 29, 2021 to December 31, 2021.

American United Life Insurance Company ("One America") held Diversified's investment assets and executed investment transactions as of December 31, 2019 and for the period January 1, 2020 to March 28, 2021. Great-West and Charles Schwab Trust Bank ("Charles Schwab") held the Koya and Grant Cooper investment assets, respectively, and executed investment transactions for the period January 1, 2021 to March 28, 2021.

Certain information related to investments included in the Plan's financial statements and ERISA-required supplemental schedules, was obtained or derived from information prepared by One America, Great West, and Charles Schwab, the custodians of the Plan, and furnished to the plan administrator. Plan management has obtained certifications from the custodians, that such information is complete and accurate. The certifications, referred to above, apply to the Plan's investment balances and notes receivable from participants as of December 31, 2021 and 2020 and the related activity for the years then ended.

# Diversified Search Group Retirement Plan

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

During the years ended December 31, 2021 and 2020, the Plan's investment income was \$2,416,144 and \$3,489,132, and the Plan's interest and dividend income was \$1,605,889 and \$-0-, respectively.

### 4. Investment Contracts with Insurance Companies

As of December 31, 2020 and through March 28, 2021, the Plan had an investment contract with One America whereby certain Plan assets were maintained in pooled separate accounts and a guaranteed account.

The accounts are credited with contributions and actual earnings on the investments and charged for participant withdrawals, actual losses, and administrative fees.

The investment contract with One America included an investment option in the AUL Fixed Interest Account, which meets the criteria for fully benefit-responsive investment contracts for participant-initiated transactions and, therefore, is reported at contract value. The guaranteed account provided a guarantee of principal and a guaranteed interest rate, and is included in the accompanying 2020 financial statements at contract value as reported by the custodian.

Effective March 28, 2021, the Plan terminated its contract with One America, at reported values, and transferred its investment to a new contract with Great-West.

Effective March 29, 2021, the Plan has a fully benefit-responsive investment contract with Great-West, which includes an investment option in the GWI Fixed Account – Series Class I. Great-West maintains the amounts allocated to the contract in a general account. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The crediting interest rate is determined on a quarterly basis, as designated by Great-West.

The contract meets the fully benefit-responsive investment contract criteria for participant-initiated transactions and therefore is reported at, and included in the accompanying 2021 financial statements at contract value. Contract value, as reported to the Plan by Great-West represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The contract value of the guaranteed contracts at December 31, 2021 and 2020 was \$484,076 and \$2,226,789, respectively.

# Diversified Search Group Retirement Plan

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

Certain events limit the ability of the Plan to transact at contract value with Great-West. Such events include, but are not limited to: (1) amendments to the Plan agreement (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) or premature termination of the contract. The plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Great-West and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the Great-West contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The guaranteed contract does not permit Great-West or the Plan to terminate the agreement prior to the scheduled maturity date.

The average yield earned by the guaranteed contract with Great-West is as follows:

| <u>GW Fixed Account – Series Class I</u>        | <u>December 31,<br/>2021</u> |
|-------------------------------------------------|------------------------------|
| Average Yields:                                 |                              |
| Based on actual earnings                        | .90%                         |
| Based on interest rate credited to participants | .90%                         |

## 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1:* Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access;

*Level 2:* Inputs other than quoted prices that are observable for the assets or liabilities, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in inactive markets;

*Level 3:* Unobservable inputs that reflect the reporting entity's own assumptions and are significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

<sup>(a)</sup> In accordance with ASC 820-10, certain investments that are measured at fair value using the net asset value ("NAV") per share practical expedient have been excluded from the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

*Mutual Funds:* Valued at the daily closing price reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Pooled Separate Accounts:* Valued at the net asset value daily, based on the income gains and losses of the underlying mutual funds and other investments and adjusted for certain investment option charges. Pooled separate account values are unitized.

**Investments Measured at NAV** – The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2020.

| December 31, 2020        | Fair Value   | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |
|--------------------------|--------------|----------------------|----------------------|--------------------------|

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### 7. Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the restated Plan, as evidenced by a prototype document, and the related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Prior to January 1, 2021, the Plan as evidenced by a prototype document, had received a determination from the IRS dated March 31, 2014, that as then designed, was in accordance with the applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### 8. Related-Party and Party in Interest Transactions

Certain Plan investments are investments managed by the custodians of the Plan; therefore, these transactions qualified as party in interest transactions. Additionally, notes receivable from participants and fees incurred by the Plan and paid to One America, Great-West, and Charles Schwab and third-party service providers also qualify as party in interest transactions. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

## Notes to the Financial Statements For the Years Ended December 31, 2021 and 2020

---

The Plan sponsor failed to remit certain participant contributions and loan repayments in a timely manner for certain periods during 2018, 2019, 2020 and 2021, as required by Department of Labor Regulation 2510.3-102 (the "regulations") and are considered prohibited transactions. Contributions pending full correction outside of the VFCP as of December 31, 2021 and 2020 totaled \$99,654 and \$2,468, respectively.

### 9. Risk and Uncertainties

The Plan invests in various investment instruments. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment instruments, it is at least reasonably possible that changes in the value of investment instruments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The continuing coronavirus pandemic has led to significant changes in government regulation and volatility in financial markets, which has affected and may continue to affect the Plan, its operations, investments and performance. Management of the Plan is unable to accurately predict how the pandemic will affect the results of Plan operations because its severity and duration are uncertain.

### 10. Plan Transfers

On January 1, 2021, the assets of the Merging Plans, including notes receivable from participants, comprising \$5,356,813 from Koya, and \$4,482,336 from Grant Cooper, which remained with prior custodians, became part of the Surviving Plan.

In July of 2021, certain assets totaling \$7,952,688, including notes receivable from participants, were transferred to the Plan from Storebeck, in connection with the acquisition of the Storebeck, LLC by the Company.

Plan transfers during the year ended December 31, 2021 totaled \$17,791,837.

### 11. Subsequent Events

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through October 11, 2022, the date that the financial statements were available to be issued and determined that there have been no events that have occurred that would require adjustments to our disclosures in the financial statements.
