## INDEPENDENT AUDITORS' REPORT

To The Trustees  
Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust  
Wayne, New Jersey

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of 2021 the Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metropolitan Foods, Inc. 401(k) Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at the end of the Plan year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

METROPOLITAN FOODS, INC.  
401(K) RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of Metropolitan Foods, Inc. (the Company) 401(k) Retirement Plan and Trust (the Plan) provides only general information and is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, which is responsible for their integrity and objectivity. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all the Company's employees who have attained the age of 21 and completed three (3) months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CARES Act, SECURE Act and Miners Act

The Plan has adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, which were immediately available for coronavirus-related distributions, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that were due during 2020. In addition, the Plan has adopted certain provisions under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) and the Bipartisan American Miners Act of 2018 effective as of January 1, 2020. The Sponsor is operating the Plan in compliance with the Act and management intends to formally execute the required Plan amendments for these provisions by the last day of the Plan year beginning or after January 1, 2025.

The following descriptions of the Plan below have been updated with the provisions of the CARES, SECURE and Miners Acts that impact the Plan.

Contributions

The Plan provides for an employer matching contribution equal to 50% of a Participant's Elective Deferral which does not exceed 3% of the contributing participant's compensation. The employer matching and any related forfeitures will vest based on years of continuous service. Each participant may direct the matching contributions into an available investment fund, as defined. Employer profit-sharing contributions to the Plan are made at the discretion of the Company.

Each eligible employee may elect to make pretax contributions by authorizing his or her compensation to be reduced by any whole percentage not to exceed the current year's statutory limits. No employee is permitted to make a contribution in excess of the dollar limitation specified in the Internal Revenue Code (the Code) at the beginning of the Plan year.

In order to satisfy the rules of Section 415 of the Code, the amount of annual additions, as defined, to each participant's individual account are limited under the Plan. In no event shall the annual addition, as defined, exceed the lesser of \$50,000 or 100% of the participant's compensation, as defined, or such other limits as may be prescribed by the Code.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (continued)

Participants' accounts

Each participant's profit-sharing account is credited with an allocation of (a) the employer's contribution, (b) Plan earnings, (c) forfeitures of terminated participants' nonvested accounts, and (d) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their account plus actual earnings thereon is based on years of continuous service.

Each participant has a vested interest in their account based on years of service, as defined. After an amendment in November 2020 to reduce the vesting requirements, a participant is now vested as follows:

| <u>Years of<br/>vesting service</u> | <u>Percentage</u> |
|-------------------------------------|-------------------|
| Less than 1 year                    | 50                |
| 1 year                              | 75                |
| 2 years                             | 100               |

Participants also become fully vested upon attaining normal retirement age, death or disability.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of the loan shall not exceed five years except in the case of a loan for the purpose of acquiring a principal residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate of interest determined by taking into account interest rates being charged at the time of the loan. Principal and interest are paid ratably through payroll deductions. If the participant fails to make payments, the loan is considered in default and is accounted for as a distribution.

The CARES Act made loan relief available to qualified plan participants. This relief included a temporary increase in the participant loan limit for qualified individuals to the lesser of 50% of their vested account balance up to \$100,000 (previously \$50,000) on loans issued between March 27, 2020 through September 23, 2020. The CARES Act also provided that any loan payments due between March 27, 2020 and December 31, 2020 could be delayed for up to one year and the five-year repayment period will disregard the 2020 year.

Investment options

Each participant can place their contribution in one or more investment options offered by the Custodian. Funds can be transferred between investment options.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (continued)

Payment of benefits

A participant may request a payment of benefits if the employee a) is terminated, b) becomes disabled, c) reaches age 59½ and d) is experiencing a financial hardship. Participants may elect to withdraw all or a portion of the payout as a lump sum payment, partial payment, direct rollover, installment payments, annuity contracts (if assets are held in a custodial account) or defer payments. Participants must begin taking distributions by the later of April 1<sup>st</sup> following the calendar year in which they attain the age 72 or the date of retirement.

On termination of service, if the participant's vested account balance is less than \$1,000, the participant will receive that amount in a lump sum. If the vested balance exceeds \$1,000, a participant may elect to receive their vested amount in a lump sum or leave the vested account in the Plan and defer receipt of benefit.

In the event of a participant's death, the vested accounts will be distributed to the beneficiary as soon as practicable. The distribution will be made in the form of a single lump-sum cash payment unless the beneficiary elects to receive the distribution in installments.

If a participant dies after commencement of benefit payments, then the remaining portion of the benefit payments shall be distributed at least as rapidly as under the method of periodic distribution being used at the time of death.

The CARES Act allowed qualified individuals to take a coronavirus-related hardship distribution of up to \$100,000 from the Plan. Eligible hardship distributions could be taken up to December 31, 2020 and the distributions were not subject to the customary 10% early withdrawal penalty. The tax associated with the coronavirus distribution can be repaid by the participant over a three-year period.

Forfeited accounts

Forfeitures are retained in the Plan and are used to reduce the benefit payments. Forfeitures for the years ended December 31, 2021 and 2020 amounted to \$4,652 and \$1,808, respectively.

Plan expenses

All administrative expenses are paid out of the Plan unless paid by the Company.

