Plan Committee San Gabriel Valley Water Company Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the San Gabriel Valley Water Company Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An independently owned member of
RSM US Alliance

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

San Gabriel Valley Water Company Retirement and Savings Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN

The following description of San Gabriel Valley Water Company Retirement and Savings Plan (the Plan) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan 401(k) and profit-sharing plan covering substantially all employees of San Gabriel Valley Water Company (the Company). Participation is immediate upon hire. Employees are eligible to participate in Company matching and discretionary contributions after one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each participant may defer up to 60% of their pretax compensation per payroll period by electing to have the Company contribute the deferral to the participant's 401(k) account instead of paying the deferred amount in cash. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company makes matching contributions on behalf of each eligible participant's account equal to fifty percent (50%) of the participant's deferred contributions. Deferral contributions in excess of six percent (6%) of the participant's eligible compensation for the Plan year are not considered for matching. The Company may decide each Plan year whether to make a discretionary employer contribution on behalf of the eligible participants in accordance with the Plan's allocation formula.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's matching contributions, allocation of the Company's discretionary contribution, and an allocation of net Plan earnings. Allocations of income to participants' accounts are based upon the earnings from the various investments that each participant has elected to invest in, as defined in the Plan. Allocations of the Company's discretionary contributions are based upon an allocation formula, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferred contributions plus the actual earnings thereon. A participant is one hundred percent (100%) vested in employer matching contributions after three (3) years of credited service. Vesting in employer discretionary contributions is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
After 2	20%
3	40%
4	60%
5	100%

Years Ended December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Notes receivable must be secured by the participant's account, not to exceed the lesser of \$50,000 or 50% of the participant's vested account balance and bear a reasonable interest rate. Upon approval, participants may borrow against vested funds they have on deposit. Participants may only have one (1) loan outstanding at any given time.

Unless the loan is used to acquire or substantially improve the participant's principal residence, these loans must be repaid within five (5) years. Loans for the participant's principal residence must be repaid within ten (10) years. For the years ended December 31, 2021 and 2020, the interest rate was prime plus 2%. Principal and interest on the loans are allocated specifically to the participant's account balance along with direct loan fees and are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeitures

If a participant's employment terminates, all non-vested amounts will be forfeited. Such forfeitures shall be held in the same money market fund as provided by the Plan for investment purposes. These forfeitures will be applied to reduce the contributions of the employer or administrative expenses of the Plan. If a terminated employee becomes reinstated within the allowable period, the forfeiture amount will be credited back to the participant's account. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$17,545 and \$27,666, respectively. Forfeited non-vested amounts used to reduce contributions of the employer for the years ended December 31, 2021 and 2020 amounted to \$21,309 and \$17,673, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are participant directed and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as participant fees and expensed when they occur. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant balance is reduced and a benefit payment is recorded based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Operating Expenses

Costs of operating the Plan, including but not limited to set up fees, trustee fees, non-discrimination testing fees, commissions, accounting and auditing fees, and similar charges are absorbed by the Plan sponsor and are excluded from these financial statements. Administrative fees, however, may be absorbed by the Plan sponsor or applied against forfeiture amounts (see Note 1).

Benefits Paid to Participants

Benefits are recorded when paid. The Plan allows a Participant whose employment has terminated and whose account is distributable in accordance with the Plan to elect either a partial or a lump-sum distribution of the Participant's distributable vested balance.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments and their current values.

The Plan's investments are held in mutual funds and common collective trusts. Descriptions of the funds' investment objectives are as follows:

Fidelity Intermediate Bond Fund

The objective of this fund is to seek a high level of current income through investments in high and medium grade fixed income obligations.

Fidelity Growth Strategies K Fund

The objective of this fund is to seek capital appreciation by investing primarily in common stocks of domestic and foreign issuers that have the potential for accelerated earnings or revenue growth.

NOTE 3 INVESTMENTS (CONTINUED)

Fidelity Contrafund K

The objective of this fund is to seek high capital appreciation.

Fidelity Equity Dividend Income K Fund

The objective of this fund is to seek long-term capital growth and income by investing primarily in income producing domestic and foreign equity securities.

Fidelity Growth Company K Fund

The objective of this fund is to seek capital appreciation by investing in common stocks of domestic and foreign issuers that have above-average growth potential.

Fidelity Low-Priced Stock K Fund

The objective of this fund is to seek long-term capital growth by investing mainly in U.S. and foreign low-priced stocks that may be undervalued, overlooked, or out of favor.

Fidelity OTC K Portfolio Fund

The objective of this fund is to seek capital appreciation by investing primarily in common stocks. The fund normally invests at least 65% of total assets in securities principally traded on the over-the-counter (OTC) market that has more small and medium size companies than other markets. The remaining may be invested in the technology sector.

Fidelity Puritan K Fund

The objective of this fund is to seek income and capital growth consistent with reasonable risk. When the outlook is neutral, the fund will invest approximately 60% of fund assets in stocks and other equity securities and the remainder in bonds and other fixed-income securities.

Fidelity U.S. Bond Index Fund

The fund seeks to provide investment results that correspond to the aggregate price and interest performance of the debt securities in the Bloomberg Barclays U.S. Aggregate Bond Index.

