INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 "ERISA," as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), referred to as "supplemental information," as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Empower Retirement, LLC ("Empower"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Empower held the Plan's investment assets and executed investment transactions as of and for the year ended December 31, 2020. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Aran Eye Associates, P.A. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. More complete information regarding items such as employee and employer contributions, eligibility, vesting, and benefit provisions, may be found in the Plan agreement. Participants should refer to the Plan agreement for a more complete description of the Plan's provision, which is available upon request.

General - The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2018 and January 1, 2021. Effective January 1, 2021, the Plan changed sponsors to SV Paymaster Corporation, LLC, and employee eligibility requirements.

Eligibility Requirements - To become eligible, participants must have completed 1,000 hours of service with the employer, Aran Eye Associates, P.A. (the "Company"). An employee must be the age of 21 to become eligible. Participants may enter the Plan as an active member on the first day of each plan quarter coincident with or next following the date they become eligible.

Contributions - Participants may elect to make voluntary pre-tax contributions, to defer and contribute the lesser of $57,000 of combined employee and employer contributions or up to 100% of annual compensation, including regular salary and wages, overtime pay, bonuses and commissions through payroll deductions. Such contributions are excluded from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. Contributions are subject to certain limitations established by the Internal Revenue Service. The maximum pre-tax contribution for the years ended December 31, 2021 and 2020 was $19,500.

The Plan provides that participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make a catch-up contribution. For the 2021 and 2020 Plan years, a maximum catch-up contribution of $6,500 was allowed.

The Plan allows for discretionary employer matching contributions of 25% for the years ended December 31, 2021 and 2020.

Rollovers - The Plan accepts rollover contributions from other tax-qualified plans for those participants who choose to invest in the Plan.

Payment of Benefits - Participants may receive an amount equal to the value of their vested interest upon the termination of employment, death, disability or retirement. The form of payment is a lump sum distribution, or participants may have their account balance transferred to an individual retirement account or other qualified plan.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and the Plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Percentage - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's contributions after three years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures –Forfeited amounts are reallocated to participants in the same manner as employer contributions or used to pay for Plan expenses. Forfeited nonvested accounts of $39,668 were used to reduce employer contributions and pay for Plan expenses for the year ended December 31, 2021.

Death and Disability Provisions - Upon death and disability of participants, the accrued benefits will be paid to the beneficiaries as designated by the participants.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Investment Options - Upon enrollment in the Plan, a participant may direct their contributions to be vested in one or more of the investment options available to the Plan.

Notes Receivable from Participants – *FASB ASC 962-310-45-2* requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balances plus any accrued but unpaid interest.

The maximum amount of a participant's outstanding loans cannot exceed the lesser of $50,000 reduced by the excess (if any) of the highest outstanding balance of loans during the one-year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made, or one-half the present value of the participant's vested account balance.

Participants are limited to five outstanding loans at any one time. Principal and interest are paid ratably through payroll deductions. The maximum term of any loan is five years. The loans are secured by no more than one-half of the participant's vested account balance

Concentration of Credit Risk - Concentration of credit risk with respect to notes receivable from participants is limited due to the notes receivable being secured by 50% of the participant's vested account balance and the maximum loan amount allowed per the loan policy.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

In accordance with ASC Topics 946 and 962, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits is prepared using contract value for the fully benefit-responsive investment contract.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates - The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Administrative Expenses - The Plan's administrative expenses are deducted from investment earnings before those earnings are credited to participants' accounts. Audit fees are paid by the Company.

Investment Valuation and Income Recognition – The Plan provides for investments in pooled separate accounts. The units of pooled separate accounts are stated at fair value as determined by the issuer of the account based on the fair value of the underlying investments. Individual participant accounts invested in the pooled separate accounts are maintained on a unit value basis.

Dividends are recorded on the ex-dividend date. Purchases and sales transactions are recorded on a trade date basis. Any gain or loss resulting from the sale of fund units is determined as the difference between the sales proceeds and the cost of units sold. Investment income is recorded on the accrual basis of accounting.

Investment income consists of interest or dividend income, gains, and unrealized appreciation or depreciation in the market value of investments.

The Plan presents in the accompanying statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments in mutual funds, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Risk and Uncertainties - The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Excess Contribution Payable - The Plan is required to return contributions received during the plan year in excess of the Internal Revenue Code ("IRC") limit. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants in the first quarter of 2022.

