Independent Auditor's Report

To the Plan Administrator
Mountainside Retirement Savings Plan
(Formerly MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust)
Canaan, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mountainside Retirement Savings Plan (formerly MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Item 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Mountainside Retirement Savings Plan (Formerly MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust)

Notes to Financial Statements

1. Description of the Plan

The following description of Mountainside Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Prior to April 6, 2021, the Plan was known as MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust.

General

The Plan, established in 2002, is a defined contribution Plan covering substantially all employees of Mountainside Treatment Center (the Plan Sponsor) and its affiliates (the Companies) who are age 21 or older and who completed three months of service. Entry date into the Plan is the first date of the month coinciding with or next following date the employee has the eligibility requirements. On April 6, 2021, JPMorgan Invest Holdings LLC (JP Morgan) replaced John Hancock Life Insurance Company (John Hancock) as the record keeper of the Plan. Effective April 6, 2021 the assets of the Plan were transferred from John Hancock to Reliance Trust Company (reliance Trust), the directed trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, (ERISA).

Contributions

Each year, participants may contribute a percentage of their pre-tax and post-tax annual eligible compensation as limited by the Internal Revenue Code (the Code) and as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement Plans (rollovers). Participants direct the investment of their accounts into various investment options offered by the Plan.

The Companies will make a Safe Harbor Matching Contribution (matching contribution) equal to 100 percent of the first 3 percent of eligible participant earnings and an additional 50 percent on the next 2 percent of eligible participant earnings, with maximum match of up to 4 percent of eligible participant earnings. The matching contribution was suspended from May 7, 2020 to December 31, 2020 and reinstated effective January 1, 2021.

The Companies may also make a discretionary nonelective contribution (profit-sharing contribution) to the Plan. This contribution, if made, would be allocated to all eligible participants. To be eligible for a profit-sharing contribution, the participant would need to be employed on the last day of the Plan year and completed 1,000 hours of service during the Plan year. The profit-sharing contribution was suspended beginning January 1, 2019 and reinstated effective January 1, 2021. There were no profit-sharing contribution in 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Companies' matching contributions, as well as allocations of the Companies' profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Mountainside Retirement Savings Plan (Formerly MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust)

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions, the matching contributions and rollover contributions, plus actual earnings thereon. Any profit-sharing contributions would vest over 2 years (0 percent less than 1 year, 50 percent in year 1 and 100 percent in year 2).

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance loans are secured by the balance in the participant's account. Loan terms may not exceed 5 years except when the use of proceeds is for the purchase of a primary residence. Participants may not have more than two outstanding loans at any time. The Plan will require a rate of return commensurate with the prevailing interest rate charged on similar loans under like circumstances by persons in the business of lending money. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason (termination of service), a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account balance, or to receive annual or more frequent installments over a period not to extend beyond the life expectancy of the participant, or beneficiary. The Plan also allows for in-service distributions of the participant's vested accounts upon reaching the age of 59 ½ or due to hardship, as defined in the Plan.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$2,815 and \$1,415, respectively. These accounts will be used to either reduce future employer contributions or to pay Plan expenses. Forfeitures of \$53 were used to pay Plan expenses during 2021.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Mountainside Retirement Savings Plan (Formerly MC1 Healthcare LLC 401(k) Profit Sharing Plan and Trust)

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. The Companies provide certain accounting and administrative services to the Plan at no charge. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule (Schedule of Assets (Held at End of Year)), including investments and notes receivable from participants held at December 31, 2021 and 2020, and investment income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock and Reliance Trust.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule (Schedule of Assets (Held at End of Year)).

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ASC 820, *Fair Value Measurement*, are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: These investments are traded on a national securities exchange and are valued at the last reported sales price on the last business day of the Plan's year by the custodian.

Collective trust fund (CTF): The common trust fund is valued at the net asset value (NAV) of units held. The NAV, as provided by the trustee of the CTF, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CTF less its liabilities. This practical expedient is not used when it is determined to be probable that the CTF will sell for an amount different than the reported NAV. The CTF provides for daily redemptions by the Plan at reported NAV with no advance notice. There are no unfunded commitments related to this investment, which is a direct filing entity.

Pooled separate accounts (PSA): These investments are valued using the NAV of the units held by the Plan at year end or transaction date as provided by John Hancock. As described in Note 1, the Plan changed service provided effective April 6, 2021, at that time the investments in the PSAs were sold. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value. The NAV per unit is used as the practical expedient to estimate fair value.

Notes to Financial Statements

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,044,487	\$ -	\$ -	\$ 7,044,487
Collective trust fund at NAV*				134,365
Total assets at fair value				\$ 7,178,852

Description	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts at NAV*				\$ 5,539,801

*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments that Calculate NAV

The following table summarizes the pooled separate accounts, which are not directed filing entities, measured at fair value based on NAV per unit as of December 31, 2020. There are no unfunded commitments.

	Fair Value at December 31, 2020	Redemption Frequency (if currently eligible)	Redemption Notice Period
Target Date / Hybrid (a)	\$ 1,965,504	Daily	Daily
Growth (b)	2,049,037	Daily	Daily
Income (c)	640,492	Daily	Daily
Other (d)	884,768	Daily	Daily

- (a) *Target Date / Hybrid* - The objective of these portfolios is to seek a high total return the fund's target retirement date under normal market conditions.
- (b) *Growth* - The objective of these portfolios is to provide growth of capital throughout the U.S., Europe and the Pacific Basin Plan.
- (c) *Income* - The objective of these portfolios is to provide income and long term capital appreciation.
- (d) *Other* - The objective of these portfolios is based on the underlying investments and varies between high, long-term total return to conservation of capital, current income and long-term growth of capital and income throughout the U.S and global.

Notes to Financial Statements

6. Related Party and Party-In-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by Reliance Trust (as of April 6, 2021) or John Hancock (prior to April 6, 2021) or their subsidiaries and affiliates. The Plan pays for third-party administrator fees and investment management and advisory fees, which qualify as party-in-interest transactions. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

7. Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination participants' interest in their accounts shall be payable in accordance with their reported values. The Companies have the right under the Plan to discontinue their contributions at any time.

8. Tax Status

Effective April 6, 2021, the Plan has adopted a Pre-approved Plan sponsored by Great-West Trust Company, LLC. The Internal Revenue Service (IRS) ruled on June 30, 2020 that the Prototype Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, is not subject to tax under present income tax law. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently operated in compliance with the applicable provisions of the IRC.

Prior to April 6, 2021, the Plan had adopted a Pre-Approved Plan as of January 1, 2021 sponsored by PASI, LLC. Prior to January 1, 2021, the Plan had adopted a Volume Submitter Plan sponsored by PASI, LLC. The IRS ruled on June 30, 2022 for the Pre-Approved Plan and March 31, 2014 for the Volume Submitter Plan that the Pre-Approved and the Volume Submitter Plans qualified under Section 401(a) of the IRC and, therefore, are not subject to tax under present income tax law.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Late Remittances

Participant withholdings in the amount of \$1,677 were not remitted within the appropriate time period by the Companies during the year ended December 31, 2021. These transactions constitute prohibited transactions as defined by ERISA.

10. Subsequent Events

The Plan's management has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued, and there were no subsequent events, other than disclosed below, requiring adjustments to the financial statements or disclosures.