Fidelity 500 Index Investment Fund

The fund seeks to provide investment results that correspond to the total return (i.e., the combination of capital changes and income) performance of common stocks publicly traded in the United States.

Fidelity Extended Market Index Fund

The fund seeks to provide investment results that correspond to the total return of stocks of mid- to small-capitalization United States companies.

Fidelity Total International Index Fund

The fund seeks to provide investment results that correspond to the total return of foreign developed and emerging stock markets.

NOTE 3 INVESTMENTS (CONTINUED)

Fidelity Freedom K Income Fund

The objective of this fund is to invest in a combination of underlying Fidelity equity, fixed income, and short-term funds using a moderate asset allocation strategy designed for investors already in retirement.

Fidelity Freedom K 2010 Fund to Fidelity Freedom K 2065 Fund

The objective of these funds is to invest in a combination of underlying Fidelity equity, fixed-income, and short-term funds using a moderate asset allocation strategy designed for investors expecting to retire between the years 2010 to 2060. Assets are allocated among underlying Fidelity funds according to an asset allocation strategy that becomes increasingly conservative as time goes on.

Janus Global Research T Fund

The objective of this fund is to seek long-term capital growth by investing primarily in common stocks of foreign and domestic companies. The fund is managed by Janus Capital and distributed by Janus Distributors, Inc.

Dreyfus/Boston Company Small/Mid Cap Fund

The objective of this fund is to seek long-term growth of capital. The fund normally invests at least 80% of assets in equity securities of small-cap and mid-cap U.S. companies. It currently considers small-cap and mid-cap companies to be those with total market capitalizations, at the time of purchase, that are equal to or less than the total market capitalization of the largest company included in Russell 2500® Growth Index.

Goldman Sachs Stable Value Institutional

The objective of this fund is to seek to earn current income and preserve capital and stability of principal. The Goldman Sachs Trust Company, N.A. serves as the Trustee of the Fund, and in such capacity is responsible for the management, administration, and investment of the Fund.

NOTE 4 FAIR VALUE MEASUREMENT

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The Plan has adopted Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds – These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts – Common collective trusts are valued at fair value using the net asset value (NAV) as provided by the custodian. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments stated at fair value on a recurring basis as of December 31, 2021 and 2020:

Investment Category	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 81,323,772	\$ -	\$ -	\$ 81,323,772
Total investments at fair value	\$ 81,323,772	\$ -	\$ -	\$ 81,323,772
Investment measured at net asset value*				9,185,435
Total investments at fair value				\$ 90,509,207

Investment Category	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 80,751,692	\$ -	\$ -	\$ 80,751,692

*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

For the years ended December 31, 2021 and 2020, net appreciation in fair value of investments in registered investment companies (mutual funds) and the investment held in the common collective trust was the following:

	2021	2020
Mutual funds	\$ 7,317,135	\$ 9,456,549
Common collective trust	40,426	-
Total net appreciation in fair value of investments	\$ 7,357,561	\$ 9,456,549

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company (Fidelity), the trustee of the Plan. The Plan Administrator has obtained a certification from the trustee that information provided to the Plan Administrator by the trustee related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments at fair value as of December 31, 2021 and 2020 as reflected in the Statements of Net Assets Available for Benefits;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 6 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Investments Institutional Operations Company (FIIOC). FIIOC is related to Fidelity Workplace Services, LLC (FWS), the Plan record-keeper, and Fidelity Management Trust Company (FMTC), the Plan trustee. Therefore, transactions among these entities qualify as party-in-interest transactions that are exempt under ERISA.

NOTE 7 INCOME TAX STATUS

The Plan adopted a 401(k) and Profit Sharing Plan (Prototype Plan) sponsored by FMTC. The Prototype Plan obtained a favorable Internal Revenue Service (IRS) opinion letter dated December 5, 2001. The opinion letter states that the Prototype Plan is acceptable under applicable sections of the Internal Revenue Code (IRC).

On September 27, 1995, the Plan received a favorable determination letter from the IRS that states that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

San Gabriel Valley Water Company Retirement and Savings Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020

NOTE 7 INCOME TAX STATUS (CONTINUED)

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. The Plan Administrator believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Plan files information returns annually. As of December 31, 2021, information returns for years subsequent to 2018 were subject to examination by the authorities.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 9 RISKS AND UNCERTAINTIES

The plan invests in various mutual funds and common collective trusts. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 IMPACT OF COVID-19 ON THE PLAN'S OPERATIONS

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The coronavirus and actions taken to mitigate it have had and are expected to continue to have adverse impact on the economies and financial markets of many countries, including the United States.

It is unknown how long these conditions will last and what the complete financial effect will be to the Plan. However, the Plan Administrator believes that the financial impact, if any, did not materially affect the Plan's December 31, 2021 and 2020 financial statements.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act provided plan sponsors the ability to offer qualifying participants penalty-free distributions up to \$100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived the required minimum distributions for terminated participants in the calendar year 2020. The Plan Sponsor implemented these legislative changes and plans to formally execute the required plan amendments reflecting their implementation by December 31, 2022.

NOTE 11 SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 13, 2022, the date on which the financial statements were available to be issued. There were no other material subsequent events that required recognition or additional disclosures in these financial statements.
