INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator of
Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C) .

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Synergic Healthcare Solutions, LLC 401(k) Profit Sharing Plan Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan was amended effective January 1, 2019 to allow immediate participation for all eligible employees employed on February 1, 2019, August 1, 2019 and September 2, 2019.

The Plan was amended effective June 1, 2020 to modify the eligibility service requirement for elective deferrals from completion of 1,000 hours of service in a twelve consecutive month period to completion of two months of service.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permits deferral of loan payments due through December 31, 2020, and permits the extension of the loan term for up to one year, allows an increase in the maximum loan that may be taken to \$100,000 (or 100% of the account balance, if less) if initiated within 180 days of enactment of the CARES Act, and permits suspension of 2020 required minimum distributions. The Company authorized implementation of such Coronavirus related distribution and loans. Written amendments to the plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance. During 2020, Coronavirus related loans totaling \$3,651 were taken.

Eligibility

Employees of the Company who have attained age twenty-one and completed two months of service are eligible to participate in the Plan for purposes of making elective deferral contributions. Employees of the Company who have attained age twenty-one and completed 1,000 hours of service in a twelve consecutive month period are eligible to participate in the Plan for purposes of receiving Safe Harbor contributions and profit sharing contributions.

Contributions

After enrollment in the Plan, participants may elect to contribute up to 100% of their annual compensation as pre-tax or after-tax Roth contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover contributions from another qualified plan or individual retirement account. Participants direct the investment of their contributions among various investment options offered by the Plan.

1. Description of Plan (continued)

The Company will make Safe Harbor contributions not less than 3% of participants' compensation. The Company made Safe Harbor contributions totaling \$171,256 and \$134,916 for 2021 and 2020, respectively. The Company also may make profit sharing contributions. A participant is eligible for an allocation of profit sharing contributions if they completed 500 hours of service during the Plan year or were employed on the last day of the Plan year. There were no profit sharing contributions made in 2021 and 2020. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions, as well as investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances, equally among participants or to specific participants for transactions specifically incurred by them. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions and the employer Safe Harbor contribution portion of their account plus actual earnings thereon and, if applicable, any amounts "rolled over" into their account. Vesting of the employer profit sharing contributions and earnings thereon is based on the participant's period of service with the Company. Participant's vest 20% per year beginning in the second year of service and are fully vested after six years. Participants who attain normal retirement age while employed or incur severance of employment as a result of death or disability become 100% vested.

Forfeitures

Forfeitures will be used to reduce future employer contributions or pay administrative expenses. There was no balance of forfeited nonvested accounts at December 31, 2021 and 2020.

Notes Receivable from Participants

The Plan allows participants to borrow up to the lesser of \$50,000 minus the highest outstanding loan balance in the last twelve months or one-half of the present value of the vested account balance at the time of loan request. Loans must be for a minimum of \$1,000 and are limited to one loan per participant at a time. Loans to participants are secured by the participant's vested account balance. Interest rates are based on the Prime Rate at the time of the loan was created. Loans must be repaid within five years.

A participant's loan will be in default if not repaid in accordance with the repayment schedule and becomes payable in full upon termination of employment. Upon default, the entire balance will be reclassified as a distribution. An allowance for credit losses was not necessary at December 31, 2021 and 2020.

1. Description of Plan (continued)

Payment of Benefits

Participants are eligible to receive a distribution upon termination of employment. Distributions will be made in one lump sum payment in cash or rolled over into an IRA account or another qualified plan or in annual or more frequent installments under a continuous right of withdrawal. Participants' account balances between \$1,000 and \$5,000, upon termination, will be rolled-over to an IRA if an election for distribution is not made by the participant. Participants with account balances less than \$1,000 are subject to involuntary cash-out upon termination of service. The Plan also allows in-service distributions from fully vested account balances for participants age 59½ or older.

Plan Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Company personnel provided administrative services to the Plan at no charge in 2021 and 2020. Administrative expenses include fees related to the administration of notes receivable from participants and withdrawals charged directly to the participant's account and certain investment advisory and recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are valued at fair value as reported to the Plan and certified by John Hancock Life Insurance Company (U.S.A.) (John Hancock). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Contributions

Employee contributions are accrued when wages are paid. Employer contributions are accrued as of the end of the Plan year based on Plan compensation for the Plan year.

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities, will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

3. Investments

The Plan's assets, including investments and notes receivable from participants, were held by John Hancock at December 31, 2021 and 2020. The information included in the accompanying financial statements and Supplemental Schedule of Assets Held at End of Year were obtained from data that has been prepared and certified to as complete and accurate by John Hancock.

