INDEPENDENT AUDITORS' REPORT

To the Administrator
Boston Boatworks, LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Boston Boatworks, LLC 401(K) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Boston Boatworks, LLC 401(K) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United State of America.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Boatworks, LLC 401(K) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Boatworks, LLC 401(K) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Boatworks, LLC 401(K) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of asset (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Boston Boatworks, LLC 401(K) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 1 - Description of Plan:

The following brief description of the Boston Boatworks, LLC (the "Company") 401(K) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who are 21 years of age or older and have completed three months of service. Part time, temporary, or seasonal employees are not eligible to participate in the Plan unless they complete one year of service in any year of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan Management oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Management.

The Coronavirus Aid Relief, and Economic Security Act (CARES Act) was signed into law on March 27, 2020. Along with other significant provisions, the CARES Act includes several temporary relief provisions available to tax qualified retirement plans and their qualifying participants such as: (i) a new hardship withdrawal option; (ii) increased loan limits; (iii) an option to delay loan payments; and (iv) a waiver of required minimum distributions. Plan management has adopted these provisions into the Plan during 2020.

Contributions

Participant Contributions

Employees are automatically enrolled to reduce their salaries and contribute 5% of their annual compensation. Employees may elect to contribute a different percentage of their annual compensation, subject to limits determined by the Internal Revenue Code (the "Code"), or may elect not to contribute to the Plan.

Participant Roth Contributions

Participants may elect to make an after-tax contribution to a Roth Contributions Account. Such Roth elective deferrals are salary deferral contributions that are made in lieu of all or a portion of the participant's pre-tax salary deferral contribution.

Participant Catch-Up Contributions

Participants age 50 or older may elect to make additional salary deferral contributions, subject to limits set by the Internal Revenue Code.

Employer Contributions

The Company may contribute to each eligible participant's account, a discretionary matching contribution equal to a percentage of each participant's contribution, as determined by the Plan Administrator. The total annual contributions may not exceed the maximum amount deductible for income tax purposes.

Profit Sharing Contributions

The Company may contribute to each eligible participant's account, a discretionary profit sharing contribution equal to a percentage of each participant's compensation, divided by the total compensation of all participants also eligible to share in the contribution.

Notes Receivable from Participants

Participants may borrow against their vested account balances. The minimum borrowing amount is \$1,000 and may not exceed the lesser of \$50,000 or fifty percent of the participant's vested benefits. The interest rate on the outstanding loans ranges from 4.00% to 6.00%. Loans are repayable within five years from the date of the loan, unless the loan is for the purchase of the participant's primary residence. Principal and interest is paid ratably through payroll deductions.

**BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 1 - Description of Plan (Continued):

Notes Receivable from Participants (Continued)

As noted above, the Plan implemented certain relief provisions of the CARES Act which permitted certain immediate and temporary relief for retirement plan participants with respect to notes receivable from participants. Accordingly, through December 31, 2021, the loan repayments could be suspended for up to one year.

Participant Accounts

Each participant's account is credited with the participant's contribution plus an allocation of any additional contributions made by the Company and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their account plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. Any participant who attains normal retirement age, becomes disabled, or dies becomes fully vested regardless of length of service.

Investment Options

Upon enrollment in the plan, a participant may direct contributions among various investment options. Participants may change their investment options any business day during the plan year.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Benefits are recorded when paid.

Death Benefits

Upon the death of a participant, the amount held for the benefit of that participant shall be paid to the participant's designated beneficiary.

Forfeited Accounts

If participants terminate service prior to being fully vested in the employer's contribution account, they forfeit the amount which is not vested. The balance in the forfeited non-vested account can be used to pay administrative expenses or to reduce employer contributions. Any remaining forfeitures will then be used to reduce future employer contributions. At December 31, 2021 and 2020, there was \$20,337 and \$1,255 in the forfeited non-vested accounts, respectively. During the year ended December 31, 2021, \$30,576 of forfeited non-vested accounts was used to reduce employer contributions.

Administration Costs

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. The Company absorbs significant costs of plan administration.

BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies:

Accounting Method

The accounts of the Plan are maintained, and the accompanying financial statements and supplemental information have been prepared, on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP). Consequently, investment income is recognized when received and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements and supplemental information are not intended to present the net assets and changes in net assets of the Plan in conformity with GAAP.

Investment Valuation and Income Recognition

Shares of mutual funds are stated at fair value based on quoted market prices which present the net asset value of the shares held by the plan at year-end. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares in the common/collective trust funds are valued at the net asset value practical expedient of the shares held by the Plan at year-end based on the market value of its underlying investments.

