INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Link Restaurant Group, LLC 401(k) Plan
New Orleans, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Link Restaurant Group, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Link Restaurant Group, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Link Restaurant Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Link Restaurant Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Link Restaurant Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Link Restaurant Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LINK RESTAURANT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

1) Description of plan

The following description of the Link Restaurant Group, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan sponsored by Link Restaurant Group, LLC, (the Company or Employer). The Plan covers substantially all employees of the Company. Employees are eligible after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Participant contributions

Participants may elect to contribute up to 100% of their eligible earnings each pay period, as defined in the Plan, subject to further limitations imposed by provisions of the Internal Revenue Code. Participants may make after-tax voluntary contributions, as defined by the Plan. In addition, a participant who has attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with limitations under the Internal Revenue Code.

(c) Employer contributions

(i) Basic matching

The Employer contributes to the Plan in the form of a matching contribution in an amount equal to 100% of a participant's elected deferral; however matching contributions will not be made with respect to participant contributions in excess of 4% of eligible earnings.

(ii) Employer non-elective contributions (profit sharing contributions)

The Employer may make a profit-sharing contribution at its discretion, allocated on a uniform percentage of included compensation or a uniform dollar amount. Participants must be employed on the last day of the Plan year. There were no profit sharing contributions made for the years ended December 31, 2021 and 2020.

(d) Vesting

Participants are immediately vested in their contributions plus earnings thereon. The portion of each participant account representing the Company's safe harbor matching contribution vests immediately. Participants vest in employer non safe harbor matching contributions at 20% each year, starting in year two and are fully vested after six years of service.

(e) Forfeitures

Forfeitures are used to reduce administrative expenses and Employer match of the Plan. In 2021 and 2020, Plan expenses were reduced by \$114 and \$140, respectively. \$4,598 and \$5,871 were used to reduce the Employer match in 2021 and 2020, respectively. Forfeitures available to offset future Employer contributions and administrative expenses at December 31, 2021 and 2020 were \$26,889 and \$27,624, respectively.

(f) Participant accounts

Each participant's account is credited with the participant's contribution, allocations of Plan earnings, the Company's contributions and loan principal and assessed interest payments. The

For the Years Ended December 31, 2021 and 2020

1) Description of plan (continued)

(f) Participant accounts (continued)

benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

(g) Payment of plan benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive their benefits in installment payments, or a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service distributions are permitted after attaining age 59 ½. For vested benefits of a terminated participant not exceeding \$5,000, the plan administrator has the discretion to pay such benefits as a lump sum as soon as administratively feasible.

(h) Notes receivable - participant loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loans are restricted to vested dollars only. The loans are secured by the balance in the participant's account. Loans must be repaid through payroll deductions with a maximum loan term of five years, unless the loan is for the purchase of a participant's primary residence. The interest rate charged for a Plan loan will be prime rate, as published in the Wall Street Journal, plus 2%.

2) Summary of significant accounting policies

(a) Basis of accounting

The accompanying financial statements have been prepared on an accrual basis of accounting.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 10 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan maintains a benefit-responsive investment contract with Transamerica Life Insurance Company. Transamerica Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, which approximates fair value, as reported to the Plan by Transamerica Life Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The average yield at 2021 and 2020 was 0.75% and 0.80%, respectively.

(c) Net appreciation (depreciation) in fair value of investments

The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or losses, and the unrealized appreciation (depreciation) of those investments.

LINK RESTAURANT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

2) Summary of significant accounting policies (continued)

(d) Use of estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(e) Payment of benefits

Benefits are recorded when paid.

(f) Notes receivable – participant loans

Participant loans are classified as notes receivables – participant loans and are measured at the unpaid balance plus unpaid accrued interest. The Plan classifies all participant loans with no payment received for 6 months as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statements of changes in net assets available for benefits. During 2021 and 2020, deemed distributions were \$3,639 and \$12,552, respectively.

3) Investments

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$651,505 and \$473,814 for the years ended December 31, 2021 and 2020 respectively.

4) Federal income taxes

The Plan adopted a prototype plan document. The prototype plan received an opinion letter from the Internal Revenue Service dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the letter, including amendments made to comply with recent law changes. The Plan itself has not separately applied for a determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan's financial statements.

United States generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is not subject to U.S. federal and state income tax examinations by tax authorities beyond three years from the filing of those returns.

5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

LINK RESTAURANT GROUP, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

6) Plan administrative costs

The Plan sponsor absorbs significant administrative costs of the Plan. Administrative expenses paid by the Plan arise from processing fees for loans and distributions that are charged to their respective participants' accounts. In addition, certain investment accounts charge asset and participation fees that are allocated among the respected participants.

7) Related party transactions

Certain Plan investments are shares of investment contracts managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8) Risks and uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

9) Information certified by the trustee (unaudited)

The following is a summary of the investment information regarding the Plan as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, included in the Plan's financial statements and supplemental schedules that was prepared by or derived from information prepared by Transamerica Life Insurance Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

10) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurements level within the fair value hierarchy is based on the lowest level of any inputs that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investment contract: Valued at fair value which approximates contract value.

Pooled separate accounts: Valued at net asset value, which is fair market value, as the assets are market-to-market on a daily basis.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

11) Prohibited transactions

During the Plan year ended December 31, 2021, employee withholdings and employee loan payments in the amount of \$85,348 were not remitted within the appropriate period by the Company. These transactions constitute prohibited transactions as defined by ERISA. Lost earnings on the 2021 withholdings had not been remitted to the Plan as of the date of this report.

During the Plan year ended December 31, 2020, employee withholdings and employee loan payments in the amount of \$64,359 were not remitted within the appropriate period by the Company. These transactions constitute prohibited transactions as defined by ERISA. Lost earnings on the 2020 withholdings were remitted to the Plan subsequent to the Plan year ending December 31, 2021.

During the Plan year ended December 31, 2019, employee withholdings and employee loan payments in the amount of \$107,569 were not remitted within the appropriate period by the Company. These transactions constitute prohibited transactions as defined by ERISA. Lost earnings on the 2019 withholdings were remitted to the Plan subsequent to the Plan year ending December 31, 2021.

During the Plan year ended December 31, 2018, employee withholdings in the amount of \$168,153 were not remitted within the appropriate period by the Company. These transactions constitute

prohibited transactions as defined by ERISA. Lost earnings on the 2018 withholdings were remitted to the Plan subsequent to the Plan year ending December 31, 2021

During the Plan year ended December 31, 2017, employee withholdings in the amount of \$128,761 were not remitted within the appropriate period by the Company. These transactions constitute prohibited transactions as defined by ERISA. Lost earnings on the 2017 withholdings were remitted subsequent to Plan year ending December 31, 2021.

12) Partial termination

As a result of a reduction of the Plan sponsor's workforce in 2020, the Plan experienced a partial plan termination as defined by ERISA in 2020. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Company. If a partial plan termination occurs, full vesting in the Employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

All affected employees who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

13) CARES Act

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted in to implement the following provisions:

- Through December 31, 2020, qualified individuals were permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution was not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who took a qualified distribution had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Required minimum distributions for calendar year 2020 were waived for retired and retirement aged individual.
- Participants could elect to defer loan repayments in 2020. If such elections were made, the participants note, including the interest deferred was re-amortized on January 1, 2021, and the loan repayment period was extended by the length of time repayments were deferred.

14) Subsequent events

The Company has evaluated subsequent events through the date of the auditors' report, the date which the financial statements were available to be issued. There were no subsequent events that required recognition or additional disclosures in these financial statements.
