Independent Auditor's Report

The Plan Administrator
McCraw Oil/Kwik Chek 401(k) Plan
Bonham, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of McCraw Oil/Kwik Chek 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits do not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the McCraw Oil/Kwik Chek 401(k) Plan (the Plan) provides only general information. Therefore, participants should refer to the Plan agreement or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan available to all eligible full-time employees of Taylor-Smartt, L.L.C. (the Company or Employer). The Plan is sponsored by Taylor-Smartt, L.L.C. for its employees and the employees of its wholly owned subsidiaries, McCraw Oil Company, Inc.; McCraw Transport, Inc.; and Kwik Chek Food Stores, Inc., and its affiliated company, Brownstone Leasing, L.L.C. (collectively, the Company or Plan Sponsor). The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code (IRC).

Eligibility

All employees of the Company who have completed three months of service and have attained the age of 21 are eligible to participate in the Plan.

Participant Contributions

Participants may contribute a voluntary percentage of pre-tax annual compensation, as defined by the Plan, up to the maximum percentage allowable, not to exceed the limits as determined by the IRC, through payroll deductions. Participants may also elect to contribute Roth deferrals (post-tax contributions) to the Plan, which are separately accounted for as are the gains and losses attributed to those deferrals. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

Participants who have attained the age 50 before the end of the Plan year may also contribute catch-up contributions not to exceed IRC limits.

Employer Contributions

The Company has elected to make a safe harbor matching contribution of 100% of the salary deferrals up to 3% of eligible compensation and 50% of the next 2% of eligible compensation. Under the provisions of the Plan, the Company may also make other discretionary contributions to eligible participants on their behalf, subject to IRC limitations. The Company did not make any discretionary contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions and/or profit-sharing contribution, and earnings or losses, and may be charged with certain administrative expenses. Plan earnings or losses are applied to a participant's account balance based on the investment experience of the funds held and the number of shares owned in each fund by the participant.

McCraw Oil/Kwik Chek 401(k) Plan

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions and safe harbor contributions plus actual earnings or losses thereon. Vesting in the Company's discretionary matching and profit-sharing contributions portion of their accounts, plus actual earnings or losses thereon, is based on continuous years of service, as follows:

Years of Service	Vested Percentage (%)
Less than 1	-
1	20
2	40
3	60
4	80
5	100

Upon death or disability, the participant (or his/her beneficiary in case of his/her death) becomes 100% vested in the Plan. Upon reaching normal retirement age or after five years in the Plan, the participant becomes 100% vested in the Plan.

Forfeitures

Forfeitures of terminated participants' non-vested account balances are retained in the Plan and may be used to pay administrative expenses; remaining amounts will be used to reduce future Company contributions to the Plan. There were no forfeited accounts with balances at December 31, 2021 or 2020. There were no forfeitures applied in the reduction of Company matching or profit-sharing contributions for the year ended December 31, 2021.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted and signed into law. The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions: (a) special coronavirus distributions up to \$100,000 and (b) suspended required minimum distributions for 2020.

Payment of Benefits

The benefit to which a participant is entitled equals the value of the participant's vested interest in his or her account. Upon termination of service due to death, disability, severance, or retirement, a participant may elect to receive a lump-sum payment equal to the vested portion of his or her account, or annual annuity installments over a set term established by the Plan. Additionally, under certain circumstances of financial hardship, including the relief provisions under the CARES Act, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$1,000 may be automatically paid out at the discretion of the Company.

Notes to Financial Statements

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently holds a money-market fund and several mutual fund options for investment.

Administrative Expenses

The Company is the Plan administrator. Expenses incidental to the administration of the Plan, such as administrative services, are paid by the Company. The Plan pays certain expenses related to participant-requested services, such as distribution and loan fees. There are investment fees that are netted against any revenue received from providers of the underlying investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses for investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

3. Fair Value Measurements

The accounting standards establish a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy places the highest priority on unadjusted quoted marked prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - This level consists of quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - This level consists of significant other observable inputs other than Level 1 inputs, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - This level consists of significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of its investments:

Mutual Funds - The fair value of mutual fund investments is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Common Collective Trusts - The fair value of participation units held in collective trusts is based on the net asset values (NAV) reported by the fund managers as of the financial statement dates and recent transaction prices. The investment objective of the collective trust is to provide preservation of capital and provide relatively stable returns consistent with a low-risk profile. The collective trust provides for daily redemptions by the Plan at reported NAVs per share, with no advance notice requirement

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value, or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

The following tables present the Plan's fair value hierarchy by asset class for those assets measured at fair value:

December 31, 2021

	Investment at Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,386,012	\$ -	\$ -	\$ 6,386,012
Assets measured at NAV*	-	-	-	710,094
Total Investments, at fair value	\$ 6,386,012	\$ -	\$ -	\$ 7,096,106

December 31, 2020

	Investment at Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,258,369	\$ -	\$ -	\$ 5,258,369
Assets measured at NAV*	-	-	-	843,566
Total Investments, at fair value	\$ 5,258,369	\$ -	\$ -	\$ 6,101,935

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share:

Notes to Financial Statements

4. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

The Plan's independent accountants did not perform any auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts would become fully vested.

6. Tax Status of the Plan

The Company adopted a prototype plan document sponsored by Fidelity Management and Research Co. (Fidelity). Fidelity received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax provisions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be substantiated by the taxing authorities. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

7. Related Party and Parties-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the trustee and its affiliates qualify as party-in-interest transactions.

The Plan also pays for third-party administrator fees and investment advisory fees, which qualify as party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions which are exempt from prohibited transaction rules.
