INDEPENDENT AUDITORS' REPORT

To the Plan Trustee
Evergreen Senior Management, LLC
401(K) Plan
Blue Bell, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Evergreen Senior Management, LLC 401(K) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) {ERISA Section 103(a)(3)(C) audit}. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Evergreen Senior Management, LLC 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Senior Management, LLC 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Evergreen Senior Management, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Evergreen Senior Management, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Schedules

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Evergreen Senior Management, LLC 401(K) Plan were audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated November 19, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan covers substantially all employees of the Company who are age twenty-one or older and have completed a minimum service requirement of twelve consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions, and (b) Plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

Each year, participants may make contributions to the Plan subject to annual IRS limitations. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. The Plan provides for participant salary reduction, on both a pre-tax and Roth basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment company funds (mutual funds), a group annuity contract, and an interest-bearing money market fund as options for participants.

The Company makes a safe harbor matching contribution of 100% of participant contributions up to four percent of eligible compensation.

Participant contributions were \$726,225 and employer safe harbor contributions were \$454,353 for the year ended December 31, 2021.

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their employee salary reduction, ROTH 401(k) and employer safe harbor matching contributions, and related investment earnings.

Payment of Benefits

A participant's vested account balance will be distributable upon the occurrence of any one of the following events: (a) death or disability, (b) Plan termination or (c) any other termination of service. If the participant's account balance is greater than \$5,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. In any event, withdrawal of the account balance must commence once the participant attains the age of 70 1/2 years. Upon termination of service, in the event the participant's account balance is \$5,000 or less, a lump-sum payment, less applicable withholding taxes, will be made as soon as practicable. If the participant's account balance exceeds \$5,000, participant consent is required in order to distribute the balance of the participant's account.

Participants may also elect an in-service distribution of any portion of their vested deferral account balance upon the occurrence of any one of the following events: (a) attainment of age 60, (b) a hardship as defined by the Plan, or (c) as a Qualified Reservist, as defined by the Plan.

Forfeited Accounts

Participants are 100% fully vested in the Company matching contributions upon entry into the plan; therefore, there are no forfeited balances as of December 31, 2021 and 2020.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1%, as defined. Interest rates on outstanding loan balances range from 4.25% to 6.50% at December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

The CARES Act also provided certain loan provisions. Participants, who met specific conditions, were eligible to take a COVID-19 related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period March 27, 2020 to September 22, 2020. Loan repayments due between March 27, 2020 and December 31, 2020 may be suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to 1 year.

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid. All benefits that have been requested have been paid as of December 31, 2021.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to notes receivable from participants or distributions are charged directly to participant's account and are included in administrative expenses. Investment expenses are included in net appreciation of fair value of investments.

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reclassifications

Certain amounts in the prior year Statement of Net Assets Available for Benefits have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

NOTE 3 – QUALIFIED NON-ELECTIVE CONTRIBUTIONS

The Plan Sponsor calculated qualified non-elective contributions for the year ended December 31, 2020 of \$71,636. The contributions were calculated to correct the underpayment of both employee deferrals and employer contributions due to errors in the calculation of eligible Plan compensation. The contributions include the corrective employee deferral as calculated according to the Internal Revenue Service Fix-it Guide, the full employer contribution on excluded wages, and the calculated missed earnings on total underpaid contributions. The full corrective contribution for the 2020 Plan year was receivable as of December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|---|
| <u>Level 1</u> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <u>Level 2</u> | Inputs to the valuation methodology include: <ul style="list-style-type: none">- quoted prices for similar assets or liabilities in active markets;- quoted prices for identical or similar assets or liabilities in inactive markets;- inputs other than quoted prices that are observable for the asset or liability;- inputs that are derived principally from or corroborated by observable market data by correlation or other means.- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| <u>Level 3</u> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used during the years ended December 31, 2021 and 2020.

Registered Investment Company Funds (Mutual Funds): Funds are valued daily based on readily determinable fair value of the mutual funds and classified within Level 1 of the fair value hierarchy.

