INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
HistoPathology Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of HistoPathology Services 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
HistoPathology Services 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of HistoPathology Services 401(k) Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HISTOPATHOLOGY SERVICES 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of the HistoPathology Services 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General and Eligibility. The Plan is a defined contribution plan covering all eligible employees of HistoPathology Services, LLC and Mid-Atlantic Pathology Services P.A. (collectively the “Company” or “Employer”) who have completed six months of service. Nonresident aliens, as well as those covered by a collective bargaining agreement, are not eligible to participate in the Plan. An employee is eligible to participate in the Plan on first day of the month following completion of service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions. The Plan provides automatic enrollment for employees that meet the eligibility requirements. Employees have the option to decline enrollment. Automatic enrollment contributions of 3% begin on the first payroll period beginning after an employee has met the eligible requirements. Participants may contribute up to 100% of annual eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make after-tax contributions to a Roth account.

The Employer safe harbor non-elective contributions equal 3% of eligible employee’s participating compensation.

Employer profit-sharing contributions are discretionary and determined annually. Participants must be at least 21 years of age, have two years of service and be employed on the last day of the Plan year to be eligible for the Employer profit sharing contributions. Employer profit sharing contributions are allocated to each participant based on compensation. There were no Employer profit sharing contributions elected for the year ended December 31, 2021.

Contributions are subject to certain limitations. Participants may also transfer funds to the Plan from other qualified retirement plans.

Investment Options. Each participant may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, any allocated Employer contributions, and the participant’s earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balance as described in the Plan document.

Vesting. Participants are immediately vested in their contributions, Employer safe harbor nonelective contributions, and Employer profit sharing contributions, plus actual earnings or losses thereon.

Payments of Benefits. Upon termination of service, participants may elect to receive an amount equal to the value of their accounts in the form of an annuity or a lump-sum amount, depending on the size of the participant’s account balance at the time of termination. Participants with an account balance of less than \$5,000 must take a lump-sum distribution.

The Company may authorize certain withdrawals from a participant’s account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Economic Conditions. In March 2020, government agencies announced warnings related to the Coronavirus (“COVID-19”). Any potential decline in economic activity in the U.S. and other regions of the world as a result of the virus may have an adverse impact on the Plan’s Assets.

HISTOPATHOLOGY SERVICES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by Wells Fargo Bank, N.A. from December 31, 2020 to June 17, 2021, and Principal Trust Company from June 18, 2021 to December 31, 2021, the custodians of the Plan (the "Custodians"). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk. Substantially all of the Plan's investments were held by the Custodians. The Custodians are qualified institutions pursuant to ERISA.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Company, are provided by the Company at no charge to the Plan, and the Company has no plans to obtain reimbursement of these expenses from the Plan.

Recent Accounting Pronouncements. In June 2016, Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedules that were prepared by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certification from the Custodians that such information is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Note 4: All investment balances.
- Schedule of Assets Held at End of Year: All investment balances.

HISTOPATHOLOGY SERVICES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB *Accounting Standards Codification* (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

Mutual funds. Valued at closing price reported on the active market on which the mutual funds are traded.

Common/collective trust. A stable value fund that is composed primarily of fully benefit-responsive investment contracts. The fund is value at net asset value (“NAV”), the practical expedient to estimate fair value. Participant transactions may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	NAV	Total
Mutual funds	\$ 7,036,550	\$ -	\$ -	\$ -	\$ 7,036,550
Common collective trust	-	-	-	800,304	800,304

Investments Measured Using the Net Asset Value per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – INCOME TAX STATUS

On March 31, 2014, the Internal Revenue Service (“IRS”) stated that the prototype adopted by the Plan, as then designed, qualifies under the applicable sections of the Internal Revenue Code (“IRC”). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan’s tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Subsequently, a determination letter dated June 30, 2020 was received for the prototype plan adopted by the Plan on July 15, 2022. The IRS stated that this prototype plan, as then designed, qualified under applicable sections of the IRC.

NOTE 7 – EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodians or their affiliates; therefore, these transactions qualify as party-in-interest transactions. Furthermore, the Custodians provide Plan administration services to the Plan. Certain employees of the Company provide administrative services to the Plan. These employees are compensated by the Company for such services.

HISTOPATHOLOGY SERVICES 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 9 – DELINQUENT REMITTANCES

During the year ended December 31, 2021, the Employer failed to deposit participant contributions totaling \$149,874 to the Plan timely due to the system error caused by the Custodian. \$88,970 of participant contributions were corrected during the year ended December 31, 2021 and \$60,904 of participant contributions were corrected subsequent to year end.

NOTE 10 – SUBSEQUENT EVENTS

Effectively July 15, 2022, the Plan adopted a new prototype plan and changed the Plan's name to Pathline, LLC 401(k) Plan. The provisions of the new prototype plan were substantially the same as the previous prototype plan.

Management has evaluated all known subsequent events from December 31, 2021 through October 11, 2022, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
