To the Trustee
Telstar Instruments, Inc. 401(k) Plan

We have audited the financial statements of Telstar Instruments, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021, and we will issue our report thereon dated October 13, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan by Fidelity Management Trust Company, a qualified institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 1, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Telstar Instruments, Inc. 401(k) Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

To the Trustee
Telstar Instruments, Inc. 401(k) Plan
Page 2

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 13, 2022.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Trustee of
Telstar Instruments, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Telstar Instruments, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Telstar Instruments, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Telstar Instruments, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Telstar Instruments, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Telstar Instruments, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Telstar Instruments, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Trustee of
Telstar Instruments, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Telstar Instruments, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note G, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of December 31, 2020, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Independent Auditors' Report (continued)

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Plan description

The following brief description of the Telstar Instruments, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for more complete information.

General

Telstar Instruments, Inc. (the Company), as the Plan sponsor, adopted the Fidelity Basic Plan Document No. 17 prototype Defined Contribution Plan as its Plan effective June 22, 2015. The Plan was amended and restated effective February 14, 2018. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Plan's trustees appointed by the Company's Board of Directors. Fidelity Workplace Services, LLC serves as the Plan recordkeeper and Fidelity Management Trust Company serves as the Plan trustee.

CARES Act and Hardship Distributions

In April 2020, the Company elected to adopt the Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions for distribution relief for coronavirus-related distributions and loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The Plan also waived minimum distribution requirements for any distribution made in the year 2020.

The Plan also implemented the amendments to the Treas. Reg § 1.401(k)-1(d) hardship regulations effective January 1, 2020, thereby removing the six-month prohibition on contributions after a hardship distribution, under the safe harbor for distributions treated as made to satisfy a financial need and the safe harbor that deems a distribution to be made on account of an immediate and heavy financial need of the employee.

Eligibility

Employees of the Company are generally eligible to participate in the Plan after having completed three months of service and are eighteen years of age or older during the Plan year. Employees covered by a collective bargaining agreement are not eligible to participate in the Plan, unless the agreement requires the employees to be included under the Plan. Any individuals with any documentation acknowledging status as an independent contractor are not eligible to participate in the Plan.

NOTE A -- Plan description (continued)

Contributions

Participants may make voluntary elective deferral contributions subject to prescribed limitations as well as rollover contributions from a qualified plan. Participants may designate their elective deferral contributions as pre-tax elective deferrals or Roth elective deferrals in any proportion they choose. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Company may contribute discretionary matching contributions as determined by the Board of Directors. Participants become eligible to receive matching contributions from the Company only if they make elective deferral contributions and are employed as of the last day of the year.

The Company made discretionary matching contributions of \$182,679 for the year ended December 31, 2021.

Payment of benefits

On termination of service due to death, disability or retirement, a participant is entitled to receive the participant's vested aggregate account balance and may choose to leave the assets invested in the Plan or take a lump-sum distribution. However, the Plan's administrator, without the consent of the participant, may distribute a participant's vested aggregate account balance in a lump-sum any time after a participant terminates employment if the participant's account balance does not exceed \$5,000.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants would become one hundred percent (100%) vested in all amounts credited to their accounts.

Participant accounts

Separate accounts are maintained for each participant; an elective deferral contribution account, an elective Roth deferral contribution account, a discretionary matching contribution account, a rollover contribution account and a qualified non-elective contribution account (if applicable). Each participant's elective contribution account is credited with the participant's elective contributions and rollovers and an allocation of the Plan's earnings attributable to the elective account.

Each participant's matching contribution accounts are credited with the Company's contributions, along with an allocation of the Plan's earnings attributable to these accounts. Investment direction for each participant's account is provided by the participant.

NOTE A -- Plan description (continued)

Vesting

Participants are fully and immediately vested in their elective deferral contribution, rollover contribution and qualified non-elective contribution accounts together with allocated Plan earnings thereon. A participant's interest in the employer matching contributions is vested according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeiture

Forfeitures are retained in the Plan and first used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. There were no forfeited amounts for the year ended December 31, 2021.

NOTE B -- Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment valuation and income recognition

The Plan's investments are valued at fair market value as of the Plan's year-end, taking into consideration investment earnings credited, expenses charged, payments made and changes in the value of the assets held in the funds. Fair market value is determined by quoted market prices.

Purchases and sales of the funds are recorded on a trade-date basis. Dividend and interest income is recorded on an accrual basis as earned.

NOTE B -- Summary of accounting policies (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Participants may borrow up to the lesser of 50% or \$50,000 from their account balances, subject to plan provisions. The repayment term of the loans may vary from one to five years with the exception of a loan used to purchase a primary residence. The loans are secured by the participants' interests in the Plan's assets and bear interest at a rate that is comparable for similar types of loans by other lenders. Payments of interest and principal are made by withholding from each paycheck.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants, distributions, and terminated employees' accounts are charged directly to the participant's account and are included in administrative expenses.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE C -- Investments

The Plan's investments are held in various money market and mutual funds. Participants may direct their contributions to any of the available investment options. The investments as of December 31, 2021 are noted on the supplemental schedule.

NOTE C -- Investments (continued)

The following investments represent 5% or more of the Plan's net assets at December 31:

	<u>2021</u>	<u>2020</u>
Fidelity Freedom 2010 - 2055	\$ 7,353,515	\$ 5,277,089
Fidelity Govt. Money Market	\$ 2,036,218	\$ 1,916,742

NOTE D -- Fair value measurements

In accordance with generally accepted accounting principles, the Plan has categorized all investment assets according to the fair value hierarchy as either: Level 1, observable inputs that are derived from quoted prices (unadjusted) for identical assets or liabilities in an active market; Level 2, quoted prices in non-active markets or in active markets for similar assets or liabilities, inputs other than quoted prices that are observable, and inputs that are not directly observable, but are corroborated by observable market data; or Level 3, unobservable inputs, which cannot be corroborated by external market data.

The Plan does not hold any Level 2 or Level 3 investment assets. The following table summarizes the Level 1 investment assets held by the Plan at December 31:

	<u>2021</u>	<u>2020</u>
Money market funds	\$ 2,036,218	\$ 1,916,742
Mutual funds:		
Growth funds	3,014,456	2,575,810
Balanced funds	186,546	160,709
Fixed income funds	7,285,361	5,538,969
Value funds	64,730	90,284
Index funds	<u>411,276</u>	<u>287,610</u>
Total mutual funds	<u>10,962,369</u>	<u>8,653,382</u>
Total investments	<u>\$ 12,998,587</u>	<u>\$ 10,570,124</u>

The fair value of mutual funds is based on the quoted net asset values of the shares held by the Plan at year end.

NOTE E -- Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE F -- Tax status

The Plan's prototype (non-standardized) has received a favorable determination letter from the Internal Revenue Service dated June 30, 2020, with respect to the tax-exempt status of the Plan. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust is tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE G -- Information prepared and certified by a qualified institution

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, a qualified institution, at December 31:

	<u>2021</u>	<u>2020</u>

NOTE H -- Related party transaction

Certain Plan investments are managed by Fidelity or its affiliate Fidelity Investments Institutional. Fidelity is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid to Fidelity and affiliates for administrative and record keeping services were \$4,767 for the year ended December 31, 2021.

NOTE I -- Subsequent events

As a result of the spread of Coronavirus-19, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in substantial volatility in the value of investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

The date to which events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosure is October 13, 2022 which is the date on which the financial statements were available to be issued.