Short-Term Investments (Money Market Fund): Valued at quoted market prices in an exchange and active market, which represent the net asset value (NAV) of shares held by the Plan. The money market fund seeks to maintain a \$1.00 NAV.

The following tables sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Company Funds:				
Mutual Funds	\$ 8,322,765	\$ -	\$ -	\$ 8,322,765
Short-Term Investments	<u>2,158</u>	<u>-</u>	<u>-</u>	<u>2,158</u>
Total assets at fair value	<u>\$ 8,324,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,324,924</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Company Funds:				
Mutual Funds	\$ 6,859,019	\$ -	\$ -	\$ 6,859,019
Short-Term Investments	<u>2,270</u>	<u>-</u>	<u>-</u>	<u>2,270</u>
Total assets at fair value	<u>\$ 6,861,289</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,861,289</u>

The above tables exclude the Group Annuity Contract, which is comprised of fully benefit-responsive investments that had a contract value of \$56,005 and \$202,014 at December 31, 2021 and 2020, respectively. As noted in Note 2, fully benefit-responsive contracts are measured at contract value. Gains and losses (realized and unrealized), included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – GROUP ANNUITY CONTRACT

The Nationwide Fixed Select Contract offers investors a stable, low-risk investment option that also allows them to exchange into and out of it. Contributions are made to the contract on behalf of plan participants and may include salary deferrals, employer contributions, employee contributions, or any combination thereof. The contract assets are held in Nationwide Life Insurance Company's general account and credited on a daily basis.

Following are some features and characteristics of the Fixed Select Contract:

- The Contract offers a competitive quarterly gross interest rate. The net interest rate equals the gross rate less the cost of services, and will not go below 0.5%.
- The Contract does not have a maturity date. The provisions do not provide for a distribution at book value at some specified future date.
- A Contract holder can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years.
- The Contract continues in force until all assets have been distributed, or no further payments are due.

All financial information related to the contract is reported to the plan participants at contract value. This is the value at which all participant-initiated transactions are performed. Under the ASC Glossary term *Fully Benefit-Responsive Investment Contract*, the contract is considered fully benefit-responsive, and contract value is the appropriate reported value.

When participant-initiated withdrawals are made, they are always made at contract value. Therefore, plan management does not believe a reasonable method exists for determining fair value at an amount that differs from contract value, and thus, contract value is the most reasonable estimate of fair value.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (e) premature termination of the contract. Plan management believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

EVERGREEN SENIOR MANAGEMENT, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – TAX STATUS OF THE PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated July 31, 2015, that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management of the Plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Nationwide Fixed Select Contract investment that is offered by the Plan is managed by Nationwide Life Insurance Company. Nationwide Life Insurance Company is the custodian as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions.

As described in Note 2, the Plan has a number of service providers. Such parties are parties-in-interest under ERISA. The fees paid by the Plan totaled \$55,507 for these service providers for the year ended December 31, 2021.

NOTE 10 – PLAN AMENDMENTS

The Plan was restated effective February 1, 2020 to authorize employee Roth contributions and make the Company's Chief Financial Officer the trustee of the Plan. The restated Plan also changed the timing of Plan entrance and eligibility determination to each pay period, and eliminated the maximum limit on employee salary deferrals.

In April, 2020 the Plan elected to adopt all of the provisions of the CARES Act.

NOTE 13 - COVID-19 PANDEMIC

The Plan and Plan sponsor continued to operate through the COVID-19 pandemic that was declared in the United States during the year ended December 31, 2020. The financial impact to the Plan and Plan assets as a result of the pandemic cannot be determined at this time.

NOTE 14 - SUBSEQUENT EVENTS

The Plan has evaluated events or transactions that have occurred after October 13, 2022, the date the financial statements were available to be issued.

The Plan was restated effective January 1, 2022. The primary change made in the restated document is the frequency of participant plan entry dates. Before restatement, participants could enter the plan at the start of each pay period. Under the restated plan, participants can only enter the Plan on the first day of each month.
