Harrington Raceway, Inc. DBA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Harrington Raceway, Inc. DBA Harrington Raceway & Casino 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan

The following description of the Harrington Raceway, Inc. dba Harrington Raceway & Casino 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted on November 1, 1991. The Plan is a defined-contribution plan under Section 401(k) of the Internal Revenue Code covering all employees of Gaming Entertainment (Delaware), LLC and Harrington Raceway, Inc. (together, the Company) who have reached the age of eighteen, have completed ninety days of service, are not subject to collective bargaining, are not a nonresident alien with no U.S. income or considered a leased employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, subject to the limitations under applicable provisions of the Internal Revenue Code. Participants may also designate all or a portion of their 401(k) elective deferral contributions as Roth elective deferral contributions instead of pre-tax elective deferral contributions. Roth elective deferral contributions do not reduce total taxable income and do not reduce current taxes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various pooled separate accounts, mutual funds and collective investment trusts as investment options for participants. The Company may make a discretionary matching contribution based upon a percentage of participant deferrals. These matching contributions are at the discretion of the Board of Directors.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's discretionary matching contributions and, (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000. Generally, the loan may not be more than 50% of the participant's vested account or \$50,000, reduced by any outstanding loan balance during the one-year period ending on the day before the new loan is made, if less. A maximum of one loan may be outstanding at any one time for any eligible participant. The loans are secured by the balance in the participant's account and bear interest ranging from 5% to 7.50%. The interest rate will be based on the rates available for similar loans from commercial lending institutions as determined by the loan administrator. Principal and interest is paid ratably through payroll deductions or, direct payments to the third party administrator or plan sponsor.

Payment of Benefits

A participant or beneficiary may elect to receive a lump sum amount or life annuity equal to the value of the participant's vested interest in his or her account upon termination of employment, death, disability, or retirement. Normal retirement age is 65. The Plan also allows hardship withdrawals if certain conditions described in the Plan document are met.

Forfeited Accounts

There are no forfeited non-vested accounts as of December 31, 2021 and 2020 that may be used to reduce future employer matching contributions. Employer matching contributions for the year ended December 31, 2021 are reduced by \$4,521 resulting from non-vested accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

The Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020, which allowed qualified individuals to extend loan repayments up to one year. Impacted participants are allowed to delay loan repayments from March 27, 2020 through December 31, 2020. The delayed time period is disregarded in determining the loan term

in accordance with the plan agreement. Subsequent loan payments will be adjusted appropriately to reflect the payment delay.

Excess Participant Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. The Plan adopted this Update for the 2020 plan year. The Update did not have a significant impact on the financial statements.

Subsequent Events

On January 1, 2022 the Plan was amended to adopt Safe Harbor provisions. Under these provisions, the Company will match contributions at 100% up to the first 6% of compensation, as defined, and employees within the plan become 100% vested in employer safe harbor matching contributions.

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

Note 3 - Information Certified and Provided by Principal Life Insurance Company and Principal Trust Company (Unaudited)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Principal Life Insurance Company and Principal Trust Company, the insurance company/trustee of the Plan. The Plan Administrator has obtained certifications from the insurance company/trustee that information provided to the Plan Administrator by the insurance company/trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	<u>2021</u>	<u>2020</u>
<u>Investments at fair value</u>		
Pooled separate accounts	\$7,977,203	\$7,905,560
Mutual funds	969,148	872,734
Stable value collective investment trust	797,851	805,283
Collective investment trusts	9,865,239	7,476,239
<u>Contributions receivable</u>		
Participants	\$ 1,709	\$ 2,813
Employer	1,203	2,081

Principal Life Insurance Company and Principal Trust Company also certified to the completeness and accuracy of \$2,506,704 of net appreciation in fair value of investments, \$5,942 of dividend income related to the aforementioned assets and \$48,139 of interest related to notes receivable from participants for the year ended December 31, 2021.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest

HARRINGTON RACEWAY, INC. DBA HARRINGTON RACEWAY
& CASINO 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Primarily valued at net asset value (NAV) per share as a practical expedient based upon quoted market prices of the underlying asset(s). A certain pooled separate account (Principal U.S. Property) does not use quoted market prices but rather an estimate using discounted cash flow valuation models that utilize public real estate market data inputs such as transaction prices, market rents, vacancy levels, leasing absorption, market cap rates and discount rates. In addition, each property is appraised annually by an independent appraiser.

Mutual Funds: Valued at quoted prices as reported on the active market in which the investments are traded.

HARRINGTON RACEWAY, INC. DBA HARRINGTON RACEWAY
& CASINO 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Collective Investment Trusts: Valued at NAV, which is based on the quoted market prices of the underlying securities of the funds. The unit price is based on the value of the underlying investments assets owned by the fund divided by the number of shares outstanding.

Stable Value Collective Investment Trust: The stable value fund which is comprised primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the collective investment trust. NAV is based on contract value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>2021</u>	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$969,148</u>	<u>\$ 969,148</u>
<u>Total Assets in the Fair Value Hierarchy</u>	<u>\$969,148</u>	969,148

<u>Total Assets at Fair Value</u>		<u>\$19,609,441</u>
<u>2020</u>	<u>Level 1</u>	<u>Total</u>

Stable value collective investment trust (a)		805,283
Collective investment trusts (a)		<u>7,476,239</u>
<u>Total Assets at Fair Value</u>		<u>\$17,059,816</u>

(a) Certain investments that are measured at fair value using NAV (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of

& CASINO 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The Plan did not have any Level 2 or Level 3 investments as of December 31, 2021 or 2020.

None of the above investments have unfunded commitments. The investment trusts have a daily redemption frequency with a one day notification period.

Note 5 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Note 6 - Income Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Principal Life Insurance Company which received an opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS) as to the prototype plan's qualified status. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the

& CASINO 401(K) RETIREMENT PLAN

provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 9 - Related-Party and Party-In-Interest Transactions

Principal Life Insurance Company (PLIC) currently provides services to the Plan pursuant to the service agreement between the Plan and PLIC. PLIC receives service revenue from certain mutual fund companies and other investment providers. Such revenue typically includes distribution and sales fees, servicing fees, sub-transfer fees and internal expense credits. This revenue is used to offset certain amounts owed to PLIC for its administrative services to the Plan.

During 2019, PLIC agreed that certain amounts of revenue available to the recordkeeper will be allocated to an ERISA Budget based upon a formula stated in the plan expense agreement. The revenue available to the recordkeeper is applied (i) first, to defray Principal Life Insurance Company's fee for recordkeeping services, (ii) second, to fund the ERISA Budget account, (iii) third, to be credited to the Plan as a fee adjustment. The fee adjustment will be applied pro rata to all participants with an account balance, and to all contribution types.

The amount paid from the ERISA Budget to the Plan totals \$-0- for the year ended December 31, 2021.