401(K) RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting. These accounting policies conform to accounting principles generally accepted in the United States of America as promulgated in FASB Accounting Standards Codification (the Codification), and have been consistently applied in the preparation of the financial statements.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment valuation and income recognition

The Plan's investments in pooled separate accounts are stated at unit value, which approximates fair value. The Plan's investments in fully-benefit-responsive investment contracts are reported at contract value, which is the amount that participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Uncertain tax positions

As of December 31, 2021, the Plan Administrator believes that based on evaluation of the Plan's tax positions that any liability as a result of uncertain tax positions would not be material. Management continually evaluates expiring statutes of limitations, changes in tax law, and new authoritative rulings to assist in evaluating the Plan's tax positions. Accrued interest and penalties associated with uncertain tax positions, if any, would be recognized as part of the income tax provision. Filings are required only in the U.S. federal jurisdiction. Filings prior to the Plan year ended December 31, 2018 are closed.

Reclassifications

Certain 2020 amounts have been reclassified to conform to the 2021 presentation.

3. Tax status

The Internal Revenue Service has determined and informed Metropolitan Foods, Inc. that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

METROPOLITAN FOODS, INC.  
401(K) RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

4. Risks and uncertainties

The Plan provides for investment options. These investments are exposed to various risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of the investments, it is at least reasonably possible that changes in risks in the near term would materially affect the financial statements.

The Plan maintains its investments with an investment manager. Exposure to credit risk is reduced by placing such deposits in high quality financial institutions and by following an investment strategy which utilizes a wide range of diversified funds.

Management has reviewed the Plan in light of the COVID-19 pandemic in order to determine the financial impact. Economic uncertainties have arisen which may impact investment income and other Plan transactions. Other financial impact could occur though such potential impact is unknown at this time. In addition, the Federal and state responses to the pandemic could change the analysis done by the Plan, and that change could be material.

5. Plan termination

The Company has the right under the Plan to discontinue its contributions at any time and to entirely terminate the Plan subject to the provisions of ERISA, which would result in the participants becoming 100% vested before receiving a final distribution from their accounts.

6. IRS non-discrimination

In order for the Plan to pass the required IRS non-discrimination tests and prevent the Company from excise tax on the excess contributions, participants who exceeded the maximum contributions must be refunded the excess amount by March 15<sup>th</sup> following the Plan year end. Excess contributions were \$121,574 and \$95,906 for the years ended December 31, 2021 and 2020, respectively. Excise taxes incurred by the Company on excess contributions were \$12,191 and \$8,401 for the years ended December 31, 2021 and 2020, respectively.

7. Party-in-interest transactions

The Company pays for professional fees relating to the services provided to the Plan. Fees paid on behalf of the Plan were approximately \$10,000 for each of the years ended December 31, 2021 and 2020. The Company also provides certain accounting and administrative services to the Plan for which no fees are charged.

The assets of the Plan invested with the Custodians are considered party-in-interest investments. The Custodians are a party-in-interest as provider of investment management and recordkeeping services to the Plan. These transactions are exempt from prohibited transaction rules. Indirect fees paid by the Plan for said services are included as a reduction of the investment return. Direct fees paid for recordkeeping custody of the Plan assets and participant data amounted to \$73,519 and \$53,659 during the years ended December 31, 2021 and 2020, respectively.

In addition, third party administrator fees of \$13,207 and \$9,117 were paid from Plan assets for the years ended December 31, 2021 and 2020, respectively.

METROPOLITAN FOODS, INC.  
401(K) RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

8. Certification by Custodians

We have been informed by the Plan administrator that Mid Atlantic Trust Company held the Plan's investment assets and executed investment transactions for the period January 1, 2020 to September 9, 2020 and Lincoln Financial Group held the Plan's investment assets and executed investment transactions for the period September 10, 2020 to December 31, 2021. The Plan administrator has obtained certifications from the Custodians as of and for the years ended December 31, 2021 and 2020, that the information provided to the Plan administrator by the Custodians is complete and accurate.

The following account balances and transactions were obtained from these certified statements:

Statements of net assets available for benefits:

- Investments at contract value
- Investments at fair value

Statements of changes in net assets available for benefits:

- Net appreciation in fair value of investments

9. Fair value measurement of investments

The Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements).

The three levels of the fair value hierarchy are as follows:

- Level 1 – Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

- Level 2 – Inputs other than quoted prices that are observable for the assets or liability either directly or indirectly, including inputs that are not considered to be active;

- Level 3 – Inputs that are unobservable.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad criteria data, liquidity statistics, and other factors. An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

However, the determination of what constitutes "observable" requires significant judgment by the Plan. The Plan considers observable data to be that market data which is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, provided by multiple, independent sources that are actively involved in the relevant market. The categorization of an investment within the hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

9. Fair value measurement of investments (continued)

Investments are carried at fair value based on quoted prices in active markets and consist of the following at December 31:

|                          | Fair market value<br>2021 |                      |           |                      |

|                          | Level 1                   | Level 2              | Level 3   | Total                |

|                          | Level 1                   | Level 2              | Level 3   | Total                |

|                          | <u>\$</u>                 | <u>\$ 11,273,330</u> | <u>\$</u> | <u>\$ 11,273,330</u> |

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation or depreciation in fair value of investments.

10. Investments at contract value

The Plan invests in a FBRIC with Lincoln Financial Group in the form of a fixed annuity contract that invests in traditional investment contracts. Lincoln Financial Group maintains the contributions in a general account. The account is credited with interest and charged for participant withdrawals and administrative expenses. Lincoln Financial Group is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The fixed annuity contract is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value including plan termination and other events as specified in the fixed annuity contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The fixed annuity contract does not permit Lincoln Financial Group to terminate the agreement prior to the scheduled maturity date.

11. Subsequent events

Subsequent events have been evaluated through October 13, 2022 which is the date the financial statements were available to be issued. The Plan is not aware of any material subsequent events.