The Plan's investments, including gains and losses on investments sold during the year, appreciated in fair market value by \$389,124 and \$302,455 during 2021 and 2020, respectively, as certified by John Hancock.

Interest income from participant notes receivable was certified by John Hancock for the year ended December 31, 2021 and 2020.

While under the terms of the Group Annuity Contract with John Hancock Life, John Hancock reserves the right to impose redemption fees and restrictions for transfers from the pooled separate accounts. Specifically, participants are restricted to two transfers between investment options during a calendar month. Once this limit is met, a participant may transfer their full account balance to a money market or stable value fund and then would be restricted from making any further transfers for 30 days. Certain underlying mutual funds also impose redemption fees of 2% for sales or exchanges of shares not held for thirty-days. Also, certain underlying mutual funds impose a 2% redemption fee on all sales or exchanges of the fund over \$25,000 within a thirty-day period. In addition, John Hancock may impose other trading restrictions as they determine necessary such as: restricting the number of transfers in a specified time period, restricting the dollar amount of a transfer, restricting the method used to submit a transfer, restricting transfers into and out of certain investment options or applying redemption fees or other trading restrictions as requested by the underlying fund manager. John Hancock may also charge a termination fee at contract termination.

4. Fair Value Measurements

GAAP provides a framework for measuring fair value and has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of other than publicly quoted prices that are observable, either directly or indirectly, and Level 3 inputs consist of unobservable inputs and has the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The level is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

- **Pooled Separate Accounts:** As a practical expedient, the net asset value of the units of the separate account is the basis for measuring fair value. The pooled separate accounts invest in mutual funds or exchange traded funds. The fair values of the underlying fund investment are based on publicly quoted prices and are used in determining the net asset values of the pooled separate accounts.

In accordance with Financial Accounting Standards Board, Accounting Standards Codification 820-10, investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

The following tables summarize investments measured at fair value based on net asset value per share as of December 31, 2021 and 2020.

December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 2,820,857	N/A	Daily	1 market day

December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 2,130,708	N/A	Daily	1 market day

The underlying mutual funds and exchange traded funds have varied investment objectives and strategies.

See Note 3 for restrictions on transfers or payments.

5. Tax Status

Effective January 1, 2017, the Employer adopted the CCH Incorporated, DBA FTWilliam.com Volume Submitter Plan. The Volume Submitter Plan obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

In order to maintain a qualified cash deferred arrangement under the Internal Revenue Service regulations, the Plan must satisfy the 401(k) non-discrimination requirements each year, which limit the percentage of compensation that can be contributed by highly compensated employees, as defined in the code, relative to the percentage of compensation contributed by non-highly compensated employees. The non-discrimination requirements were satisfied for both 2021 and 2020.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

7. Related Party and Party-In-Interest Transactions

The Plan has investments consisting of pooled separate accounts totaling \$2,820,857 and \$2,130,708 as of December 31, 2021 and 2020, respectively, which were managed by John Hancock. John Hancock is the trustee; therefore, these transactions qualify as party-in-interest.

Under the group annuity contract with John Hancock, John Hancock performs certain administrative and recordkeeping services. John Hancock receives revenue from the underlying mutual funds, trust or Exchange Traded Funds (underlying funds) and other fund-related sources. Such revenue received from the underlying funds is used to offset administrative and recordkeeping service fees.

John Hancock administrative and recordkeeping service fees of \$17,590 and \$12,286 for 2021 and 2020, respectively, are included in administrative expenses. Management fees related to the underlying funds are charged against the pooled separate accounts and are reflected in the return on investment.

The Plan also paid third party administration service fees of \$2,013 and \$1,357 for 2021 and 2020, respectively, and paid investment advisory fees of \$12,328 and \$8,433 for 2021 and 2020, respectively, which are included in administrative expenses.

7. Related Party and Party-In-Interest Transactions (continued)

The Company also paid certain administrative expenses of the Plan.

8. Subsequent Event

The Plan's management has evaluated events occurring subsequent to year end through October 12, 2022, the date the financial statements were available to be issued, for financial reporting and disclosure purposes. Plan management identified the following subsequent events:

For the period from January 1, 2022 through September 30, 2022, the fair value of the Plan's investments decreased approximately \$740,000.

Effective January 1, 2022, the Plan was restated to comply with various Internal Revenue Service requirements.
