Independent Auditor's Report

To the Administrative Committee of
Caldwell Hospice and Palliative Care, Inc. Retirement Plan
Lenoir, North Carolina 28645

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Caldwell Hospice and Palliative Care, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Caldwell Hospice and Palliative Care, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caldwell Hospice and Palliative Care, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caldwell Hospice and Palliative Care, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caldwell Hospice and Palliative Care, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caldwell Hospice and Palliative Care, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Administrative Committee of
Caldwell Hospice and Palliative Care, Inc. Retirement Plan
Lenoir, North Carolina 28645

We were engaged to audit the accompanying the statement of net assets available for benefits of Caldwell Hospice and Palliative Care, Inc. Retirement Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by American United Life Insurance Company (AUL), the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CALDWELL HOSPICE AND PALLIATIVE CARE, INC. RETIREMENT PLAN

Notes to Financial Statements For the Years Ended December 31, 2021 and 2020

1. Plan Description

The following description of the Caldwell Hospice and Palliative Care, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Caldwell Hospice and Palliative Care, Inc. Retirement Plan is a defined contribution plan established to provide additional retirement security for eligible employees of Caldwell Hospice and Palliative Care, Inc. by permitting them to contribute tax deferred compensation to the Plan under the provisions of Section 403(B) of the Internal Revenue Service Code (the Code). Membership in the Plan is voluntary. Membership is offered to all eligible employees of the Company upon his/her first day of employment with the employer. There is no age or service requirement to participate in the elective deferrals of the Plan.

Contributions - Each year, participants may contribute up to the maximum allowed by law. The contributions may be made to the Plan or a plan account that qualifies as a Roth 401(K). The maximum dollar limit is \$19,500 for 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and an insurance investment contract as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a target date retirement fund until changed by the participant. The Company does not make a matching contribution. A nonelective contribution may be contributed at the option of the Company to all eligible employees. Contributions are subject to certain statutory limitations.

Participant's Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Company's nonelective contributions of their accounts is based on years of service. A participant is 100% vested after six years of credited service.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$129,561 and \$135,843, respectively. These accounts will be used to pay Plan expenses and then used to reduce any nonelective contributions. Also, in 2021 and 2020, employer contributions were reduced by \$7,819 and \$4,870, respectively, from forfeited nonvested accounts.

Notes Receivable From Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of 4.25%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, installments or the annuity distribution option.

2. Summary of Significant Accounting Policies

Basis of Accounting - Investment contracts held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for participants.

Notes Receivable from Participants - Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables are set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

		<u>Fair Value Measurements Using:</u>
		<u>Quoted Prices in Active</u>
		<u>Markets for Identical</u>
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Assets (Level 1)</u>
Total assets at fair value	<u>\$6,312,809</u>	<u>\$6,312,809</u>
 <u>December 31, 2020</u>		
Total assets at fair value	<u>\$5,555,036</u>	<u>\$5,555,036</u>

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the years presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments. Unrealized gains/(losses) from the guaranteed investment contract are not reported in the statement of changes in net assets available for benefits as the contract is recorded at contract value for presentation in the net assets available for benefits. The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

4. Information Prepared and Certified by Trustee (Unaudited)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by The Nationwide Financial Services, Inc. and The Principal and furnished to the Plan administrator. The Plan administrator has obtained certifications from The Nationwide Financial Services, Inc. and The Principal that such information was complete and accurate as of and for the year ended December 31, 2021 and 2020.

The following presents the fair value of investments as of December 31, 2021 and 2020:

December 31, 2021

Mutual Funds	\$6,312,809
Fixed Income Guaranteed Account	167,365
Outstanding Loan Balance	<u>97,570</u>
Total investments	<u>\$6,577,744</u>

December 31, 2020

Mutual Funds	\$5,555,036
Fixed Income Guaranteed Account	922,292
Outstanding Loan Balance	<u>111,302</u>
Total investments	<u>\$6,588,630</u>

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$778,747 and \$752,524, respectively as follows:

December 31, 2021

Mutual Funds	\$1,533,674
Fixed income	<u>(754,927)</u>
	<u>\$ 778,747</u>

December 31, 2020

Mutual Funds	\$225,654
Fixed income	<u>526,870</u>
	<u>\$752,524</u>

5. Guaranteed Investment Contract with Insurance Company

The Plan has entered into a fully benefit-responsive guaranteed investment contract with Nationwide Life Insurance Company (Nationwide) and The Principal. Nationwide and The Principal maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. There is no adjustment to contract value in arriving at net assets available for benefits as contract value less any contingent deferred sales charge, if applicable, and market value adjustment is equal to contract value. Contract value, as reported to the Plan by Nationwide and The Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$167,365 and \$922,292, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on an annual basis for resetting.

6. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. Commitments

Net assets available for benefits at December 31, 2021 and 2020 include \$835,071 and \$755,294, respectively, allocated to the accounts of persons who as of or prior to that date had withdrawn from the Plan but had not yet received total distributions.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by The Nationwide Financial Services, Inc. The Nationwide Financial Services, Inc is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan administrator, Caldwell Hospice and Palliative Care, Inc., for the investment management services amounted to \$2,500 during the years ended December 31, 2021 and 2020.

Audit fees paid by the Plan administrator were \$5,050 and \$4,900 during the years ended December 31, 2021 and 2020, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

11. Contingencies

Uncertain Tax Positions

FASB ASC 740-10, Accounting for Uncertainty in Income Taxes, clarifies the accounting for uncertainty in income tax positions. Based on an evaluation of uncertain tax positions, management is required to measure potential tax liabilities that could have a risk of greater than a 50% likelihood of being realized upon settlement. As of December 31, 2021, management has determined that the Plan has no such risk, and therefore, no liabilities have been recorded for uncertain tax positions.

The Plan is no longer subject to examination by federal authorities for years prior to 2018.

12. Adoption of Accounting Policy

The Plan changed accounting policies related to forming an opinion and reporting on financial statements of employee benefit plans subject to ERISA by adopting Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, in 2021. Accordingly, the accounting change has been applied to the current year report presented.

13. Subsequent Events

Management has evaluated subsequent events through October 14, 2022, the date on which the financial statements were available to be issued. During the period from the end of the year and through this date, no circumstances occurred that require recognition or disclosure in these financial statements.

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (Covid-19) pandemic. As a result, economic uncertainties have arisen which are likely to negatively impact net income as the stock market has been significantly affected. Other financial impact could occur though potential impact is unknown at this time.