The guaranteed account is a fully benefit-responsive investment contract which is valued at contract value. Contract value is the relevant measurement for assets invested in fully-benefit responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate a transaction under the terms of the ongoing plan.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses are based on an average cost basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expense when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Other

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Note 3 - Fair Value Measurements:

The "Fair Value Measurements" Topic 820 (ASC 820) of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the "Fair Value Measurements" Topic 820 of the FASB Accounting Standards Codification are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities.

Level 2: Other inputs that are observable directly or indirectly, such as quoted prices for similar assets and liabilities or market corroborated inputs.

**BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 3 - Fair Value Measurements (Continued):

Level 3: Unobservable inputs are used when little or no market data is available, which requires the Company to develop its own assumptions about how market participants would value the assets or liabilities.

In determining the fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible in its assessment of fair value.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds: Valued at fair value based on quoted market prices which represent the net asset value of the shares held by the plan at year-end.

Common/Collective Trusts: Valued at the net asset value practical expedient of the shares held by the Plan at year-end based on the market value of its underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,440,692	\$ -	\$ -	\$ 3,440,692
Investments measured at NAV*				
Common/Collective Trusts				61,385
Total Assets at Fair Value	<u>\$ 3,440,692</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,502,077</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,802,574	\$ -	\$ -	\$ 2,802,574
Investments measured at NAV*				
Common/Collective Trusts				57,190
Total Assets at Fair Value	<u>\$ 2,802,574</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,859,764</u>

* Certain investments that are measured at fair value using NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 4 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested.

**BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 5 - Tax Status:

The Plan adopted the Volume Submitter Profit Sharing Plan With CODA, which received a favorable opinion from the Internal Revenue Service (IRS) on March 31, 2014, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and restated since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan remains qualified and tax-exempt as of the financial statement date.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 6 - Information Certified by Plan's Custodian:

The Plan's assets, which consist of mutual funds, common/collective trusts, and a guaranteed account, are held by the custodian of the Plan.

The investment information presented in the accompanying statements of net assets available for benefits, statement of changes in net assets available for benefits, and supplemental schedule has been derived from information certified as complete and accurate by Matrix Trust Company as permitted by the election made by the plan administrator under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 7 - Related Party Transactions:

Certain Plan investments are common/collective trusts and a guaranteed account managed by Matrix Trust Company. Matrix Trust Company is the custodian, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the third party administrator for administrative services totaled \$24,280 for the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8 - Risks and Uncertainties:

The Plan invests in mutual funds, common/collective trusts, and a guaranteed account. In general, these investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that, such changes could materially affect the amounts reported in the statement of net assets available for benefits. The current economic environment has increased the degree of uncertainty.

Note 9 – Investment in Guaranteed Account:

The Plan invests a portion of the plan assets in a fully benefit-responsive account which is reported at contract value on the Statement of Net Assets Available for Benefits. Benefit responsiveness is defined as the extent to which a contract's term and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive investments because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents participant contributions, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses.

**BOSTON BOATWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Note 9 – Investment in Guaranteed Account (Continued):

The guaranteed account is supported by the general assets of CMFG Life Insurance Company and does not have specific underlying assets assigned to it. Interest is credited daily at a stated interest rate as shown on the contract specifications. After the initial guaranteed interest period, interest rates may be adjusted quarterly.

The contract amount is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is dependent on the issuer's ability to meet its financial obligations.

Certain events limit the Plan's ability to transact at contract value Lincoln. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal incomes taxes of any required prohibited transaction exemption under ERISA. Lincoln may terminate the annuity contract under the following circumstances (1) breach of the contract, (2) the Plan ceases to meet the requirements of the appropriate code sections, or (3) if after a reasonable amount of time, the account has not grown sufficiently. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probably of occurring.

Note 10 - Late Remittances:

During 2020 and 2019, the Company unintentionally failed to remit certain employee deferrals of \$53,158 and \$75,357, respectively, in a timely manner according to the Department of Labor regulations. The late payments are deemed a loan from the Plan to the Company from the date at which the contributions should have been remitted to the date they are actually remitted. The plan sponsor made contributions for the lost earnings on the late deposits of \$160 and \$10 in August and October 2022, respectively.

Note 11 – Missed Deferrals:

During 2020, the plan sponsor failed to withhold employee deferrals for two employees, resulting in the employees having missed deferrals of \$312, as well as corresponding employer match contributions of \$137. Upon discovery of the errors in 2021, the plan sponsor contributed the missed deferrals to the Plan. The plan sponsor has begun the process of calculating the lost earnings associated with both the employee and employer contributions, which will be contributed to the Plan in 2022.

Note 12 - Subsequent Events:

The Company has evaluated all events subsequent to the statement of net assets available for benefits date of December 31, 2021, through October 12, 2022, which is the date these financial statements were available to be issued, and have determined that, except as set forth below, there are no subsequent events that need to be recorded or that are required to be disclosed.

Effective January 1, 2022, the Plan was amended and restated to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37.