Accounting Pronouncements – Effective January 1, 2020, the Plan adopted ASU 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework- Changes to the Disclosure Requirements for Fair Value Measurement*, which amends the disclosure requirements for recurring and nonrecurring fair value measurements by removing, modifying, and adding certain disclosures. Refer to NOTE 4.

NOTE 3 - TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service ("IRS") has determined and informed the prototype plan sponsor that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the Opinion Letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the plan administrator has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition as a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - asset value is based on actual quoted prices in active markets for identical securities (mark-to-market).

Level 2 - other significant observable inputs are used to arrive at fair value (including yield, quality, coupon rate, maturity, issue type, quoted prices for similar securities, prepayment speeds, trading characteristics, etc.).

Level 3 - significant unobservable inputs (including management's own assumptions in determining the fair value of investments).

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Pooled Separate Accounts:

The value of the units held in pooled separate accounts are based on quoted market prices of the underlying investments and are based on the Net Asset Value (NAV) of the shares held by the Plan at year end. The NAV is based on the value of the underlying investments owned by the fund, minus its liabilities and administrative expenses, and then divided by the number of shares outstanding. In determining fair value, the market approach is used which utilizes process and other relevant information generated by market transactions involving identical generated assets or liabilities. Observable inputs reflect the assumptions market participants would use in valuing a financial instrument based on market data obtained from independent sources.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

ASU No. 2015-07, *Fair Value Measurement (Topic 820)*: *Disclosure for Investments in Certain Entities That Calculate Net Asset value per Share (or its Equivalent)*, removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the NAV per share practical expedient. As such, as of December 31, 2021 and 2020 investments held in pooled separate accounts and measured at fair value have not been categorized within the fair value hierarchy.

NOTE 5 - INVESTMENT CONTRACTS

Group Variable Funding Agreement:

In 2015, the Plan entered into a fully benefit-responsive GIC with Talcott, formerly known as Harford Life Insurance Company, to fund the Plan that includes a fixed income account. Talcott maintained the contributions in a general account, which were credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. On March 8, 2020, the Plan received communication advising them that this investment option was going to be discontinued as of June 2020 and would no longer be available in the Plan's investment menu and closed to future contributions. As such, the Plan went through a product-to-product change effective March 31, 2020 removing this investment option from the Plan.

Group Annuity Contract:

In 2015, the Plan entered into a Group Annuity Contract (GAC) with Talcott, formerly known as Harford Life Insurance Company, to fund the Hartford Lifetime Income (HLI) Share Investment Option in the Plan. Under the contract, the Plan could authorize the purchase of income annuities as plan participants contributed or transferred amounts to the Plan's HLI share option. On March 8, 2020, the Plan received communication advising them that this investment option was going to be discontinued as of June 2020 and would no longer be available in the Plan's investment menu and closed to future contributions. As such, the Plan went through a product-to-product change effective March 31, 2020 removing this investment option from the Plan.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Under the Department of Labor's Rules and Regulations, certain assets and related information held by a bank, trust company or similar institution, or an insurance company, that is regulated and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this option and the institution holding the assets certifies the required information. Empower Retirement, LLC ("Empower") has provided certification as to the completeness and accuracy of the investments and related transactions, including investment income, participant loans, and fees, as presented in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020 and in the statement of changes in net assets available for benefits for the year ended December 31, 2021. The accompanying supplemental schedule also includes investment information certified by Empower as being complete and accurate.

NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets include certain investments managed by Empower Retirement, LLC ("Empower"), the Plan's custodian. Empower performs recordkeeping and administrative functions such as handling contributions and benefit payments. Accordingly, these transactions are considered party-in-interest transactions and are exempt from prohibition under ERISA of 1974.

NOTE 8 – COVID-19 RESPONSE

On March 27th, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. Section 2202 of the CARES Act provides for expanded distribution options and favorable tax treatment for up to $100,000 of COVID-19 related distributions from eligible retirement plans to qualified individuals, as well as special rollover rules with respect to such distributions. It also increases the limit on the amount a qualified individual may borrow from an eligible retirement plan and permits a plan sponsor to provide qualified individuals up to an additional year to repay their plan loans. The Plan implemented the CARES Act on April 15, 2020 and experienced an increase in COVID-19 related distributions and loan relief request.
