INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator of
Aduro 401(k) Plan
Redmond, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Aduro 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Aduro 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aduro 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aduro 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aduro 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Aduro 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADURO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A.--DESCRIPTION OF PLAN

The following description of Aduro (Company or Sponsor) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) and profit sharing plan established by Aduro Inc., effective October 1, 2014. The Plan was amended effective January 1, 2019, to comply with provision of the Bipartisan Budget Act of 2018 in relation to hardships and loans. Effective January 1, 2021, the Plan was amended to clarify contingent and project-based employees' ineligibility for plan participation, to permit loans, and for Cycle 3 restatement requirements. Effective November 19, 2021, the Plan was amended to not permit loans. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee becomes eligible to participate in the plan after completing 3 months of service and upon reaching age 21. The entry date is monthly following the date eligibility requirements are satisfied.

Contributions: The Plan is funded by eligible participant elective deferrals from their eligible compensation up to 100% of eligible wages, as defined by the Plan, employer safe harbor matching contributions, and employer discretionary contributions. The Plan is a safe harbor plan. The Company contributes a qualified safe harbor match of 100% of elective deferral contributions that are not over 4% of pay. Discretionary contributions may be made for each Plan year in an amount determined by the Company. Discretionary contributions are allocated to participants who have at least 480 hours of service during the Plan year and are active participant on the last day of the Plan year. There were no discretionary contributions for the year ended December 31, 2021.

Participants attaining age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who are eligible to make elective deferral contributions may elect to designate all or any portion of their future deferrals as Roth elective deferral contributions. Participants may also contribute amounts representing distributions from other qualified retirements plans. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions and an allocation of plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions as applicable, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

ADURO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A.--DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their rollover contributions, elective deferrals, and Company qualified safe harbor matching contributions, plus actual earnings thereon. Vesting in Company discretionary employer contributions is based on years of continuous service at the rate of 25% per year after one year of service. A participant is 100% vested after 4 years of credited service or upon death or disability.

Retirement: The normal retirement date is the first day of the month on or after the date the participant turns 65. Early retirement is permitted at age 59 1/2.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or other partial lump sum.

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may continue to participate in the plan investments and benefits will be provided upon retirement or death. For terminated participants, if such balance is less than \$5,000, it will automatically be rolled over into an IRA established by the Company without other election. In-service distributions are allowed at age 59½ and for deferral accounts of certain active duty military. Hardship distributions are allowed in accordance with the provisions of the Plan. CARES Act distributions were allowed for 2020.

Forfeited Accounts: Forfeitures may be used to pay Plan expenses or to offset Company contributions, and the remainder will be reallocated to eligible participants. At December 31, 2021 and 2020, forfeited accounts totaled \$3,418 and \$21,263, respectively. In 2021, \$17,658 of the forfeitures were used to offset employer contributions and \$5,946 of plan fees were paid from forfeited non-vested accounts.

Investment Options: Participants are allowed to direct their contributions and account balances in a variety of investment options including mutual funds and contract investments. The Plan Sponsor periodically reviews the investment fund options available to participants and changes them as warranted. Participants may change their investments at any time.

ADURO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A.--DESCRIPTION OF PLAN (Continued)

Plan Expenses: Expenses of maintaining the Plan may be paid by the Company or the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain fees such as for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses, including 12(b)1 and revenue sharing fees, are deducted from each funds' earnings and are included in net appreciation (depreciation) in fair value of investments.

NOTE B.--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the financial statements and accompanying disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation utilizing information provided by the investment advisors and custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C.--CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividend income, for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company (the custodian and trustee of the Plan).

NOTE D.--FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ADURO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D.--FAIR VALUE MEASUREMENTS (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E.--FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan invests in The Principal Fixed Income Guaranteed Option (“PFIGO”), which is a fully benefit-responsive investment offered under the Plan’s group annuity contract (“GAC”) issued by the Principal Life Insurance Company (“PLIC” or the “Issuer”). Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the plan.

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract at December 31, 2021 and 2020, was \$493,547 and \$369,479, respectively.

The crediting interest rate is based on a formula agreed upon with the Issuer. Under the terms of the existing contract, the crediting rate is currently reset on a semiannual basis and will never be less than the guaranteed minimum interest rate of 1% and will never be greater than the guaranteed maximum interest rate of 3%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with PLIC. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable. The Plan may terminate the contract with 90 days written notice.

NOTE F.--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in funds managed by the custodian and trustee, Principal Trust Company; therefore, these transactions qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. Certain officers serve as trustee for the Plan. No such officer or employee receives compensation from the Plan.

ADURO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE G.--TAX STATUS

The Company has adopted a non-standardized pre-approved profit sharing plan with CODA that received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and is designed in accordance with applicable sections of the Internal Revenue Code.

The Plan has been amended since the date of this determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H.--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan, including employer contributions, shall become fully vested and non-forfeitable.

NOTE I.--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The COVID-19 outbreak has resulted in widespread and continuing impacts on the global economy. Financial and credit markets have experienced and may continue to experience significant volatility and turmoil which may impact the fair values of Plan assets. The extent to which COVID-19 impacts the Plan's financial position and results will depend on future developments, which are highly uncertain and cannot be predicted.

DECEMBER 31, 2021 AND 2020

NOTE J.--OPERATIONAL ERRORS AND NON-EXEMPT TRANSACTIONS

Employer Safe Harbor Contributions

During 2022, for the year ended December 31, 2021, it was noted that there was an error in calculating a participant's employer safe harbor contributions. As a result, a participant received an excess of \$410 during 2021. As a result, the overpayment will be forfeited from the affected participant's account during the year ended December 31, 2022.

Late Remittances

As reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain Plan contributions of \$1,540 were not remitted to the trust within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transaction between the Plan and the Company for the year ended December 31, 2020. The Company calculated the potential for lost earnings resulting from the delays in the 2020 contributions for the nonexempt transactions and made the appropriate deposits of \$16 in participants accounts during the year ended December 31, 2021.

As reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain Plan contributions of \$1,040 were not remitted to the trust within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transaction between the Plan and the Company for the year ended December 31, 2021. The Company will calculate potential lost earnings resulting from the delays in the 2021 contributions for the nonexempt transactions and make the appropriate deposits in participants accounts during the year ended December 31, 2022.

NOTE K.--SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.
