### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Smart City Telecommunications LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Smart City Telecommunications LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Smart City Telecommunications LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Smart City Telecommunications LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Smart City Telecommunications LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### **In our opinion**

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Smart City Telecommunications LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Note 1 Description of Plan**

The following description of the Smart City Telecommunications LLC (the "Company" or "Plan Sponsor") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the Plan Sponsor, other than those who are covered by a collective bargaining agreement, become eligible to participate upon completing two months of service and attainment of age twenty-one (21).

Effective January 1, 2021, the Plan's trustee changed, and the assets were transferred from Reliance Trust to T. Rowe Price Trust Company. The Plan's recordkeeper changed from ADP to T. Rowe Price Retirement Plan Services, Inc.

### **Contributions**

Subject to annual limitation established by the Internal Revenue Code ("IRC"), each year a participant may contribute a minimum of 1% up to 75% of eligible compensation, as defined by the Plan. Participants who have attained age 50 by December 31 are eligible to make catch-up contributions. The Plan was amended on January 1, 2021, to have an auto-enrollment provision, whereby participants are auto-enrolled at a default percentage of 4%, unless the participant opts out of the automatic enrollment. The amendment also includes an automatic increase provision, whereby the Company will automatically increase a participant's contribution percentage each year by an additional 2% of compensation up to 10%, unless the participant opts out of the automatic increase provision.

For the period January 1, 2020 through July 31, 2020, the Company made matching contributions equal to 50% of the participant's contribution up to 6% of the participant's eligible compensation. In June 2020, the Plan was amended to make the matching contribution discretionary. Such discretionary contribution will be a percentage of a participant's compensation to be determined by the Plan Sponsor on a uniform basis for all participants. Effective August 2020, the Plan Sponsor suspended the matching contribution through December 31, 2020. For the year ended December 31, 2021, discretionary matching contributions were made in an amount equal to 50% of the first 6% of eligible compensation contributed by a participant. The Company may also make an additional discretionary nonelective contribution at its sole discretion, within the limits of the IRC. No such additional nonelective contributions were made for each of the years presented.

### **Participants' Accounts**

Each participant's account is credited with the participant's contributions, allocation of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2021 and 2020

---

### Note 1 Description of Plan (continued)

#### Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants vest in the Company's contributions based on years of service (as defined by the Plan) as follows:

| <u>Years of<br/>Service</u> | <u>Vested<br/>Percentage</u> |
|-----------------------------|------------------------------|
| Less than 3                 | 0%                           |
| 3                           | 100%                         |

Regardless of years of service, a participant becomes 100% vested at normal retirement age. Also, a participant becomes fully vested on the date of their death or on the date that they become disabled.

#### Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to an amount not to exceed the lesser of (a) 50% of their vested account balance or (b) \$50,000. However, the \$50,000 is reduced by the highest outstanding loan balance the participant had under the Plan within the previous twelve-month period on the date the loan is made. Note repayments are made ratable through payroll deductions, with repayment terms ranging from up to 5 years or up to 30 years if for the purchase of a primary residence. The notes are collateralized by the balance in the participant's account and bear interest at prime rate plus 1 percent. Participants may only take out one loan at any given time.

#### Investment Options

The participants' contributions and the Company's matching contributions are allocated to the various investment options offered by the Plan as directed by the participant. Participants may change their investment options at any time.

#### Payment of Benefits

Upon termination of service for any reason, a participant with a vested account balance greater than \$5,000 may elect to receive a distribution in a single lump-sum distribution equal to the value of the participant's vested interest in his or her account or in installments over a period of time not more than the participant's assumed life expectancy. A single lump-sum distribution will be made upon termination if the participant's vested account balance is less than \$5,000.

The Plan also allows for in-service distributions of participant contributions when a participant becomes 59 ½ years of age, employer contributions at the Plan's normal retirement age of 65, and rollover contributions at any time. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

**Note 1 Description of Plan (continued)**

**Forfeited Accounts**

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$37,981 and \$48,531, respectively. Forfeited amounts may be used to offset employer contributions. During the year ended December 31, 2021, forfeited non-vested accounts of \$20,188 were used to reduce employer matching contributions of the Plan.

**CARES Act**

During March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan Document. During 2020, the Plan elected to implement the provisions allowing eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic. During 2020, the Plan also implemented the temporary provision related to the deferral of certain plan loan repayments. The Plan did not implement the temporary provision related to increased plan loan limits.

**Note 2 Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual amounts could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Note 2 Summary of Significant Accounting Policies (continued)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions, reducing the notes receivable from participants balance, based upon the provisions of the Plan Document.

**Benefit Payments**

Benefit payments are recorded when paid.

**Administrative Expenses**

The Plan allows certain administrative expenses to be paid from Plan assets, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and plan distributions are charged to participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

**Note 3 Information Prepared and Certified by the Plan's Trustees**

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company, the Trustee of the Plan for the year ended December 31, 2021. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan for the year ended December 31, 2020.

#### **Note 4 Fair Value Measurement**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement* are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

**Mutual Funds:** Valued at the closing price in the active market in which the fund is traded. These funds publish their daily net asset value ("NAV") and transact at that price. Mutual funds held by the Plan are open-end mutual funds registered with the SEC. These mutual funds are deemed to be actively traded.

**Common Collective Trust:** Valued at the NAV of units of a bank collective trust or its equivalent. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the respective trust less its liabilities. There are no participant redemption restrictions for these investments. There are no unfunded commitments. The redemption frequency and notice period is daily.

There have been no changes in methodologies used at December 31, 2021 and 2020.

**Note 4 Fair Value Measurement (continued)**

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| Description                                 | Assets at Fair Value as of December 31, 2021 |             |             |                      |

- (a) In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the fair value of the Plan's investments in the statement of net assets available for benefits for the year ended December 31, 2021.

**Note 5 Party-in-Interest Transactions**

A party-in-interest is defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. As described in Note 2, certain administrative expenses and fees related to the administration of participant accounts are paid from Plan assets. Therefore, payments to such service providers by the Plan qualify as party-in-interest transactions.

**Note 5 Party-in-Interest Transactions (continued)**

For the year ended December 31, 2020, the Plan invested in mutual funds sponsored by Reliance Trust Company, the Trustee and ADP as recordkeeper, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. For the year ended December 31, 2021, certain plan investments are shares of mutual funds and a common collective trust managed by T. Rowe Price, recordkeeper and Trustee, and therefore these transactions qualify as party-in-interest transactions. The Plan makes loans to participants and therefore, these transactions qualify as a party-in-interest.

**Note 6 Tax Status**

For the year ended December 31, 2020, the Plan was based on the Prototype Non-Standardized 401(k) Profit Sharing Plan of ADP Retirement Services, the recordkeeper of the Plan, which received an opinion letter from the Internal Revenue Service ("IRS") dated July 16, 2014, stating that the Prototype Plan was designed in accordance with the provisions of the Internal Revenue Code. Although the Plan had been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Effective January 1, 2021, the Plan was restated and adopted a pre-approved plan sponsored by T. Rowe Price Retirement Plan Services, Inc. The Internal Revenue Service has issued an opinion letter dated August 19, 2020, that stated that the form of the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 7 Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

**Note 8 Risks and Uncertainties**

The Plan invests in various investment securities. These investment securities in general are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Given recent volatility in financial markets, the values of the Plan's individual investments have and will continue to fluctuate in response to changing economic and market conditions and therefore it is reasonably possible that investment values could decline significantly in subsequent periods.
