Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

(Continued)

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Associated Medical Professionals of NY, PLLC Employees' Defined Benefit Pension Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter Plan Termination and Liquidation- Basis of Accounting

As discussed in Note 1 and Note 2 to the financial statements, the governing body of Associated Medical Professionals of NY, PLLC Employees' Defined Benefit Pension Plan and Trust approved a plan of liquidation on November 18, 2020, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements (in liquidation) of Associated Medical Professionals of NY, Employees' Defined Benefit Pension Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements (in liquidation), and (b) the form and content of the information included in the 2020 financial statements (in liquidation) other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The accompanying notes are an integral part of these statements.

1. DESCRIPTION OF PLAN (Continued)

Pension Benefits (Continued)

The Plan allows in-service withdrawals of all or any portion of the participant's accrued benefit upon attainment of age sixty-five.

If the participant is married on the date benefits are to begin, they will automatically receive the value of the Theoretical Account Balance as a joint and 50% survivor annuity, or may elect one of the following: (1) a lump sum or (2) a life annuity. If the participant is not married on the date benefits are to begin, they will automatically receive a life annuity. The participant and their spouse, if applicable, may consent to waive the annuity form of payment to receive a lump-sum payment.

Vesting

In the event employment terminates prior to death, disability or retirement, participants are vested in a percentage of their accrued benefit based upon years of service. A participant is one hundred percent vested after three years of credited service, or upon termination of the Plan. At that time, the participant becomes 100 percent vested.

Death and Disability Benefits

In the event that an employee is actively employed with the Company at the time of death, or the employee dies while on a leave of absence and had not yet received benefits, or the employee dies subsequent to termination of employment but before receiving retirement benefits, a participant's benefit will be payable to a surviving beneficiary based on the employee's Theoretical Account Balance at the date of death.

In the event an employee becomes disabled, the employee is entitled to receive the balance in their Theoretical Account as of the date the participant begins to receive disability benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United State of America. As a result of plan management's decision to terminate the Plan as described in Note 1, the Plan changed its basis of accounting to the liquidation basis effective for the year ended December 31, 2020. The liquidation basis accounting presents assets at amounts expected to be realized in liquidation and liabilities at amounts expected to be paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and qualified institutions.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 3.

- Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2:* Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results may differ from these estimates.

3. FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Money market accounts:* valued at cost plus accrued interest, which approximates fair value.
- *U.S. government securities, corporate bonds and collateralized mortgage obligations:* valued using a combination of the quoted closing price reported on the active market on which the individual securities are traded and an evaluation of the expected yield relative to similar securities or, in the absence of an active market, or a broker quote.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2021 and 2020:

4. ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS (Continued)

The actuarially computed present value of accumulated plan benefits at January 1, 2021:

Actuarial present value of accumulated plan benefits:	
Vested benefits	\$ 22,878,293
Nonvested benefits	<u>73,414</u>
Total	<u>\$ 22,951,707</u>

A summary of changes in accumulated plan benefits is as follows for the period ended January 1, 2021:

Actuarial present value of accumulated plan benefits at beginning of year	\$ 20,393,292
Increase (decrease) during the year attributable to:	
Benefits accumulated and actuarial gains or losses	6,451,343
Benefits paid	<u>(3,892,928)</u>
Actuarial present value of accumulated plan benefits at end of year	<u>\$ 22,951,707</u>

5. CERTIFIED INVESTMENTS

The Plan administrator has received a certification from Matrix Trust Company, the custodian of the Plan, which states that the following information is complete and accurate as of and for the years ended December 31:

8. PLAN TERMINATION (Continued)

Accrued Income and Expenses Expected to be Incurred in Liquidation

The statement of net assets available for benefits (in liquidation) as of December 31, 2021 and 2020, includes estimated accrued income and expenses that are expected to be incurred during the Plan's liquidation process. The accrued income consists of accrued interest and dividends to be paid of \$107 and \$352,934 at December 31, 2021 and 2020, respectively. The accrued expenses consist of investment and management fees to be paid by the plan of \$38,166 and \$93,241 at December 31, 2021 and 2020, respectively.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
